her loyal fighters Even when her husband is killed Ahhotep refuses to yield turning instead to her eldest son Kames who must take his father's place as pharaoh Leading an increasingly powerful army Ahhotep steals victory after victory despite the treachery that threatens Egypt from within Slowly the Egyptians are recovering their honor growing stronger by the day and the brutal invaders no longer seem invincible Unless Queen Ahhotep and her followers are being lured into an elaborately designed trap that may seal their doom Combining historical fact with a vivid imagination Christian Jacq tells the enthralling true story of the Ancient Egyptian warrior queen Ahhotep without whose valiant courage the Valley of the Kings and the glorious treasures of the pharaohs including Ramses the Great would never have existed     **The Wise Woman** Christian Jacq,2000-09 Since the death of Ramses the Great the villagers of the Place of Truth have been under great pressure to produce their best work to honour Egypt's greatest pharaoh Follows Nefer the Silent     **Ramses, the Temple of a Million Years** ,2013     **The Place of Truth** Christian Jacq,2001-09 Volume IV in the Stone of Light series An unknown traitor undermines the security of the Place of Truth Will Paneb reveal the culprit in time Read on     *The Stone of Light* Christian Jacq,2000     Nefer the Silent Christian Jacq,2000-04 On back cover Christian Jacq brings the people and the passions of ancient Egypt to life in an entralling epic novel in four volumes     *Temples Along the Nile* Sarah Symons,2016-07-13 Nowhere on earth has a river like the Nile played such an important role in preserving the life of an entire nation Temples Along the Nile transports the reader down the Nile to visit the concentration of the best preserved temples in the world with vivid descriptions of the wonderful wall paintings and carvings to be found there some in near perfect condition even after thousands of years The Ramesseum was certainly a lasting memorial to the great Ramses II and although there was very little left of the interior apart from the very decorative columns the temple still provided the visitor with a wealth of interest with the spirit of Ramses dominating every single corner Perhaps the most interesting sites explored in the book are the iconic rock temples of Ramses II and his queen Neferatari at Abu Simbel The pharaohs were believed to have been chosen by the gods themselves and as such the temples serve as fitting tributes to those who were held in such high regard by the Ancient Egyptian population Readers will also discover how the temples functioned at the time of the pharaohs as priests would carry out daily rituals of purification in the presence of the gods and goddesses Finally the book concludes with a lesson on how these extraordinary temples were saved from being flooded by the creation of the vast reservoir Lake Nasser Temples Along the Nile provides a fascinating glimpse into Ancient Egyptian history It will appeal to both amateur and professional historians as well as those with an interest in world travel     *The Flaming Sword* Christian Jacq,2005-11-01 In the north the barbaric Hyksos still rule with unimaginable brutality Queen Ahhotep meanwhile has recaptured much of the south but at a terrible price her husband has been killed in combat and her elder son Kames was mysteriously poisoned Ahhotep refuses to be crowned pharaoh and prepares her second son young Amose to take power instead Thanks to her the Egyptians are now ready for the final battle They lay siege to Avaris the Hyksos capital and once the city is taken nothing can

stop them After 100 years of occupation and thousands of violent deaths it looks as though the Egyptian empire may at last rise from the ashes 1989, [Ancient Egypt: The World of the Pharaohs](#) **Egyptology at the Dawn of the Twenty-first Century: Archaeology** zahi hawass, Lyla Pinch Brock, 2003 This comprehensive three volume set marks the publication of the proceedings of the Eighth International Congress of Egyptologists held in Cairo in 2000 the largest Congress since the inaugural meeting in 1979 Organized thematically to reflect the breadth and depth of the material presented at this event these papers provide a survey of current Egyptological research at the dawn of the twenty first century The proceedings include the eight Millennium Debates led by esteemed Egyptologists addressing key issues in the field as well as nearly every paper presented at the Congress The 275 papers cover the whole spectrum of Egyptological research Grouped under the themes of archaeology history religion language conservation and museology and written in English French and German these contributions together form the most comprehensive picture of Egyptology today *Luxor* Giovanna Magi, 2001 Discover the rich history and culture of some of the world s most influential historical places with these highly illustrated books packed with informative and enlightening descriptions and information 2002, [The Great Pyramids of Giza](#) [The Temple of Derr](#) Aylward Manley Blackman, 1913
