# *The Wind in the Willows*

KENNETH GRAHAME

Far from fading with time, Kenneth Grahame's classic tale of fantasy has attracted a growing audience in each generation. Rat, Mole, Badger, and the preposterous Mr. Toad (with his 'Poop-poop-poop' road-hogging new motor-car), have brought delight to many through the years with their odd adventures on and by the river, and at the imposing residence of Toad Hall.

Grahame's book was later dramatised by A. A. Milne, and became a perennial Christmas favourite, as *Toad of Toad Hall*. It continues to enchant and, above all perhaps, inspire great affection.

**The Art of Translation in Seamus Heaney's Poetry** Edward T. Duffy, 2024-03-13 The Art of Translation in Seamus Heaney's Poetry is a critical study of the poet's later work While exploring his practice as a translator it also traces his increasing preoccupation with the possibilities and conditions of translation in the theological sense of being lifted up in spirit To the work of this philosophical poet who would be both earthed and heady this book brings the insights of ordinary language philosophy as practiced by Stanley Cavell It devotes separate chapters to Station Island and three later collections Seeing Things Electric Light and Human Chain The first of these addresses the most fundamental change in

Heaney's life when he acknowledges the need and chance to re-envisage his Irish Catholic upbringing it is also replete with both the activity and the trope of translation. Published seven years later *Seeing Things* begins with a translation of Virgil's golden bough episode and ends with a similar crossing over into the underworld by Dante. Heaney transforms both into poems about poetry. In *Electric Light* Heaney returns to Virgil but now he concentrates not on the hero of the *Aeneid* but on Virgil's earlier efforts in pastoral, a mode of writing that Heaney takes as a model for his own time and place of devastated order. Heaney returns to the *Aeneid* in *Human Chain* but this time around he gives all his attention to the scene of the human souls in Elysium seeking rebirth and turns it into an image for the need and chance of pronouncing a final Yes to our world and our place in it.

**Selected Poems of Edna St. Vincent Millay** Edna St. Vincent Millay, Holly Peppe, 2016-01-01 More than sixty years after her death the Pulitzer Prize-winning poet Edna St. Vincent Millay continues to captivate new generations of readers. The twentieth-century American author was catapulted to fame after the publication of *Renascence*, her first major work, and a poem written while she was still a teenager. Millay's frank attitude toward sexuality, along with immortal lines such as "My candle burns at both ends," solidified her reputation as the quintessential liberated woman of the Jazz Age. In this authoritative volume Timothy F. Jackson has compiled and annotated a new selection that represents the full range of her published work alongside previously unpublished manuscript excerpts, poems, prose and correspondence. The poems appearing as they were

printed in their first editions are complemented by Jacksons extensive illuminating notes which draw on archival sources and help situate her work in its historical and literary context Two introductory essays one by Jackson and the other by Millays literary executor Holly Peppel also help critically frame the poets work
