Poems from the Southend of the Rink Richard E. Parham,1999-03-01 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 **Stepping Back in Time - Jardine, Payne, Hoy** Keith Payne,2012-05-09 My Mother Doreen Hilda Payne nee Jardine executed much of this research tracing our forebears history back to the 1800s and possibly the very late 1700s This may not seem a long time ago but when you remember that in those early times people rode around on horseback motor vehicles and aeroplanes were 100 years away from being invented The Duke of Wellington was defeating Napoleon at Waterloo in 1815 and in 1860 the American Civil War was yet to happen while space travel was only an imaginative comic book dream This tells you how long ago 1800 was let alone the 1700s The purpose of this document is to create an ongoing history of this immediate family and those involved so that our Children and our Childrens Children will know where they came from and the histories and interests of these family members Also the times in which they lived indeed how much life and lifes struggles have changed over the years It is my hope that our Doreen and Keith Payne Children Holly and James and their Children Jessica and Isabella by Holly and Sophie Olivia by James and Vicky will add their story to this historical document and pass it onto their Children Should each subsequent generation add their story this document will become historical in its own right When I realised all the effort my Mother had put into locating her ancestors as far back as she had and realised exactly what she had managed to achieve I believed it would be a great tragedy if all her endeavours were lost herewith the book Not many children know beyond their immediate grandparents so what an incredible history this will be if it is maintained down the years recording all the changes in the way we live and additions to our family Bless you Mother
