

A serene sunset scene over a calm ocean. The sun is a bright, glowing orb positioned slightly left of the center, partially obscured by a layer of clouds. Its light creates a shimmering, golden path of reflection that stretches from the horizon down to the foreground. The sky is filled with soft, textured clouds in shades of grey, blue, and orange, with the warm light of the sun filtering through. The water in the foreground is dark with gentle ripples, reflecting the ambient light.
