Lord Whats Really Important:

What's Really Important Fred Shultz, 2013-12-16 The focus of this book is multi faceted However each facet is centered focused on the question What s really important As you delve into this book please keep that question and the following on the back burner of your conscience 1 Why did God create me What does He want from me 2 Who am I here to please 3 Is this all there is 4 Is there life after death 5 If there is one real God why are there so many religions 6 Why are there so many church denominations and does it matter **LORD WHAT'S REALLY IMPORTANT** ,1978 **Lord, What's Really Important?** Fritz Ridenour, 1978 *What'S so Great About God?* Darrell R. Ferguson, 2011-09-26 Nothing in life is more important than delighting in God The greatest commandment is to love the Lord our God with all our heart soul mind and strength And this is only possible through ever increasing understanding and appreciation of what God is like Whats So Great About God is a series of meditations taken from the personal devotional studies and prayers of pastor Darrell Ferguson designed to assist in opening the readers eyes to the wonders of the goodness of the glory of God A good understanding of Gods character and nature is so important for every follower of Christ Get ready for a revived growing faith in God as you seek His heart daily through this book Darrell wonderfully leads us on a daily devotional adventure through the depths of who God is Encouraging and maturing faith await you Jump in today Ed Taylor Pastor Calvary Chapel Aurora CO Darrell Ferguson accomplishes three things that are rare in the world of Christian books he astonishes with outside the box insights he maintains a practical rather than theoretical focus and he is thorough and steeped in biblical images of Gods nature and deeds that most people never comment on If you want a deep exploration of living life with God to see him behind the veil and know he is there Fergusons book is unique and worthy of being this years spiritual project for anyone fortunate enough to pick it up Derek Leman M T S Hebrew Bible Emory University *Exploring the Mind of God* Chaim Bentorah, Laura Bertone, 2024-07-09 God s Thoughts Toward You Are Filled with Love Exploring the Mind of God reveals the thoughts and plans of our Creator Father as revealed in the deeper meanings of Hebrew words in Scripture with reflections on related Greek and Aramaic terms as well Hebrew teacher Chaim Bentorah highlights both Old and New Testament passages that reveal the loving nature of God as opposed to the vindictive nature that is commonly portrayed Chaim says The foremost thought that expresses the mind of God toward humanity is His love for us in Christ Jesus Each of the sixty devotional readings features a specific passage of Scripture followed by an investigation of key words in the original languages all pointing to the eternal purposes of our loving heavenly Father Use as an inspiring daily devotional that will draw you closer to the Lord a deeper word study into biblical Hebrew or both You don t even have to be familiar with a word of Hebrew to be greatly blessed by these insights Chaim opens up the biblical passages while ultimately pointing us to enter more fully into a loving relationship with our Lord **Morning and Evening Meditations from the Word of God** Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read

them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God *What Is Your Relationship with Your Sword, the Lord's Prayer* The Messenger,2009-07-03 This book is designed for the children of God so that it may lead them back to the basics This is the power of the Lord s Prayer because it has been pushed aside because of other beliefs Now just look at our USA It is in a mess because we stopped chasing Gods prayer and started chasing things inventions and money that have caused Gods sheep to leave the fold and follow the heathen ways worldly I was led to write these lessons and turn them into this book I hope it will help you God Bless you Talk with you soon it is another book on the way Sheep of God look for the Power of it The Messenger of God 04 20 09

What is the true gospel? Peter Williams, Booklets in this first series On which days was Christ crucified and resurrected Can we know the year of Christ's crucifixion Does the Bible's Creation account accord with scientific discovery Was Christ crucified on a cross Why should families symbolise the church and kingdom of God Who should take the bread and wine and when Can we be born again during this earthly life What annual festivals should Christians celebrate Is there a Holy Spirit God person What is the true gospel When does the law end for a Christian Should Christians celebrate a weekly Sabbath Each booklet in this series focuses on one theme that is also covered more briefly in the 350 page book *Israel and the Covenants in New Testament Times* Each study's conclusions come from what the Bible reveals consistently answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text By this means they confirm that the booklet provides rock solid Bible truth and that the Bible is truly the word of God Despite this as the booklets series title suggests these conclusions are typically unexpected a primary aim in writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible surely nobody can please give God your thanks and praise for allowing you to come to the truth from Him
