*Rape of a Quiet Town* Dan Lees, 1973-01-01      **Rape Fantasies** Alisa Kessel, 2025 Alisa Kessel argues that preventing sexual violence requires confronting rape as a political act rather than a natural sexual impulse miscommunication or ethical failure She asserts that rape culture identifies who is dominable and who holds dominance reinforcing hierarchies of race gender sexuality and class In the US sexual violence functions as a deliberate tactic to maintain and embolden these social structures Kessel offers an intersectional analysis revealing how rape culture evolves to discipline groups that challenge the sociopolitical order She highlights how the myths and practices of this culture ensure sexual violence persists as a reliable technique of political domination With an ambitious and original approach Kessel exposes the deeply entrenched systems that perpetuate rape culture Provided by publisher

**The Cocoa Plantations America'S Chocolate Secret Forced Child Labor, Rape, Sodomy, Abuse of Children, Child Sex Trafficking, Child Organ Trafficking, Child Sex Slaves** Raymond C. Christian, 2015-08-22 Children working the cocoa plantations for Americas chocolate Would you ever dream of such abuse happening to five year old boys and girls children being worked worse than animals on the cocoa plantations to get the cocoa bean the main ingredient in chocolate to America The cocoa beans are covered with the blood sweat and tears of five year old children sold for slave labor to work on the cocoa plantations Everyone has limited freedoms even in America We protect our children They dont have to work on cocoa plantations like five year old children in Africa What should we do about the children who are being abused Laws are in place The International Labor Organization Convention laws and the Convention of the Rights of the Child these laws are not being enforced American people want chocolate but are not aware of the abuse taking place on the Ivory Coast of Africa and Ghana where 60 percent of the cocoa beans in the world are produced on the cocoa plantations The cocoa plantations on the Ivory Coast of Africa and Ghana are noted as being the worst form of child slavery in the history of the world Five year old children are working one hundred hours a week Children are sold into slavery and will never have a childhood or education Children working to get cocoa beans to America so the chocolate industries can produce chocolate while ignoring the laws in place Five year old children are being raped sodomized beaten with bike chains and possibly murdered trying to escape the cocoa plantations Chocolate is a trillion dollar industry Five year old children are being used as child sex slaves in sex trafficking and organ trafficking Why America why Please help the children

necessary in court and it helps readers learn the most effective ways of dealing with their feelings immediately following an assault during the subsequent few months and beyond The experiences of survivors recounted throughout the book reassure readers that others have pulled through Dr Ledray helps survivors realize that no matter what they did wore a low cut blouse accepted a ride from a stranger invited an acquaintance home they did not deserve to be raped She guides them from guilt or disbelief through bitterness and despair to the decision to take back control of their lives Fear of Crime Among the Elderly Mary Dale Craig,2018-10-24 This multimethod study of crime and the elderly in a small town setting approaches the related issues from varied perspectives and ultimately presents a different picture of fear of crime among the elderly than that which dominates the current literature Three features contribute to this book s uniqueness The first is a departure from the urban view the second is an emphasis on phenomenology and the third is multimethodology With an emphasis on qualitative research this study allows the elderly and other key informants to present their own portrait relative to crime a portrait that is far more contextually varied and far less dominated by fear and vulnerability than is commonly assumed

*Sexual Predators Amongst Us* Ronald A. Rufo,2011-12-07 It is imperative that educators parents and potential victims be aware of sexual predators the danger they pose in our society and the resources available to help prevent this growing epidemic Written from a police perspective *Sexual Predators Amongst Us* examines the problem of sexual predation how the Internet has contributed to its growth **Surviving the Silence: Black Women's Stories of Rape** Charlotte Pierce-Baker,2000-06-17 In this intelligent stunning and honest book Charlotte Pierce Baker weaves together the accounts of black women who have been raped and who have felt that they had to remain silent in order to protect themselves and their race It opens with the author s harrowing and courageous account of her rape and includes the stories of the author s own family s response plus the voices of black men who have supported rape survivors *Tribals, Empire and God* Zhodi Angami,2017-04-06 Tribal biblical interpretation is a developing area of study that is concerned with reading the Bible through the eyes of tribal people While many studies of reading the Bible from the reader s social cultural and historical location have been made in various parts of the world no thorough study that offers a coherent and substantive methodology for tribal biblical interpretation has been made This book is the first comprehensive work that offers a description of tribal biblical interpretation and shows its application by making a lucid reading of Matthew s infancy narrative from a tribal reader s perspective Using reader response criticism as his primary method Zhodi Angami brings his tribal context of North East India into conversation with Matthew s account of the birth of Jesus Since tribal people of North East India see themselves as living under colonial rule a tribal reader sees Matthew s text as a narrative that actively resists and subverts imperial rule Likewise the tribal experience of living at the margins inspires a tribal reader to look at the narrative from the underside from the perspective of those who are sidelined ignored belittled or forgotten Tribal biblical interpretation presented here follows a process of conversation between tribal worldview and Matthew s narrative Such a method animates

the text for the tribal reader and makes the biblical narrative not only more intelligible to the tribal reader but allows the text to speak directly to the tribal context
