Benjamin Z. Kedar

Rare And Excellent History Of Saladin 02 Edition:

The Rare and Excellent History of Saladin or al-Nawadir al-Sultaniyya wa'l-Mahasin al-Yusufiyya by Baha' al-Din Ibn Shaddad D.S. Richards, 2020-04-28 Saladin is perhaps the one and only Muslim ruler who emerges with any clarity in standard tales and histories of the Crusades this is a translation of Baha al Din Ibn Shaddad's account of his life and career Ibn Shaddad 1144-1234 was clearly a great admirer of Saladin and was a close associate of his serving as his qadi al askar judge of the army from 1188 until Saladin's death in 1193 His position and his access to information make this an authoritative and essential source for Saladin's career while his personal relationship with the sultan adds a sympathetic and moving element to the account of his final years Aside from its inherent value as a source for the history of Egypt and the Middle East it therefore provides a much needed complement and corrective to the widely known Latin accounts of the Crusades and the Latin Kingdom of Jerusalem in the 12th century The present translation is based on a fuller edition of the text than that used in the previous 19th century translation and takes into account the translator's readings of the earliest manuscript of the work dated July 1228

Prostitution in the Eastern Mediterranean World Gary Leiser, 2016-12-21 This groundbreaking book challenges many stereotypical views about the historical practice of prostitution Based on twenty years research and organized by region it charts the history of sex for sale in those chief centres of the late antique and medieval East whether in Arabia Egypt Syria or Anatolia Ranging extensively from 300 CE to 1500 or from the reign of Theodosius to the early Ottoman period Gary Leiser meticulously examines the available sources and argues for a reappraisal of the so called oldest profession He suggests that it was never prohibited that there was remarkable continuity between Christian and Muslim rule and that prostitution was institutionalized as a service industry at various times Indicating that sex work in the East had its own distinctive character and meanings for example that it was taxed from the time of Caligula onwards and that prostitutes were expected to retain tax receipts the book brings continually fresh insights to a controversial subject

Muslims and Crusaders Niall Christie, 2014-06-27 *Muslims and Crusaders* supplements and counterbalances the numerous books that tell the story of the crusading period from the European point of view enabling readers to achieve a broader and more complete perspective on the period It presents the Crusades from the perspective of those against whom they were waged the Muslim peoples of the Levant The book introduces the reader to the most significant issues that affected their responses to the European crusaders and their descendants who would go on to live in the Latin Christian states that were created in the region This book combines chronological narrative discussion of important areas of scholarly enquiry and evidence from primary sources to give a well rounded survey of the period It considers not only the military meetings between Muslims and the Crusaders but also the personal political diplomatic and trade interactions that took place between Muslims and Franks away from the battlefield Through the use of a wide range of translated primary source documents including chronicles dynastic histories religious and legal texts and poetry the people of the time are able to

speak to us in their own voices *Byzantium and the Crusades* Jonathan Harris, 2014-09-25 This new edition of *Byzantium and the Crusades* provides a fully revised and updated version of Jonathan Harris's landmark text in the field of Byzantine and crusader history. The book offers a chronological exploration of Byzantium and the outlook of its rulers during the time of the Crusades. It argues that one of the main keys to Byzantine interaction with Western Europe, the Crusades and the crusader states can be found in the nature of the Byzantine Empire and the ideology which underpinned it rather than in any generalised hostility between the peoples. Taking recent scholarship into account, this new edition includes an updated notes section and bibliography as well as significant additions to the text. New material on the role of religious differences after 1100. A detailed discussion of economic, social and religious changes that took place in 12th century Byzantine relations with the west. In depth coverage of Byzantium and the Crusades during the 13th century. New maps, illustrations, genealogical tables and a timeline of key dates. *Byzantium and the Crusades* is an important contribution to the historiography by a major scholar in the field that should be read by anyone interested in Byzantine and crusader history. *Medieval Warfare* Helen J. Nicholson, 2017-03-14 Warfare in medieval times was never static or predictable although there were ideals and conventions to follow in the field, commanders had to use their initiative and adapt to the needs of the moment. In this concise wide-ranging study, Helen Nicholson provides the essential introductory guide to a fascinating subject. *Medieval Warfare* surveys and summarises current debates and modern research into warfare throughout the whole of the medieval period across Europe. Sets medieval warfare theory and practice firmly into context as a continuation and adaptation of practice under the Roman Empire, tracing its change and development across more than a millennium. Considers military personnel, buildings and equipment as well as the practice of warfare by land and sea. *The Rum Seljuqs* Songül Mecit, 2013-12-04 Charting the expansion of the Rum Seljuqs from rulers of a small principality to a fully fledged sultanate ruling over almost the whole of Anatolia, this book demonstrates how ideology rather than military success was crucial in this development. The Rum Seljuqs examines four distinct phases of development beginning with the rule of Sulaymān 473-478, 1081-1086 and ending with the rule of Kay Khusrav II 634-644, 1237-1246. Firstly, Songül Mecit examines the Great Seljuq ideology as a precursor to the ideology of the Rum Seljuqs. Continuing to explore the foundation of the Seljuq principality in Nicaea, the book then examines the third phase and the period of decline for the Great Seljuqs. Finally, the book turns to the apogee of the Rum Seljuq state and questions whether these sultans can at this stage be considered truly Perso-Islamic rulers. Employing the few available Rum Seljuq primary sources in Arabic and Persian and drawing on the evidence of coins and monumental inscriptions, this book will be of use to scholars and students of History and Middle East Studies. **The Crusader World** Adrian Boas, 2015-10-14 *The Crusader World* is a multidisciplinary survey of the current state of research in the field of crusader studies, an area of study which has become increasingly popular in recent years. In this volume, Adrian Boas draws together an impressive range of academics including work from renowned scholars as well as a number of thought-provoking pieces from

