Gender, Race, and Social Identity in American Politics Lori L. Montalbano, 2019-08-26 Gender Race and Social Identity in American Politics The Past and Future of Political Access explores the ways in which cultural expression is represented in American politics as it intersects with issues of gender race and the construction of social identity Specifically this body of work examines how representations in the media and larger culture can establish and diminish the status of diverse communities of American politicians Contributors analyze the rhetorical and performative changes that have occurred in America as it has shifted politically from growing acceptance and tolerance to an obscure and often hostile conservative ideology This book contributes to the growing dialogue surrounding American politics by citing specific cases of gender and race based infringements of the current political system as purported by media and party players This book will be especially useful to scholars of political science media studies gender studies and critical race studies Does God Exist? Stan W. Wallace, 2020-09-23 This book presents the most recent debates by leading contemporary philosophers of enduring themes and issues concerning the question of God s existence William Craig and Antony Flew met on the 50th anniversary of the famous Copleston Russell debate to discuss the question of God s existence in a public debate The core of this book contains the edited transcript of that debate Also included are eight chapters in which other significant philosophers Paul Draper R Douglas Geivett Michael Martin Keith Parsons William Rowe William Wainwright Keith Yandell and David Yandell critique the debate and address the issues raised Their substantial and compelling insights complement and further the debate helping the reader delve more deeply into the issues that surfaced In the two final chapters Craig and Flew respond and clarify their positions taking the debate yet one step further The result of these many contributions is a book which provides the reader with a summary of the current discussion and allows one to enter into the dialogue on this central question in the philosophy of religion **Ethical Theory** Russ Shafer-Landau, 2007-07-30 In presenting this reader on ethical theory Shafer Landau philosophy U of Wisconsin has made sure to cover the standard topics of the day consequentialism deontology contractarianism and virtue ethics but has also sought to include areas that are less common in sections on moral standing moral responsibility moral knowledge and works that question the very possibility of systematic ethics He also includes a section that discusses ethics and religion and another that examines prima facie duties and particularism Rather than include critics views following the various theoretical presentations he has instead decided to include more works of allied thinkers in order to provide readers with a more nuanced view of the particular view in question Selections from classic writers such as Aristotle Thomas Hobbes Immanuel Kant and Plato are accompanied by more contemporary writings Annotation 2007 Book News Inc Portland OR booknews.com Distributed by Syndetic Solutions LLC Women in Greek Myth Mary R. Lefkowitz, 2007-08-27 In the first edition of Women in Greek Myth Mary R Lefkowitz convincingly challenged narrow ideological interpretations of the roles of female characters in Greek mythology Where some

scholars saw the Amazons as the last remnant of a forgotten matriarchy Clytemnestra as a frustrated individualist and Antigone as an oppressed revolutionary Lefkowitz argued that such views were justified neither by the myths themselves nor by the relevant documentary evidence Concentrating on those aspects of women's experience most often misunderstood life apart from men marriage influence in politics self sacrifice and martyrdom and misogyny she presented a far less negative account of the role of Greek women both ordinary and extraordinary as manifested in the central works of Greek literature This updated and expanded edition includes six new chapters on such topics as heroic women in Greek epic seduction and rape in Greek myth and the parts played by women in ancient rites and festivals Revisiting the original chapters as well to incorporate two decades of more recent scholarship Lefkowitz again shows that what Greek men both feared and valued in women was not their sexuality but their intelligence

The Christian Betrayal of the United States Carl Wells, 2010-10-22 The Christian Betrayal of the United States theorizes that 100% of the problems of the United States have their root in the conservative Bible believing Christian church of this country Countless books by liberal Christians or by non Christians have accused the Christian right of being a dangerous segment of our country Following the principles of the Christian right will lead to tyranny so the theory goes The Christian Betrayal of the United States takes a very different tack According to the author the Bible believing Christians have betrayed their country already by their actions in many distinct arenas of life Those who have cursed the Bible believing Christians as being too Christian have got it exactly backward They may curse Christians again when they understand that Christians were not Christian enough The author far from being a liberal Christian or a humanist is a self professed conservative Bible believing Christian He strives to show how his own people have betrayed their nation It is a dark story On the brighter side the author also tries to grope toward a solution of the problems he and his people have caused

