Lord Make My Days Count:

Lord, Make My Days Count ,2018-01-20 This is the true story of a young Jewish man who leaves Russia for America in the early twentieth century Told in a series of heartwarming anecdotes and observations it covers his arrival in New York his early business success his struggles to develop a series of shoe stores in Pennsylvania his long and happy marriage and the raising of his children Triumphs and tragedies are mingled together in the rich texture of his life Time and again his deep religious faith helped him to overcome seemingly insurmountable obstacles His intimate knowledge of both Old World Jewish culture and small town America in the early and middle twentieth century adds an important historical dimension to this personal narrative This is a vivid portrait of one mans struggle to share in the American dream **I Have Loved You** Cynthia Heald,2014-02-27 From beloved author Cynthia Heald known for her Becoming a Woman of series of devotionals comes a powerful exploration of what it really means to have an intimate relationship with God and the transforming difference it makes in our lives Through twenty eight short chapters discover the richness of God s encouraging words His listening ear His faithful presence and His joyful embrace Thought provoking questions and journaling space will guide you on a deeply personal journey into God s loving heart for you **The Ministry of the Word, Vol. 03, No. 02** Various Authors,2023-03-03 In this issue of The Ministry we continue the speaking by Brother Lee concerning the God ordained way as the present practice in God s economy In this message we see some practical steps to carry out the home meetings so that the church life becomes a part of the saints daily life The churches should make a census of all the dormant members and be burdened to recover them house by house until they are firmly established and rooted in the church This requires our diligent thorough and practical labor together with God In addition Brother Lee speaks a word on how the churches should care for the full time serving ones among us The next three messages are a continuation of messages given in the full time training in Anaheim in the fall of 1997 concerning the grafted life These messages begin to unveil the relationship between the grafted life and God s organic salvation Message Seven unfolds the matters of regeneration and sanctification Regeneration is to bring God into man to have God as life in addition to our original human life Sanctification is to be saturated with God organically sanctification is for God s sonizing that is sanctification is for sonship Message Eight presents the matters of renewing and transformation As believers we must be thoroughly and absolutely renewed so that we may be the new creation of God and for God To be renewed is to have God s element added into our being to replace and discharge our old element Transformation as the issue of renewing is not an outward change or correction but it is a spiritual metabolism it is the metabolic function of the life of God in the believers Message Nine shows us that conformation denotes the shaping of life as the divine life grows within us and transforms us it spontaneously shapes us into the form the image of the firstborn Son of God Glorification however is the step in God s complete salvation in which God will completely saturate our body with the glory of His life and nature Lastly we include letters concerning the Lord s move in the Pacific Islands and