emerging researchers in order to provide broad coverage of the major aspects of the period This authoritative work will play an important role in the future direction of crusading studies This volume enriches present knowledge of the crusades addressing such wide ranging subjects as intelligence and espionage gender issues religious celebrations in crusader Jerusalem political struggles in crusader Antioch the archaeological study of battle sites and fortifications diseases suffered by the crusaders crusading in northern Europe and Spain and the impact of Crusader art The relationship between Crusaders and Muslims two distinct and in many way opposing cultures is also examined in depth including a discussion of how the Franks perceived their enemies Arranged into eight thematic sections The Crusader World considers many central issues as well as a large number of less familiar topics of the crusades crusader society history and culture With over 100 photographs line drawings and maps this impressive collection of essays is a key resource for students and scholars alike

The Two Cities Malcolm Barber, 2004-08-02 First published to wide critical acclaim in 1992 The Two Cities has become an essential text for students of medieval history For the second edition the author has thoroughly revised each chapter bringing the material up to date and taking the historiography of the past decade into account The Two Cities covers a colourful period from the schism between the eastern and western churches to the death of Dante It encompasses key topics such as the Crusades the expansionist force of the Normans major developments in the way kings emperors and Popes exercised their powers a great flourishing of art and architecture the foundation of the very first universities Running through it all is the defining characteristic of the high Middle Ages the delicate relationship between the spiritual and secular worlds the two cities of the title This survey provides all the facts and background information that students need and is defined into straightforward thematic chapters It makes extensive use of primary sources and makes new trends in research accessible to students Its fresh approach gives students the most rounded lively and integrated view of the high Middle Ages available

Myth and Reality: Studies on the Templars and Hospitallers, Medieval Narratives, and the Trial of the Templars Helen J. Nicholson, 2025-10-28 Spanning thirty five years of scholarly research the articles in this collection represent key research findings from Helen J Nicholson s studies of the military religious orders and the crusades Ranging across subjects as diverse as the Templars religious practices Arthurian romance inspired by the events of the Third Crusade medieval European Christians views of Muslims and a heresy investigation in Ireland these articles reflect Nicholson s research into the Templars and Hospitallers as religious institutions medieval European fictional literature as an historical source and the trial of the Templars Aimed at university students scholars and enthusiasts on the military orders this volume makes this research available again to a new generation of readers

Rethinking Norman Italy Joanna H. Drell, Paul Oldfield, 2021-06-15 This volume on Norman Italy southern Italy and Sicily c 1000 1200 honours and reflects the pioneering scholarship of Graham A Loud An international group of scholars reassesses and recasts the paradigm by which Norman Italy has been conventionally understood addressing varied subjects across four key themes historiographies identities and

communities religion and Church and conquest The chapters revise and refine our understanding of Norman Italy in the eleventh and twelfth centuries demonstrating that it was not just a parochial Norman or Mediterranean entity but also an integral player in the medieval mainstream

