With Blood in Their Eyes Thomas Cobb, 2012-09-13 Winner Spur Award for Best Western Long Novel Western Writers of America and Southwest Book Award Border Regional Library Association On February 10 1918 John Power woke to the sound of bells and horses hooves He was sharing a cabin near the family mine with his brother Tom and their father Jeff hired man Tom Sisson was also nearby Then gunfire erupted and so began the day when the Power brothers engaged the Graham County Sheriff s Department in the bloodiest shootout in Arizona history Now Thomas Cobb author of Crazy Heart and Shavetail has taken up the story in this powerful and meticulously researched nonfiction novel What seems at first a simple tale of crime and pursuit takes on much greater meaning and complexity as the story traces the past lives of the main characters and interconnects them all leading back to the deadly confrontation that begins the book Cobb cunningly weaves the story of the Power brothers escape with flashbacks of the boys father s life and his struggle to make a living ranching logging and mining in the West around the turn of the century Deftly drawn characters and cleverly concealed motivations work seamlessly to blend a compelling family history with a desperate story of the brothers as they attempt to escape Grappling with themes of loyalty masculinity technology and honor this sweeping saga reveals the passion and brutality of frontier life in Arizona a hundred years ago Richly authentic and beautifully written With Blood in Their Eyes breathes dramatic new life into this nearly forgotten episode of the American West

**The Rancher** Sarah M. Anderson, 2019-12-11 Mary Beth is the kind of woman who wishes she had a five second delay on her mouth The swath of verbal destruction she leaves is why she goes west to start over But any resolve to hold her tongue is lost immediately when she meets Jacob a Lakota cowboy who says next to nothing especially about the black leather mask that covers half his face Jacob s silence is his armor in a white man s world but even that isn t enough to protect him or the mute girl he guards from forces he can t control Fascinated by the masked cowboy and drawn to defend the girl Mary Beth finds herself in the middle of a decades old power struggle that only she could talk her way out of Note This book was previously published as Masked Cowboy in 2013 4 1 2 stars TOP PICK Ms Anderson writes with an entertaining and intelligent style I thoroughly enjoyed this smart complex and fascinating story Night Owl Reviews 4 stars The second Men of the White Sandy series combines a sizzling romance with a genuinely intriguing tale of a small town s secrets histories and sins Her scarred hero s story is absorbing but Anderson wisely examines her heroine s past with similar care making this a story of two fully realized characters who challenge and fulfill each other The mystery adds a spark to the plot driving the action and ratcheting up the tension to create a novel that fans and new readers alike will enjoy RT Book Reviews 4 1 2 stars TOP PICK This is a sexy slightly angsty tale between an emotionally and physically scarred man and a ball buster heroine It made me laugh made me swoon and made me mad any book that elicits all those emotions has got to be a reread Scorching Reviews 4 stars Grade B I recently read my first Sarah Anderson book from a different series and really liked her voice When I found out this hero was scarred and a bit tortured I

biases but resonated with larger social and ideological movements within American culture Anti Semitic sentiment motivated such various movements as the western farmers populist revolt and the East Coast patricians revulsion against immigration both of which Pizer discusses here This antagonism toward Jews and other non Anglo Saxon ethnicities intersected not only with these authors social reform agendas but also with their literary method of representing the overpowering forces of heredity social or natural environment and savage instinct **Black Fox Magazine** ,1928 Journal of the South African Veterinary Medical Association ,1952 **Encyclopedia of Wyoming Indians** Donald Ricky,2001-01-01 There is a great deal of information on the native peoples of the United States which exists largely in national publications Since much of Native American history occurred before statehood there is a need for information on Native Americans of the region to fully understand the history and culture of the native peoples that occupied Wyoming and the surrounding areas The first section is contains an overview of early history of the state and region The second section contains an A to Z dictionary of tribal articles and biographies of noteworthy Native Americans that have contributed to the history of Wyoming Warriors Without Weapons Gordon Macgregor,2013-05-31 A fascinating and in depth look at the social and personality development of the Pine Ridge Sioux **Authoritarian Absorption** Yan Long,2024-11-08 Authoritarian Absorption unveils the transformation of China s pandemic response system from 1978 to 2018 through its battle against HIV AIDS Chinese bureaucrats facing pressure from foreign agencies especially those of the US and UK and grassroots social movements developed ways to turn epidemics into opportunities for enhancing domestic control and international stature Drawing on longitudinal ethnographic research Yan Long reveals how Western liberal interventions can simultaneously bolster public health institutions and reinforce authoritarian power a development pivotal to China s subsequent handling of COVID 19 and instrumental in advancing the rights of groups like gay men **The Return of the Rancher** Frederick Schiller Faust,2022-08-16 Frederick Schiller Faust s The Return of the Rancher is not merely a tale of the Old West but also an intricate portrayal of individual resolve and societal notions of justice and redemption Crafted with the author s quintessential narrative vigor the book delves into the trials and tribulations of a rancher reclaiming his stake in an unforgiving landscape Faust writing under one of his many pseudonyms incorporates a rhythmic yet taut prose that enthusiastically evokes the literary paradigm of early 20th century Western fiction The reader is not just witnessing a story unfold but is also invited into a meticulous exploration of character and the human condition amidst the untamed frontiers As one of the preeminent pulp writers of his time Frederick Schiller Faust better known by his pen name Max Brand was prolific in expounding the virtues and vices of his characters against the backdrop of the American frontier His profound understanding of the West was not merely a product of fascination but of the zeitgeist that shaped American culture during his productive years Faust s own experiences and the era s social currents manifest vividly in The Return of the Rancher capturing the imagination of its readers and offering a glimpse into the ethos that drove the author s creative process The
