Dr. Seuss Philip Nel,2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss s career his poetry politics art marketing and place in the popular imagination Nel argues convincingly that Dr Seuss is one of the most influential poets in America His nonsense verse like that of Lewis Carroll and Edward Lear has changed language itself giving us new words like nerd And Seuss s famously loopy artistic style what Nel terms an energetic cartoon surrealism has been equally important inspiring artists like filmmaker Tim Burton and illustrator Lane Smith from back cover **The Gates of Hell** David Henderson,2024-10-17 This book is mostly a collection of true stories about demonic beings frightening torturing and creating chaos among humans The first reason I authored this book was because I simply enjoy this topic Yes I am a bit odd I find topics that are strange mysterious and diabolical to be interesting The second reason is because we are in a spiritual battle and I find many Christians that I know seem to be almost oblivious to this fact My hope in this book is to make you more aware of the battle going on around us and that we can and should be ready to defend and battle Satan and his demonic army Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world and against the spiritual forces of evil in the heavenly realms Ephesians 6 12 Companion to Literature

The Story Prize Larry Dark,2019-03-05 You don t often get collections or even anthologies where every story knocks you out but I ve been bewildered in the best way over each one in The Story Prize so far Lillian Li author of Number One Chinese Restaurant This anthology of short stories marks the fifteenth anniversary of The Story Prize and includes one story from each of the annual winning collections beginning with Edwidge Danticat s The Dew

Breaker and concluding with Elizabeth Strout's *Anything Is Possible*. The founder of The Story Prize, Julie Lindsey, and its director, Larry Dark, created this award to address the lack of one specifically for collections of stories. Together, they choose three finalists from the previous year's publications, which are sent to three judges: an author, a bookseller or librarian, and a critic or editor, who independently of one another relay their choices. The prize is then presented at an annual celebration in New York, where the finalists read from their books and then discuss their work with Dark. Excerpts from these interviews or, in a few cases, the judges' citations, introduce each story in the book. The authors chose the stories included to read at the annual Story Prize event.