Saint George Between Empires Heather A. Badamo, 2023-08-25 This volume examines Saint George's intertwined traditions in the competing states of the eastern Mediterranean and Transcaucasia demonstrating how rival conceptions of this well known saint became central to Crusader Eastern Christian and Islamic medieval visual cultures Saint George Between Empires links the visual cultures of Byzantium North Africa the Levant Syria and the Caucasus during the Crusader era to redraw our picture of interfaith relations and artistic networks Heather Badamo recovers and recontextualizes a vast body of images and literature from etiquette manuals and romances to miracle accounts and chronicles to describe the history of Saint George during a period of religious and political fragmentation between his rise to cross cultural prominence in the eleventh century and his globalization in the fifteenth In Badamo's analysis George emerges as an exemplar of cross cultural encounter and global translation Featuring important new research on monuments and artworks that are no longer available to scholars as a result of the occupation of Syria and parts of Iraq Saint George Between Empires will be welcomed by scholars of Byzantine medieval Islamic and Eastern Christian art and cultural studies

The Crusade of Frederick Barbarossa G.A. Loud, 2016-03-16 This is the first English translation of the main contemporary accounts of the Crusade and death of the German Frederick I Barbarossa ruled 1152-90 The most important of these the History of the Expedition of the Emperor Frederick was written soon after the events described and is a crucial and under used source for the Third Crusade at least in the Anglophone world The account begins with two letters describing the disaster of Hattin and Saladin's subsequent conquest of most of the Holy Land the second of these is addressed to the duke of Austria It goes on to describe how the emperor took the Cross the preparations and recruitment for the Crusade the diplomatic contacts of Barbarossa with the Byzantine Emperor and the Sultan of Iconium in an attempt to secure a peaceful passage for the expedition and the Crusade itself the journey through the Balkans and the gruelling march through Asia Minor beset by Turkish attack until its arrival at Antioch on 21st July 1190 eleven days after the emperor had drowned while crossing a river in Cilician Armenia The History gives a vivid account of the sufferings of the German army as it traversed Asia Minor The account of the expedition itself appears to be or to be based upon an eyewitness record cast in the form of often a daily memoir However it concludes with an account of the captivity and release of Richard I in Germany Henry VI's conquest of the kingdom of Sicily and of the preparations for a new Crusade under his leadership In addition a number of further accounts related to and expanding the History of the Expedition have also been translated including a contemporary newsletter about the death of the emperor as well as the narrative of Otto of St Blasien placing the Crusade into context twenty years later and a contemporary account of the capture of Silves in Portugal by German crusaders on their way to the Holy Land in 1189 This collection is a valuable companion volume to the three other volumes

relating to the Third Crusade in this series The Conquest of Jerusalem and the Third Crusade trans Edbury the Itinerarium Peregrinorum et Gesta Regis Ricardi trans Nicholson and The Rare and Excellent History of Saladin trans Richards

Constructing kingship James Naus,2016-07-01 Crusading kings such as Louis IX of France and Richard I of England exert a unique hold on our historical imagination For this reason it can be easy to forget that European rulers were not always eager participants in holy war The First Crusade was launched in 1095 and yet the first monarch did not join the movement until 1146 when the French king Louis VII took the cross to lead the Second Crusade One contemporary went so far as to compare the crusades to Creation and man's redemption on the cross so what impact did fifty years of non participation have on the image and practice of European kingship and the parameters of cultural development This book considers this question by examining the challenge to political authority that confronted the French kings and their family members as a direct result of their failure to join the early crusades and their less than impressive involvement in later ones **A Short**

History of the Middle Ages Barbara H. Rosenwein,2009-01-01 Elegantly written and beautifully produced this book is a treat for teachers and students alike Rosenwein is a masterful storyteller her book will inspire and delight Fiona Griffiths New York University **The Templars** Jochen Burgdorf,Shlomo Lotan,Enric Mallorquí-Ruscalleda,2021-04-14 As the oldest of the military religious orders and the one with an unexpected and dramatic downfall the knighthood of the Templars continues to fascinate academics and students as well as the public at large A collection of fifteen chapters accompanied by a historical introduction The Templars The Rise Fall and Legacy of a Military Religious Order recounts and analyzes this community's rise and establishment in both the crusader states of the eastern Mediterranean and the countries of western Europe during the twelfth and thirteenth centuries reflects on the proceedings launched against it and its subsequent fall 1307 1314 and explores its medieval and post medieval legacy including an assessment of current research pertaining to the Templars and suggestions for future explorations Showcasing a wide range of methodological approaches and primary source materials this volume unites historical art historical theological archaeological and historiographical perspectives and it features the work and voices of scholars from various academic generations who reside in eight different countries Israel France Italy Spain the United Kingdom Germany Poland and the United States of America **Women and the Crusades**

