**Rapture Regained** Serena Alexander, 1981      **The End** Mark Hitchcock, 2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ      **The Permeable Self** Barbara Newman, 2021-09-17 How Barbara Newman asks did the myth of the separable heart take such a firm hold in the Middle Ages from lovers exchanging hearts with one another to mystics exchanging hearts with Jesus What special traits gave both saints and demoniacs their ability to read minds Why were mothers who died in childbirth buried in unconsecrated ground Each of these phenomena as diverse as they are offers evidence for a distinctive medieval idea of the person in sharp contrast to that of the modern subject of individual Starting from the premise that the medieval self was more permeable than its modern counterpart Newman explores the ways in which the self's porous boundaries admitted openness to penetration by divine and demonic spirits and even by other human beings She takes up the idea of coinherence a state familiarly expressed in the amorous and devotional formula I in you and you in me to consider the theory and practice of exchanging the self with others in five relational contexts of increasing intimacy Moving from the outside in her chapters deal with charismatic teachers and their students mind reading saints and their penitents lovers trading hearts pregnant mothers who metaphorically and literally carry their children within and women and men in the throes of demonic obsession In a provocative conclusion she sketches some of the far reaching consequences of this type of personhood by drawing on comparative work in cultural history literary criticism anthropology psychology and ethics The Permeable Self offers medievalists new insight into the appeal and dangers of the erotics of pedagogy the remarkable influence of courtly romance conventions on hagiography and mysticism and the unexpected ways that pregnancy often devalued in mothers could be positively ascribed to men virgins and God The half forgotten but vital idea of coinherence is of relevance far beyond medieval studies however as Newman shows how it reverberates in such puzzling phenomena as telepathy the experience of heart transplant recipients who develop relationships with their deceased donors the phenomenon of psychoanalytic transference even the continuities between ideas of demonic possession and contemporary understandings of obsessive compulsive disorder In The Permeable Self Barbara Newman once again confirms

series     *A Distinctive People* Brian Talbot, 2015-02-01 In the twenty first century there are an increasing number of books in different fields that are evaluating critically aspects of life in the previous century The Religious History of British people in this period is a significant part of that story A Distinctive People will evaluate aspects of the history of one of the Christian denominations in Scotland looking at major themes such as Baptist attitudes to war and pacifism the influence of the charismatic movement and their involvement in social action their contribution to ecumenical relations in Scotland and relationships with fellow Baptists in other countries together with the theological influences on Baptists and a chapter on home mission

Walvoord, 1976 Eschatology is a crucial theological issue in our day The rapture question has particular importance in premillennial eschatology This volume confronts that question Does the rapture of the church precede or follow the Great Tribulation In this book Dr John F Walvoord examines the post tribulationist viewpoint and calls into question its exegetical grounds and hermeneutical validity The author examines four schools of thought within posttribulationism and challenges point by point the arguments of their leading exponents This scholarly apologia of the events relating to the second coming of Christ reaffirms the author's conviction that pretribulationism provides the best interpretation of the biblical evidence and demonstrates the most reliable understanding of the Christian's assurance of the blessed hope     **Expecting the End** Kenneth G. C. Newport, Crawford Gribben, 2006 Jesus promise that the end draws near has spawned an expectation of that grand event across various religious groups This volume examines the abiding social issues that surround the continued presence of apocalyptic anticipation by setting them in historical present day and future manifestations Approaching this fervent expectation from a broad perspective Gribben and Newport explore the contemporary movements with insightful analysis that provokes discussion and even self reflection     Reckless Longing Daisy Logan, 1982     *The Wind's Embrace* Melinda Harris, 1983     *Intriguing Lady* Daphne Woodward, 1982     **The Scofield Bible** R.
