Caputo, 1993-10-22 A brilliant and witty postmodern critique of ethics framed as a contemporary restaging of Kierkegaard's Fear and Trembling John D. Caputo undertakes a passionate poetic and satiric search for the basis of an ethics in the postmodern situation Restaging Kierkegaard's Fear and Trembling Caputo defends the notion of obligation without ethics of responsibility without the support of ethical foundations Retelling the story of Abraham and Isaac he strikes the pose of a postmodern day Johannes de Silentio accompanied by communications from such startling figures as Johanna de Silentio Felix Sineculpa and Magdalena de la Cruz In dialogue with the thought of Kierkegaard Nietzsche Derrida and Lyotard Caputo forges a challenging original account of what is possible and what is not possible for a continentalist ethics today Against Ethics is a bold work A counterethics whose multiple voices will be heard long after the trivializing arguments of many analytic ethicists have vanished and the arcane formulations of many postmoderns have been jettisoned Edith Wyschogrod Caputo provides a brilliant new analysis of the limits of ethics Essential reading for anyone concerned with the philosophical issues raised in postmodernity Drucilla Cornell One of the most important works on philosophical ethics written in recent years Caputo speaks with a passion and concern that are rare in academic philosophy Mark C. Taylor Against Ethics is beautifully written clever learned thought provoking and even inspiring Theological Studies Writing in the form of his ideas Caputo offers the reader a truly exquisite reading experience His iconic style mirrors a truly refreshing honesty that draws the reader in to play Quarterly Journal of Speech **Guns in America** Jan E. Dizard, Robert Muth, Stephen P. Andrews, 1999-04 Should you own a gun Americans losing trust in each other and institutions Arms and the woman a feminist reappraisal Guns are the tools by which we forge our liberty Gun control in American a history of discrimination against the poor and minorities Talk at Temple Beth Shir Shalom Friday April 30 1993 Apocalypse now They've had enough Author's call to arms gets answer The anti-environment connection America's only realistic option promoting responsible gun ownership What are the alternatives Lawsuit aims at gun industry Crime fighting's about face Second thoughts on the Second Amendment Ten essential observations on guns in America **Feminist Theory and Literary Practice** Deborah L. Madsen, 2000-08-20 This book is an exploration of women's writing that focuses on the close links between literary texts and the theories that construct those texts as women's writing Each chapter deals with one of the issues or concepts that have engaged both authors and theorists rhetoric work consciousness nature class and race A detailed analysis shows how each concept has been used by feminists to construct a specific text in such a way that it is received as a work of women's writing particularly in American literature Using canonical texts from Charlotte Perkins Gilman through Kate Chopin and Willa Cather to Alice Walker and Ann Beattie Madsen engages with the major debates within feminist studies Moving on from Showalter's

groundbreaking work to broaden the trajectory of feminist concern this book is an accessible account of the varieties of feminist thought within the context of the key American texts     The Chicago Gangster Theory of Life Andrew Ross,1995-10-17 Increasingly the most powerful voices on the planet eheads of state corporations global economists eare speaking in the name of environmentalism     *Animals and the Environment* Lisa Kemmerer,2015-05-01 Contemporary Earth and animal activists rarely collaborate perhaps because environmentalists focus on species and ecosystems while animal advocates look to the individual and neither seems to have much respect for the other This diverse collection of essays highlights common ground between earth and animal advocates most notably the protection of wildlife and personal dietary choice If earth and animal advocates move beyond philosophical differences and resultant divergent priorities turning attention to shared goals both will be more effective and both animals and the environment will benefit Given the undeniable seriousness of the environmental problems that we face including climate change and species extinction it is essential that activists join forces Drawing on a wide range of issues and disciplines ranging from wildlife management hunting and the work of NGOs to ethics ecofeminism religion and animal welfare this volume provides a stimulating collection of ideas and challenges for anyone else who cares about the environment or animals     *Introducing Gender and Women's Studies* Diane Richardson,Victoria Robinson,2020-04-22 At a time where after decades of progress in gender and sexual rights people in many parts of the world are facing new forms of resistance and opposition to gender equality this timely publication confirms the continuing importance and relevance of gender and women s studies The fifth edition of this best selling textbook provides a comprehensive overview of key issues and debates in gender and feminist theory With fully revised chapters written by specialists across a range of core topics including sexuality race bodies family masculinity methodologies and migration this clearly written but rigorous collection examines contemporary debates and provides helpful examples and questions to consider Furthermore it continues to reflect the shift from women s studies to gender studies incorporating coverage of masculinity throughout as well as discussing live debates such as around global activism transgender rights and the environment It continues to be an indispensable resource for students academics and anyone interested in this lively field New to this Edition A new chapter on gender and migration Expanded discussion of transgender rights as well as masculinity studies Brings seven new contributors to the collection with newly authored chapters on Gender and Environment Gender and Education Gender and Sexuality and Gender and Race Fully revised and updated with new material and new case examples Greater attention to intersectional approaches and international reach     **Rape of the Wild** Andrée Collard,Joyce Contrucci,1989 Argues that the masculine outlook towards nature has led to pollution exploitation and extinction and suggests an alternate more humane viewpoint     Feminism And Philosophy Nancy Tuana,Rosemarie Putnam Tong,2018-02-06 The past twenty years have seen an explosion of work by feminist philosophers and several surveys of this work have documented the richness of the many different ways of doing feminist philosophy But this major new anthology is

the first broad and inclusive selection of the most important work in this field There are many unanswered questions about the future of feminist philosophy Which of the many varieties of feminist philosophy will last and which will fade away What kinds of accommodations will be possible with mainstream non feminist philosophy Which will separate themselves and flourish on their own To what extent will feminists change the topics philosophers address To what extent will they change the very way in which philosophy is done However these questions are answered it is clear that feminist philosophy is having and will continue to have a major impact on the discipline of philosophy This volume is the first to allow the scholar the student and other interested readers to sample this diverse literature and to ponder these questions for themselves Organized around nine traditional types of feminist philosophy *Feminism and Philosophy* is an imaginatively edited volume that will stimulate readers to explore many new pathways of understanding It marks a defining moment in feminist philosophy and it will be an essential text for philosophers and for feminist theorists in many other fields
