David K. Shipler

Russia Broken Idols Solemn Dreams:

Russia, broken idols, solemn dreams David K. Shipler, 1980 **Russia : broken idols, solemn dreams, revised and updated edition** David K. Shipler, 1989 Russia David K. Shipler, 2016-02-17 A classic portrait of life in Soviet Russia by Pulitzer Prize winning journalist David Shipler During the Cold War David Shipler spent four years in Moscow as a New York Times correspondent and bureau chief Out of that experience came Russia a book that probed beneath the usual surface observations stereotypes and official rhetoric to present a subtle multi layered depiction of the tenor of the country behind the Soviet facade In 1989 Shipler returned to write an updated edition retaining his focus on the durable features of Russian life and spirit while taking into account the changes wrought by Gorbachev and glasnost at the end of the Cold War The result is a memorable incisive and eminently human portrait of the Russian people that remains as vital as ever amid increased tensions between Russia and the United States Russia David Karr Shipler, 1984 **Russia** George St. George, 1973 Americans Experience Russia Choi Chatterjee, Beth Holmgren, 2013 Americans Experience Russia analyzes how American scholars journalists and artists envisioned experienced and interpreted Russia the Soviet Union over the last century While many histories of diplomatic economic and intellectual connections between the United States and the Soviet Union can be found none has yet examined how Americans encounters with Russian Soviet society shaped their representations of a Russian Soviet other and its relationship with an American west The essays in this volume critically engage with postcolonial theories which posit that a self valorizing unmediated west dictated the colonial encounter repressing native voices that must be recovered Unlike western imperialists and their colonial subjects Americans and Russians long co existed in a tense parity regarding each other as other than European equals sometime cultural role models temporary allies and political antagonists In examining the fiction film journalism treatises and histories Americans produced out of their Russian experience the contributors to this volume closely analyze these texts locate them in their sociopolitical context and gauge how their producers profession politics gender class and interaction with native Russian interpreters conditioned their authored responses to Russian Soviet reality The volume also explores the blurred boundaries between national identities and representations of self other after the Soviet Union's fall **Soviet Science on the Edge of Reform** Harley D. Balzer, 2019-06-04 It is my sincere hope that the reforms currently being introduced in the USSR will render much of this book obsolete Yet even if perestroika brings significant change to the Soviet Union historians will want a record of what existed before After four years it has become apparent that perestroika is a painful long term process In such a large and diverse country even the reforms that are successful cannot take place everywhere at once One major goal in publishing this book is to make data from a major interview project on Soviet science and technology available to a broader audience Despite the changes taking place many of the features illuminated by these unique data persist *Enemies and How to Love Them* Gerard Vanderhaar, 2013-09-01 This compassionate book describes the making of enemies in our personal social and

national lives It goes on to outline a nonviolent approach to resolving enmity wherever it arises It taps the rich resources of Jesus two thousand year old formula Love your enemies with the help of our contemporary understanding of Gandhian active nonviolence The author offers a life changing habit breaking approach of understanding focusing and negotiating as a positive alternative to the usual flight or fight response to enemies The book sketches an informative portrait of the Soviet Union that includes insights into its communist ideology its political structures and the practice of religion in the country The book stresses that the USSR is a nation of real people who are interesting sometimes colorful yet always struggling

The Green Real Deal Bill Herrington, 2023-07-18 In *The Green Real Deal* Bill Herrington presents a compelling case for a balanced approach to America's energy future Drawing from his unique perspective as both a former pipeline worker and a seasoned financial executive with decades of experience in the energy sector Herrington examines how environmental activism foreign influence and political idealism are threatening America's energy security From the historic role of pipelines in World War II to the complex realities of modern renewable energy Herrington peels back layers of misinformation to reveal uncomfortable truths about energy politics He exposes how Russian interference has influenced American environmental debates challenges the practicality of a rapid transition to 100% renewable energy and argues that fossil fuels remain critical to both economic stability and national security With meticulous research and firsthand knowledge Herrington doesn't simply criticize the status quo he offers a pragmatic five point plan for America's energy future that acknowledges climate concerns while prioritizing economic prosperity and national security His *Green Real Deal* proposes a sensible middle path that includes responsible fossil fuel use forest protection targeted renewable expansion improved coal technology and advanced nuclear development This timely book will challenge assumptions across the political spectrum providing essential context for anyone concerned about America's energy independence and environmental future If you enjoyed *The New Map* by Daniel Yergin *Apocalypse Never* by Michael Shellenberger and *Inconvenient Facts* by Gregory Wrightstone you'll love *The Green Real Deal*

The Soviet Union Today James Cracraft, 2014-12-10 This newly revised and expanded second edition of *The Soviet Union Today* provides a comprehensive introduction to contemporary Soviet reality Written by thirty experts the book is divided into eight general sections history politics the armed forces the physical context the economy science and technology culture and society The individual chapters which are intended to respond to the questions most frequently asked about the Soviet Union are devoted to everything from the Lenin cult to the KGB from Soviet architecture to Soviet education from the status of women and ethnic minorities to the question of religion All of the chapters from the first edition have been updated and five new chapters on the Soviet cinema mass media foreign trade arms control and the legal system have been added An annotated list of further reading suggestions and a special Note for Travelers enhance this volume's usefulness Students teachers journalists prospective tourists and anyone interested in Soviet life will find this new edition of *The Soviet Union Today* an essential and stimulating guide to understanding the world's largest

country
