Rambling Around:

Ramblin' Bob Dayton Lummis, 2012-05 The stage and film actor Peter Holden Parkhurst has called Dayton Lummis a cosmic town crier Indeed that he is and more This latest volume Ramblin Bob will reveal that Read it The California social critic Tom Englezos said of Lummis s previous collection of acerbic thoughts and often politically incorrect observations I thoroughly and absolutely enjoyed NOTES I was informed and often outraged Great stuff Damn I hope you have more coming A lot more Ramblin Bob is more And still more You and Your Profile Hans-Georg Moeller, Paul J. D'Ambrosio, 2021-05-25 More and more we present ourselves and encounter others through profiles A profile shows us not as we are seen directly but how we are perceived by a broader public As we observe how others observe us we calibrate our self presentation accordingly Profile based identity is evident everywhere from pop culture to politics marketing to morality But all too often critics simply denounce this alleged superficiality in defense of some supposedly pure ideal of authentic or sincere expression This book argues that the profile marks an epochal shift in our concept of identity and demonstrates why that matters You and Your Profile blends social theory philosophy and cultural critique to unfold an exploration of the way we have come to experience the world Instead of polemicizing against the profile Hans Georg Moeller and Paul J D Ambrosio outline how it works how we readily apply it in our daily lives and how it shapes our values personally economically and ethically They develop a practical vocabulary of life in the digital age Informed by the Daoist tradition they suggest strategies for handling the pressure of social media by distancing oneself from one s public face A deft and wide ranging consideration of our era s identity crisis this book provides vital clues on how to stay sane in a time of proliferating profiles **Walking in the Auvergne** Rachel Crolla, Carl McKeating, 2013-04-22 A guidebook to 42 day walks in the Auvergne Exploring the volcanic hills of central France the walks are suitable for beginner and experienced walkers alike Walks range from 2 to 16km 1 10 miles and can be enjoyed in 1 6 hours The routes are clustered into five different areas making ideal bases Cantal the Cha ne des Puys Monts D mes the Monts Dore the Haute Loire Livradois and Velay and the Montagne Bourbonnaise Sketch maps are included for each walk Detailed information on accommodation public transport and the region s volcanic history Local points of interest are featured including the Livradois Forez and Auvergne Volcanoes regional nature parks **Rhymes of a Rover** Forrest Hill Lyons, 1927 Toomas Nipernaadi August Gailit, 2020-04-30 Toomas Nipernaadi is the eternal wanderer Each spring he travels into the countryside drifting from village to village Wherever he turns up adventure and trouble ensue He works as a rafter impersonates a pastor drains swampland and becomes the master of a farm He is full of stories and tall tales and enchants the village girls he encounters who fall in love with his elusive will of the wisp character before he is gone as suddenly as he arrived There is both a fairy tale element and a darker side to Toomas Nipernaadi who is both the hero and the villain in his own story First published in 1928 Toomas Nipernaadi remains one of the most popular books in Estonia It has been widely translated and made into a successful film **Mary Dove** Jane Gilmore Rushing, 2003 Reared in isolation by

her father on the Western prairie Mary Dove has been taught to fear only one thing One sparkling October day it happens The inevitable stranger rides in off the plains and Mary Dove does what she had always promised her father she would she shoots Yet compassion overcomes Mary's fear In remorse she tends to the wounded stranger and what follows is their tentative discovery of each other and a love story that weaves universal and timeless themes The mother who died before Mary Dove could know her was African American And so completely has Mary Dove's father sheltered her that she cannot begin to comprehend what society would so cruelly teach her Archetypal in their blamelessness and in how deeply they must suffer for their love Mary Dove and her cowboy Red Christopher Columbus Jones are so thoroughly West Texan that they prove Rushing's mastery of character and place Get away she said Now I ain't gonna hurt you he said and I don't want to know nothing about you that you don't want to tell He came a step closer Stop right now she said or I'll shoot You wouldn't he said He was so nearly right She believed what he said or nearly But she had been afraid so long And wasn't it a law of God to do what your father said She trembled looking into his smiling blue eyes It would have been easier if he had been preparing to pounce like the panther or striking like the snake The rifle barrel dropped a little I knew you wouldn't he said taking another step towards her I have to she said and with a terrible struggle to hold the gun steady she fired