The Skeletons in God's Closet Joshua Ryan Butler, 2023-08-22 How can a loving God send people to hell Isn't it arrogant to believe Jesus is the only way to God What is up with holy war in the Old Testament Many of us fear God has some skeletons in the closet Hell judgment and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide These hard questions leave many wondering whether God is really good and can truly be trusted The Skeletons in God's Closet confronts our popular caricatures of these difficult topics with the beauty and power of the real thing Josh Butler reveals that these subjects are consistent with rather than contradictory to the goodness of God He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God's goodness From fresh angles Josh deals powerfully with such difficult passages as The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately The Skeletons in God's Closet uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole It pulls the skeletons out of God's closet to reveal they were never really skeletons at all

What Are God's Goals? Carl Wells,2014-12-17 Does God Have Goals We human beings tend to be pretty self absorbed We have goals and we hope to meet those goals whether they are wise or unwise We seldom stop to consider that perhaps God also has goals If He does they are certain to be wise and He has the power to reach those goals But what are they Does God intend that mankind help Him reach His goals Does our current model of Christianity truly reflect what the Bible teaches Is the model flawed or broken What would a biblical model of Christianity look like Does God torture most people in Hell for eternity Or have we misread Scripture on that topic These are some of the questions wrestled with in *What Are Gods Goals*

The Aesthetics of Violence in the Prophets Julia M. O'Brien,Chris Franke,2010-04-08 This volume explores multiple dimensions of prophetic texts and their violent rhetoric providing a rich and engaging discussion of violent images not only in prophetic texts and in ancient Near Eastern art but also in modern film and receptions of prophetic texts The volume addresses questions that are at once ancient and distressingly modern What do violent images do to us Do they encourage violent behavior and or provide an alternative to actual violence How do depictions of violence define boundaries between and

within communities What readers can and should readers make of the disturbing rhetoric of violent prophets Contributors include Corrine Carvahlo Cynthia Chapman Chris Franke Bob Haak Mary Mills Julia O'Brien Kathleen O'Connor Carolyn Sharp Yvonne Sherwood and Daniel Smith Christopher **The Essential City of God** Gregory W. Lee, 2025-04-01

Augustine is the most influential thinker of Western Christianity and City of God is arguably his greatest work After the sack of Rome in 410 many Romans despaired about the future of the empire Critics of Christianity blamed the devastation on the empire's conversion to the faith City of God is Augustine's monumental response to these challenges developed through analysis of Roman society engagement with classical philosophy and extended commentary on Scripture These sprawling discussions yield Augustine's theology of the two cities according to which all people are divided into two communities according to their ultimate loves whether of God or of self Christians are called to love eternal goods over temporal goods even as they seek the peace of the earthly city The length and complexity of City of God make its argument difficult to follow even for specialists This resource abridges Augustine's work and makes it accessible for a wide readership The selections focus on his social and political thought while indicating the larger shape of his work They are accompanied by explanatory notes essays on critical and complex topics and an outline of the entire text These aids will enable readers to experience Augustine's work for themselves The Essential City of God retrieves ancient wisdom for the modern world offering an enduring vision for faithfulness and hope in times of social instability **On Sexuality and Scripture** Jim

Naughton, Masiiwa Ragies Gunda, 2017-08-01 Of interest to biblical scholars students and those following the international debate on same sex issues Internationally known authors Demonstrate serious students of Scripture can find good news for LGBTQ people and churches that affirm them in the Bible and the life and teachings of Jesus The Chicago Consultation has sponsored consultations in South Africa Kenya and Ghana on Scripture and sexuality With papers Bible studies and personal essays from American African and other international scholars this book offers a new way of approaching sacred texts to discover what the Bible does and does not say about human sexuality The Chicago Consultation has developed a reputation for civil conversation among those on multiple sides of issues related to gender equality Their work in Africa builds on that reputation now reaching international biblical scholars and students The Secrets of the Gods Claudiu Gilian, 2017-03-22

What would it be like to realize one day that everything you believed to be true was nothing but a lie That you lived in an illusion constantly fed by those around you That reality is often diametrically opposed to the chimera that was inoculated to you That to learn the truth you need to forget everything you know What is God Are aliens real Is the material universe just an illusion Why are we here where do we come from and where do we go after death Is Earth a prison Are humans the descendants of the gods of the past Is the Bible just a collection of plagiarized myths Was Christianity invented by Philo of Alexandria Was the Garden of Eden located on the territory of today's Romania Are Lucifer and Adam the same character Is Noah's Ark one of the Giza pyramids Is the Great Pyramid an interdimensional travel device Was the prophet Abraham a

