If Life Is a Grocery Store, I Need Better Coupons Keith Johnson, 2011-02-21 I believe that every man has the potential to pull himself from the mud of which he was created up to the highest point of stardom to overcome the greatest of indignities whatever may be served to him and demonstrate the greatest of inspirational abilities making mankind far better for his appearance on this earth if he chooses as brief as it may be I believe that every man is sacred and when he realizes his individual worth he cannot help but strive for perfection and though he cannot find it in his own strength will realize that the God who made him loves him and will give him the strength he needs to overcome all tribulation and failure that we were made to be happy and excited about our existence and that we should live and learn to love life and embrace all it has to offer passionately eliminating the bad and enhancing the good for ourselves and our fellow man It is our God given responsibility to take this gift of life and the earth upon which we were given to live to learn to love God and our fellow man and that our journey is solely our own and affects all of us for the worse or the better according to the choices we make guided by our character And whether we like it or not all of our chosen activities affect each other and should lift up our fellow man as sacred and special as we lift ourselves up individually and to never forget that we are not here alone that God is watching every step we take and every action in our lives and we are held in judgment for how we treat ourselves our fellow man and our relationship with our Heavenly Father

Confessions of a Unificationist Jo Ann Crooks, 2020-11-15 Most of the past publicity about the Unification Church Unification Movement and Reverend Moon has been negative Jo Ann attempts to give an understanding of what this movement is all about based on her experiences and as seen through her eyes and explain what made her and

thousands of American young people join this movement She also tries to give a basic understanding of the Divine Principle the teachings of Reverend Moon She says I believe if the world knew even the basics of the Principle we could see the way to peace on earth as we could overcome the things that divide us now The chapter on What We Believe deals with questions humans have been asking from the beginning of time including who or what God is the purpose of life our spiritual and physical bodies spiritual growth life after death the origin of evil the truth about the life of Jesus the purpose behind human history and the mission Reverend Moon said he was given by Jesus on a North Korean mountainside in 1936 when he was sixteen years old The purpose of giving this basic understanding is to help make happy individuals and families at a time when so many people feel there is no purpose in life or ability to save this world from destroying itself Jo Ann also explains the meaning of the Blessing which refers to the well known group wedding ceremonies a hallmark of the Unification Movement She was matched by Reverend Moon to a Japanese groom and they participated in the Blessing ceremony of 2 075 couples in Madison Square Garden New York in 1982

Born in Phoenix Arizona Jo Ann Crooks grew up in the fifties sixties and seventies Like so many children of that time she grew up in an alcoholic home as her father a World War II veteran tried to deal with the horrors of war by drinking She also grew up as a Catholic and her early experiences of faith influenced her decision as a young adult to join the Unification Church Unification Movement and have helped her to continue in the church for over forty years She considers herself a regular member of the church not a leader of any kind and a typical American She has two adult children and two cats and currently lives in Tempe Arizona a city near Phoenix
