Conrad,2018-08-22 Joseph Conrad s Lord Jim first published in England in 1900 has long been acknowledged as a very difficult book for readers to understand especially on the first read However those who have taken the time to understand the book acknowledge that the effort is worth it Lord Jim which Conrad began as a short sketch grew into a novel that is widely recognized for its modernism its tendency to buck the conventional narrative trends of its day The most obvious technique that Conrad used was a shifting form of narration in which the reader hears a tale first from one narrator then another and finally from several disparate accounts **Lord Jim (Annotated)** Joseph Conrad,2019-08-03 Lord Jim tells the story of a

young idealistic Englishman as unflinching as a hero in a book who is disgraced a single act of cowardice while serving as an officer on the Patna a merchant ship sailing Lord Jim Joseph Conrad,2021-04-10 Lord Jim tells the story of a young idealistic Englishman as unflinching as a hero in a book who is disgraced by an act of cowardice while serving as an officer on the Patna a merchant ship sailing from an Eastern port with a party of Muslim pilgrims His life is blighted an isolated scandal assumes horrifying proportions An older man Marlow befriends Jim but his efforts to find him employment meet with little success until at last he is able to establish him in Patusan a remote native settlement on one of the islands of the Malay Archipelago **Lord Jim (Illustrated)** Joseph Conrad,2017-07-14 The novel Lord Jim is recognized as Joseph Conrad s best work But what does the author think Here is a quote from his preface to one of the editions of the novel I have been asked at

times whether this was not the book of mine I liked best I am a great foe to favouritism in public life in private life and even in the delicate relationship of an author to his works As a matter of principle I will have no favourites but I don t go so far as to feel grieved and annoyed by the preference some people give to my Lord Jim Pretty illustrations provide you with new

impressions from reading this legendary story Illustrated by Andronum **Lord Jim** Joseph Conrad,2017-12-07 Lord Jim by Joseph Conrad Lord Jim is a novel by Joseph Conrad originally published as a serial in Blackwood s Magazine from October 1899 to November 1900 An early and primary event in the story is the abandonment of a passenger ship in distress by its crew including a young British seaman named Jim He is publicly censured for this action and the novel follows his later attempts at coming to terms with himself and his past When this novel first appeared in book form a notion got about that I had been bolted away with Some reviewers maintained that the work starting as a short story had got beyond the writer s control One or two discovered internal evidence of the fact which seemed to amuse them They pointed out the limitations of the narrative form They argued that no man could have been expected to talk all that time and other men to listen so long It was not they said very credible After thinking it over for something like sixteen years I am not so sure about that Men have been known both in the tropics and in the temperate zone to sit up half the night swapping yarns This however is but one yarn yet with interruptions affording some measure of relief and in regard to the listeners endurance the postulate must be accepted that the story was interesting Lord Jim Joseph Conrad,2015-08-02 This classic novel by the great Polish English author Joseph Conrad has been specially edited and formatted by Bishopston Publications in 10 point Book Antiqua for optimum reading pleasure *Lord Jim (Annotated Classic) Book* Joseph Conrad,2020-03-04 Jim a young British seaman becomes first mate on the Patna a ship full of pilgrims travelling to Mecca for the hajj When the ship starts rapidly taking on water and disaster seems imminent Jim joins his captain and other crew members in abandoning the ship and its passengers A few days later they are picked up by a British ship However the Patna and its passengers are later also saved and the reprehensible actions of the crew are exposed The other participants evade the judicial court of inquiry leaving Jim to the court alone He is publicly censured for this action and the novel follows his later attempts at coming to terms with his past The novel is counted as one of 100 best books of the 20th century *Lord Jim* Joseph Conrad,1981 A young Englishman branded as a coward seeks personal redemption for an act of selfishness *Lord Jim* Joseph Conrad,2020-07-02 We are delighted to publish this classic book as part of our extensive classic literature collection This book is a reproduction of an important historical work Unlike some other reproductions of classic texts We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos Also in books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy We use state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works A hundred