descendant of the Akkadian emperor Sargon the Great Was Moses really Pharaoh Akhenaton Is there an unseen war between the Aryan and Semitic races Did Alexander the Great discover the source of life in Dacia Did Pharaoh Tutankhamun's family practice black magic Does the Asteroid Belt come from the Mariana Trench Are the fallen angels at the top of the Masonic pyramid Is time travel possible Is the Apocalypse an event of the past Was Jesus possessed All these questions and many more can be answered by The Secrets of the Gods a secret history of the world based on the decoding of ancient myths as well as on the results of modern scientific research A unique and controversial interpretation of universal history which brings to the general public the secrets of the gods until now reserved only for the initiated **Surviving God** Grace Ji-Sun Kim, Susan M. Shaw, 2024 The first book to center the voices of sexual abuse survivors while rethinking key Christian beliefs Readers will discover new ways of thinking about God that are surprising challenging inspiring and empowering leading to deep healing for individuals and a transformed church that no longer contributes to the devastation of sexual abuse

Thoughts on God Wendell Grainger, 2019-04-05 When I was born again there was a book that helped me learn about Christianity Decades later this book is written in a similar format with the hope that it will help someone else This account roots in the notion of a Christian The fundamental concepts of God Jesus and sin make the trunk Branching outward this tree of knowledge fills out with perspective on Christian topics I invite all who want an honest discussion and perhaps a different perspective to read this book **Ethereal Revelations - Volume I: Access to Another Dimension** Lizelle

DuPlessis, 2015-12-26 *Ethereal Revelations Volume I* is a moving account of how Lizelle at the end of pregnancy discovered another side to sex a spiritual side By starting to see the heavenly results of sex set off the ability to see a privilege with a cost the entire spiritual realm as contained in forthcoming volumes In *Ethereal Revelations Vol I Access to Another Dimension* the cost is prepaid via a traumatizing infidelity incident with devastating protracted aftermath causing a bizarre soul position that makes susceptibility to peculiar spiritual occurrences possible Undesirable ethereal revelations surface Many poignant discussions on appropriate sexual behavior re social implication secrets as evoked follow contributing to opening more channels Volume I starts this extraordinary journey in giving access to another dimension Patient open minded and enlightened readers in search of a different kind of spirituality the truth about the incorporeal world and supreme spirituality will be overawed **Bedtime with Bitsy** Alexis Record, 2022-06-29 One night during a bedtime read of *The Lion The Witch and The Wardrobe* Bitsy asked Is Aslan evil This innocent question led to many bedtime delaying discussions about life morality and biblical fundamentalism In her book *Bedtime with Bitsy A Critical Read of the Chronicles of Narnia* Alexis Record applies the deconstruction skills she learned in her journey out of faith to C S Lewis Christian allegories for children Follow Alexis and Bitsy as they discuss the magical world of Narnia through the critical eyes of a very curious 9 year old

The Divine Default J. J. Dyken, 2013 JJ Dyken takes commonly asserted religious claims and applies each of them to modern day examples to demonstrate the often fallacious nature of religious belief He uses a mixture of common sense and

scrupulous logic to mount an attack on not only religion itself but also upon the religious pseudoscientists who try to justify their assertions with faulty science

Why God Doesn't Hate You Tia Michelle Pesando, 2014-04 Due to the supposedly losing war that Christianity has fought against the decline of its values for the last one hundred years Christians seem to have entered a sort of siege mode they are afraid that acceptance of liberal ideas about women homosexuals and the transgender community are a part of the increasing moral decadence of our society As a result they have defensively shut their gates against such perceptions leaving many of us out in the cold Is this God's will No Why God Doesn't Hate You is the result of transgender Roman Catholic consecrated maiden Tia Michelle Pesando's extensive theological research and it brings to light several startling truths No longer should we feel the need to choose between science and faith or between religion and our own understanding of what is right and wrong The knowledge contained herein both reassures and provides an excellent defense for those minorities previously persecuted by Christians as Tia Michelle knows from her own experience coming out after thirty years in the guise of a man Recently she walked into a Roman Catholic church just before mass dressed as a woman wearing the veil of the consecrated maiden and approached the priest with the statement I have assembled a rock solid argument in favour of homosexuality The positive response she received alone shows that there is hope

Wondra, 1994 This book explores the development of Christology by major white North American feminist theologians placing the Christologies of Rosemary Radford Ruether Carter Heyward Patricia Wilson Kastner and Marjorie Suchocki within the context of their overall theologies Wondra further examines the meaning and importance of women's experience in feminist theology This work is self consciously located at the juncture of contemporary theology and contemporary feminist theory and uses a conversational method to examine proposals in Christology that are aspects of more comprehensive systematic feminist constructive theologies