Helen J. Nicholson,2023 Helen Nicholson surveys women's involvement in medieval crusading from the 11th century to the 16th arguing that medieval women were deeply involved in the crusades but that the roles that they could play and how their contemporaries recorded their deeds were dictated by social convention and cultural expectations **Interludes of Peace in the Medieval Latin East** Yvonne Friedman,2025-09-08 Interludes of Peace in the Medieval Latin East undertakes a multifaceted examination of peacemaking processes as they unfolded in the medieval Latin East Perhaps less heroic than war these peacemaking endeavors make a significant contribution to our understanding of life in the medieval Middle East during the Crusades This book considers how ceasefires truces and peace treaties were achieved through a process of mutual

acculturation between Crusaders and local Muslim societies and the mechanisms employed to overcome both cultural and religious divides Notwithstanding these warring societies differing concepts of lasting peace this did not prevent them from engaging in treaty making during the two century long conflict in the Latin East The story told here is of the quest for small realistic peace however fragile and temporary In the process a shared language of gestures body language and gift giving was created that enabled and enhanced trust and coexistence However global political changes economic developments and new trade routes ultimately ended European rule in the medieval Middle East

The Fourth Crusade and the Sack of Constantinople Jonathan Phillips, 2005-03-29 In 1202 zealous Western Christians gathered in Venice determined to liberate Jerusalem from the grip of Islam But the crusaders never made it to the Holy Land Steered forward by the shrewd Venetian doge they descended instead on Constantinople wreaking terrible devastation The crusaders spared no one They raped and massacred thousands plundered churches and torched the lavish city By 1204 one of the great civilizations of history had been shattered Here on the eight hundredth anniversary of the sack is the extraordinary story of this epic catastrophe told for the first time outside of academia by Jonathan Phillips a leading expert on the crusades Knights and commoners monastic chroniclers courtly troubadours survivors of the carnage and even Pope Innocent III left vivid accounts detailing the events of those two fateful years Using their remarkable letters chronicles and speeches Phillips traces the way in which any region steeped in religious fanaticism in this case Christian Europe might succumb to holy war

Crusaders and Franks Benjamin Z. Kedar, 2022-03-30 While research on the crusades tends increasingly to bifurcate into study of the crusade idea and the crusading expeditions and study of the Frankish states the crusaders established in the Levant Benjamin Kedar confirms through the articles reproduced in this latest selection of his articles his adherence to the school that endeavours to deal with both branches of research Of the ten studies that deal with the crusading expeditions one examines the maps that might have been available to the First Crusaders and their Muslim opponents another discusses in detail the Jerusalem massacre of July 1099 and its place in Western historiography down to our days a third sheds light on the largely neglected doings of the Fourth Crusaders who decided to sail to Acre rather than to Constantinople while a fourth exposes unknown features of the well known sculpture of the returning crusader most probably Count Hugh I of Vaudmont who is embracing his wife Of the ten studies that deal with the Frankish Levant one proposes a hypothesis on the composition stages of William of Tyre's chronicle another provides new evidence on the Latin hermits who chose to live in the Frankish states a third examines the catalogue of the library of the cathedral of Nazareth while a fourth calls attention to convergences of Eastern Christians Muslims and Franks in sacred spaces and offers a typology of such events and a fifth proposes a methodology for the identification of trans cultural borrowing in the Frankish Levant

Crusades Benjamin Z. Kedar, Jonathan Phillips, Jonathan Riley-Smith, Nikolaos G. Chrissis, 2017-02-17 Crusades covers seven hundred years from the First Crusade 1095-1102 to the fall of Malta 1798 and draws together scholars working on theatres of war their home fronts and

settlements from the Baltic to Africa and from Spain to the Near East and on theology law literature art numismatics and economic social political and military history Routledge publishes this journal for The Society for the Study of the Crusades and the Latin East Particular attention is given to the publication of historical sources in all relevant languages narrative homiletic and documentary in trustworthy editions but studies and interpretative essays are welcomed too Crusades also incorporates the Society's Bulletin

Rare And Excellent History Of Saladin 02 Edition Introduction

In today's digital age, the availability of Rare And Excellent History Of Saladin 02 Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rare And Excellent History Of Saladin 02 Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rare And Excellent History Of Saladin 02 Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rare And Excellent History Of Saladin 02 Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rare And Excellent History Of Saladin 02 Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rare And Excellent History Of Saladin 02 Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project

Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rare And Excellent History Of Saladin 02 Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rare And Excellent History Of Saladin 02 Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rare And Excellent History Of Saladin 02 Edition books and manuals for download and embark on your journey of knowledge?

FAQs About Rare And Excellent History Of Saladin 02 Edition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