Sunbonnets and Sweet Gum Pearl Lowe Boyd, 2001-12-21 Note Although this book is listed as biography autobiography it is actually FOLKLORE from the Midland Region of the United States and can be considered as Americana and nostalgia Elizabeth Pearl Lowe Boyd 1904-1965 grew up on farms in Warren County Kentucky near Bowling Green Unlike many girls of that era she went on from the rural one room school to graduate from what is now Western Kentucky University a degree in English and Latin After a year of teaching in Shepherdsville Kentucky she moved to Cross City Florida where she taught another year and married Robert U Boyd a railroad agent By 1935 they had settled in Dunedin Florida where they raised their eight children From 1936 until her death she wrote a popular column in the local weekly paper The Dunedin Times titled From My Kitchen Window The topics she wrote about were many and varied and her focus was on the ordinary and commonplace Over two hundred of these articles were about her recollections of growing up in rural Kentucky and they were selected for this book Although Florida had become her home her heart remained in Kentucky It was there for that sweet land and for the hills and seasons that she felt deeply attached She never lost her yearnings for the hills for the agrarian life of Kentucky And it was of rural people life times and history that she wrote most eloquently Pearl Lowe Boyd the name she went by was energetic jolly determined and focused civic minded and above all a mother She spread her children out over twenty two years and she was fascinated by her little ones their beauty their trust their development and their emergence into big people Writing was the forum through which she best expressed herself the same as music is for a musician In her earliest writings and diaries she stated her desires to be a writer Her opinions were carefully thoughtful erudite and tactfully voiced The only time I remember that she got her dander up and went on an all out crusade was when

she got wind that the town leaders were planning to have an enormous beautiful oak tree behind the Chamber of Commerce cut down. They lost; she won, and the tree is standing today. She loved to read and kept lists of books she devoured, sometimes over a hundred in a year's span. Yet her own mother was opposed to education beyond the eighth grade for a farm girl and was very much disapproving of her reading novels, even the writings by Dickens. It was her father who encouraged her education and her love of books and writing. She was the kind of person who looked for the good in things, in people, in nature, and in life. Although she had periods of worry and depression, she never let them slow her down. The reasoning behind her positive outlook, which she described to me during one of my down times, was pragmatic and positive: why choose to dwell on the hurtful and the bad when one can live much more effectively by dwelling on the beautiful, the exciting, and the good of life. She grew up during Women's Suffrage. As an early feminist, she insisted on fairness in all things for women as for men, yet in her own life she was comfortable with first being a hard-working housewife and mother and being a civic leader and writer second. Among her homespun articles, she also wrote blistering articles against the treatment of Jews and others during World War II and against bigotry during the early days of desegregation. The n-word was certainly not permitted in her home. I remember her as a wise person. On one occasion when two of her children were arguing over splitting up a remaining chunk of cake, she utilized the King Solomon ploy by allowing one to make the slice and the other to take the first piece. Of course, the two pieces were precisely identical. Music was a part of our lives with **Summer in the Girls' Camp** Anna

pulled apart by war and the rapidly changing tides of society in Jack Kerouac's captivating first novel. Published seven years before his iconic *On the Road*, Jack Kerouac's debut novel follows the experiences of one family as they navigate the seismic cultural shifts following World War II. Inspired by Kerouac's own New England youth, the eight Martin children enjoy an idyllic upbringing in a small Massachusetts mill town. Middle son Peter, a budding intellectual and promising athlete, most strongly feels the lure of the future. When war breaks out, the siblings' lives are interrupted by military service; their parents must sell their house after the family business goes bankrupt, and Peter is eager to see the world, voyages overseas as a Merchant Marine. After returning home, Peter is drawn to the kinetic energy of New York City and the progressive bohemian ideas springing from its denizen young poets, writers, and artists. His new friends are fictionalized versions of Kerouac's contemporaries: Allen Ginsberg as Leon Levinsky, Lucien Carr as Kenneth Wood, and William Burroughs as Will Dennison, and other members of the Beat Generation. Seen by Peter's parents as hoodlums and junkies, the Beats challenge conventional American ideas of everything from authority and religion to marriage and domestic life. *Flunkerton* Tommy Haney, 2015-11-13
