## **Rapture Truth Or Consequences:**

**The Rapture** Hal Lindsey,1983-07-01 Before Armageddon before the Second Coming there will be the Rapture As the world s attention turns to a battle beginning in Israel prophecies foretell that living men and women will suddenly vanish as the Bible says into the clouds to meet the Lord in the air What is the impact of this extraordinary promise upon Christians in America Jews in Israel and people everywhere Why has anti Semitism plagued the Jewish people throughout history and why is it such a critical issue for Christians today Vortex Harold Reynolds,2019-05-14 Through the main character of Itso the author of Vortex Death Is Swallowed Up in Victory Harold G Reynolds does indeed ask a most compelling question Will it indeed take a nuclear World War III and its aftermath to allow for the construction of a third Jewish temple and the thousand year millennium to begin **The End** Mark Hitchcock,2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn t been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock s book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn s Heaven did for people s understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn t need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ **The Truth Behind Left Behind** Mark Hitchcock,Thomas Ice,2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind s biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event Story Behind the Book With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the series The End Of Earth Philip N. Moore,2024-11-01 In this eye opening exploration discover how Moses ancient prophecies on Israel the coming of Jesus and the End Times have striking connections to modern day events Delve into how these timeless predictions align with the unexpected rise of Donald Trump Nostradamus cryptic visions and the eerie legacy

of the Kennedy curse With meticulous research this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved Prepare to be astonished as you uncover the undeniable threads that tie together history s greatest mysteries with prophetic foresight Is it coincidence or is there a higher plan at work     **A Brief History of End Time** Paula Clifford,2016-11-15 With subjects ranging from William Blacke to Nostradamus this book considers all things apocalyptic and asks the question of why the end of time has captured the human imagination in so many ways     **The End of the World as We Know it** Daniel Wojcik,1999-05 Wojcik English folklore U of Oregon sheds new light on America s fascination with worldly destruction and transformation exploring the origins of contemporary apocalyptic beliefs and comparing religious and secular apocalyptic speculation He examines vision of the Virgin Mary the transformation of apocalyptic prophecy in the post Cold War era and apocalyptic ideas associated with UFOs and extraterrestrials Includes bandw illustrations and photos Educational and creepy for general readers Annotation copyrighted by Book News Inc Portland OR     **The Road to Holocaust** Hal Lindsey,1990-05-01 Here is the bestselling author of The Late Great Planet Earth s most shocking revelation ever the disquieting facts about a new spiritual movement that would take over our churches and government and lead us to disaster Just as current events are converging into the precise pattern the biblical prophets predicted would herald the return of Jesus Christ a new movement has arisen within the Evangelical Church that denies it all allegorizing away the clear meaning of prophecy This movement commonly known as Dominion Theology reintroduces an old error that brought catastrophe to the Church and the Dark Ages to the world the same error that founded a legacy of contempt for the Jews and ultimately led to the Holocaust in Nazi Germany In clear compelling language Hal Lindsey sounds a vital warning about Dominion Theology and explains why he believes it poses such a great danger not only to Israel but to every Christian as well     **The Left Behind Fantasy** William Powell Tuck,2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense     **After Lives** John Casey,John Peter Anthony Casey,2013-03-07 A fascinating exploration of ideas of life after death ranging from ancient times to the present and from religion and philosophy to literature and science     **Renewal Theology** J. Rodman Williams,2011-05-03 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition Previously published as three separate

*The Oxford Handbook of Eschatology* Jerry L. Walls Professor of Philosophy of Religion Asbury Theological Seminary, 2007-10-31 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise In addition to its popular resurgence in recent years some of the world's most important theologians have returned eschatology to its former position of prominence The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence

*First the Antichrist* Bob Gundry, 1996-06-01 History established the pattern through world floods Egyptian plagues tribulations of all kinds God leads his people through life's disasters not around them First the Antichrist rejects the pretribulation rapture scenario that God will open an escape route so Christians will be spared persecution Rather in a complex chain of events Christ will gather the church out of the world

only after seven years of intense suffering when Christ returns to rule In this close study of church history and debated Bible texts Bob Gundry shows that the pretribulation rapture is a recent innovation It is wishful thinking that came to grab the pre millennial spotlight But serious scholars are backing away It just doesn't accord with what the Bible says In First the Antichrist Gundry lays out a more biblical and accurate picture First the Antichrist is a much needed contribution to apocryphal and pre millennial prophecy studies Midwest Book Review

**Apostasia** DANNY MCDOWELL, 2011-03-22 Laodicea Revelation 3 17 17 You say I am rich I have acquired wealth and do not need a thing But you do not realize that you are wretched pitiful poor blind and naked Of the Churches of Asia Laodicea stands alone She is absolutely unique She bears no suffering or persecution There is no hunger or tribulation Yet she is the most disgusting Church of the Ages It is the ONLY Church of the ages to which the Lord has absolutely NOTHING good to say What a repulsive thought She is the product of her mother Babylon who proudly stands among the nations and declares I am a queen and have need of nothing Rev 18 She boasts her wealth as a

sign of God's approval She stoops to giving her miserly contributions to her sibling Churches in poor nations and slaps herself on the back for her bland effort While her brothers and sisters dig for roots to eat in equatorial Africa she entertains her lofty attendees She is GRAND indeed She is the expression of Babylon the Great the Mother of Harlots She is the Church of America Yet in God's eyes she is the poorest of all She is destitute in values She is corrupted by her own wealth and beauty Her days are spent looking in the mirror and seeing only her own loveliness She is institutionally incestuous She is narcissistic blind and deaf Her dainty odours veil the rotting of her flesh At the same time she is INSANE Her doctrines are corrupted with deceit Her master is that same Crowning Cherub who served as Heaven's Minister of Music Only the strong medication of DESTRUCTION and POVERTY can return her to a right mind      **Captain America and the Crusade Against Evil** Robert Jewett, John Shelton Lawrence, 2004-06-14 Grasping this vision honored by Judaism Christianity and Islam alike includes recognizing the dangers of zealous violence the illusions of current crusading and the promise of peaceful coexistence under international law
