Daily Guidance from God Trevor A. Winchell,2018-09-11 And you shall know the truth and the truth shall make you free John 8 32 NKJV All the devotional writings that are written in this book were given to me from God to write for every person who needs to read them I truly believe with all my heart that every single word that God gave me to write was given to me to help inspire direct guide lead and strengthen people who are facing difficult situations and to serve a specific purpose in their life In my devotional writings I might say things that a lot of people don t agree with or I might say a lot of things that people don t like But the fact of the matter is that every single word I write is given to me by God not because people want to hear it but because people need to hear it The truth of God s Word is undeniable in every way and only the truth of God s Word will set you free in the end So those who want everything sugarcoated to their satisfaction and according to their standards will keep them in denying the truth As most of you know I don t sugarcoat anything and I don t tell people what they want to hear I tell people what they need to hear based on the words God has given me Is it easy to tell people what they don t want to hear Of course not but when God commands me to write the words he gives me I must obey him regardless if people are going to like it or not The truth and only the truth of God s words will set you free in the end The devotionals that I write are 70 percent scripture context 30 percent practical context and 100 percent inspired by God They are easy to relate to because a lot

people are often dealing with tough circumstances or going through difficult situations It s often difficult to interpret and understand the actual meaning of a particular Bible verse Each devotional that I write includes a Bible verse and a prayer The Bible verse directly correlates with the devotional so that people can relate to the Bible verse and understand it The prayer also directly relates to the devotional so that people can say the prayer and ask God for help I believe that Daily Guidance from God is a great tool that will help people better understand real life issues they are facing and how God can help them The devotional will help guide people in a positive and biblical way to seek God The purpose of Daily Guidance from God is to allow his guidance and direction to help people through their difficult circumstances and situations and to lead them down the correct path When you allow God to be the center of your life amazing things will happen that you will not even be able to imagine Everyone has good days and bad days but if you look to God for guidance in every situation you face he will help you and guide you to make the right choices and decisions I invite you to use this devotional to start your day with the positive words from God I promise that when you read this devotional when you wake up every day of your life will be brighter and your attitude will be more positive My writings each day include three parts a Bible verse a devotional and a prayer Bind them on your fingers Write them on the tablet of your heart Proverbs 7 3 NKJV **The Great Journey** Bonnie M. Gulan,2002-04-19 Think In Mark 12 24 Jesus said Are you not therefore deceived not being acquainted with the Scriptures nor yet the Power of God Be knowing the Scriptures are the Word the complete expression of God s Thought and contain the Power of God s Thought The Bible on the other hand is but the letter men s letters men s interpretations of the Scriptures and contain not the Power of God s Word but contain only the force of men s reasoning men s intellect One could say that the Bible is but the survey for the Scripture Digs The Great Journey in Pursuit of Jesus Way Truth Life is my personal daily journal during the years of 1998 and 1999 Everything I write is hand written so great care was taken in transcribing my written journal into this format By great care I mean transcribing word for word along with their misspellings and errors so that it would allow you the reader to travel with me every day In this journal I share what I took notice of and took notes on during my journey Some things I perceived during this journey gave me new questions to question as well as answers to questions that I have repeatedly asked myself over many years Travel with me through my 1998 1999 journal as we embark on this Great Journey in pursuit of Jesus Way Truth and Life **Building Faith in a Christian S Life to Please God** Elder William Holmes,2017-01-09 In this book Elder William D Holmes talks about the importance of having faith in God It is necessary to live a life to please God in true holiness and righteousness He uses real life testimonies and experiences of sanctified Holy Ghost filled believers he grew up with in the HolinessPentecostal Church It is through these powerful real life testimonies and his own life experiences that cause him to speak with boldness that Jesus truly is a healer miracle worker and savior He also uses Bible accounts of the miracle working power of God through our lord and savior Jesus Christ He explains about the different tactics of Satan and how he will try to hinder a person from getting their deliverance from God

how we can defeat Satan and get our blessing why it takes so long for God to answer prayers the difference between healing being made whole and what divine healing is and how God can work with medical profession to bring about healing He talks about the different levels of the Spirit a believer can climb in God This book gives a clear statement that without holiness no person shall see the Lord Jesus came into the world not only to forgive us of our sins but to take sin out of us Jesus also comes to deliver us from all sickness and disease Through the stripes of Jesus we can be healed Take the limit off of God This is a very powerful book to increase the faith of a believer to trust God through his only begotten son Jesus Christ to meet your every need *Mind Traps and Breaking Free Through God's Love* Judith Shannon,2017-09-07 Mind Traps and Breaking Free Through God s Love explains how our own thinking brings us into offense rejection and depression It is not caused by circumstances or people as some would suggest Mind traps operate opposite of the characteristics of love that God has placed in our hearts This book teaches how to recognize and circumvent wrong thinking and stop the progression into depression It is possible to overcome this destructive pattern that makes our lives a painful roller coaster existence God promises in His Word that we can be more than conquerors Romans 8 37 We can live free from a tormenting thought life and enjoy God s rest in our souls Learn how to be victorious in Christ today and overcome debilitating mind traps
