Ralph Nader Presents More Action For A Change Students Serving The Public Interest:

Ralph Nader Presents More Action for a Change Kelley Griffin,1987 Leaders from the 1960s David De Leon,1994-06-22 The throngs at Woodstock Jane Fonda in Hanoi I Have a Dream burning draft cards fire in the streets these images of the 1960s are still very much alive today What happened to the people and principles that dominated that decade Which leaders from those turbulent years had the most lasting effect on our lives today How well have the principles for which those leaders fought so strongly withstood the test of time This thought provoking biographical dictionary allows the reader to study the leaders both conservative and liberal their ideals and their enduring influence With major sections on racial democracy peace and freedom sexuality and gender the environment radical culture and visions of alternative societies Leaders from the 1960s includes entries on a wide selection of nationally prominent activists of the 1960s In addition to those who dominated only the sixties the volume includes earlier activists who came into prominence in the 1960s and activists of the era who came into prominence since the 1960s Each entry provides a biographical sketch but the focus of the entries is on the person s basic concepts or the essence of his or her work and the public response it generated Included are extensive bibliographies on the individuals and the period **Ralph Nader Presents : Students as If They Matter** ,1982 **The Genius of Earth Day** Adam Rome,2013-04-16 A comprehensive and enlightening history of Earth Day 1970 one of the largest and most important political events of the twentieth centuryThe first Earth Day is the most famous little known event in modern American history Because we still pay ritual homage to the planet every April 22 everyone knows something about Earth Day Some people may also know that Earth Day 1970 made the environmental movement a major force in American political life But no one has told the whole story before The story of the first Earth Day is inspiring it had a power a freshness and a seriousness of purpose that are difficult to imagine today Earth Day 1970 created an entire green generation Thousands of Earth Day organizers and participants decided to devote their lives to the environmental cause Earth Day 1970 helped to build a lasting eco infrastructure lobbying organizations environmental beats at newspapers environmental studies programs eco sections in bookstores community ecology centers **Watchdogs and Whistleblowers** Stephen Brobeck,Robert N. Mayer,2015-07-20 This book is the most comprehensive and up to date source of information about ways in which consumer activism has reshaped the economic and political well being of citizens in the United States and around the world This all encompassing collection of information about consumer activism and the consumer movement will provide students public officials business groups and other activists with a one stop source of facts and insights The contributors explore hundreds of major consumer protections that have significantly enhanced the quality of life and safety for all Americans showing how these protections were won through the skillful and determined work of leading activists and activist organizations Many of the stories told here are related by the activists themselves often for the first time More than 140 entries offer a comprehensive treatment of the consumer activism of specific organizations their leaders and strategies The

book also includes more than 40 entries about consumer movements in Europe Asia Africa and Latin America A timeline of key events and a listing of the most important books on the subject of consumer activism help provide context for the individual entries as do two introductory essays Cross references in each entry establish linkages among topics
