Lord Vishnus Love Handles:

Lord Vishnu's Love Handles Will Clarke, 2005-07-01 Lord Vishnu's Love Handles is the story of a man who is teetering on the edge of financial ruin and insanity until a couple of secret agents teach him what it really means to lose his mind Travis Anderson has a psychic gift Or so he thinks So far he's milked his premonitions only to acquire an upper middle class lifestyle pretty wife big house and a shiny Range Rover without having to make any real effort But recent visions threaten his yuppie contentment Haunted by omens of impending cancers stillborn babies and personal train wrecks he is compelled to make a series of inaccurate and horrifying prophecies that humiliate him in front of his fellow country club members The IRS gets Travis's number too demanding an audit of his sloppy bookkeeping Drowning in mounting financial problems and apparent mental illness Travis tries booze pills even golf to stay afloat but nothing works His wife and friends are forced to stage an intervention Travis is in danger of losing his family his career and ultimately his sanity That is until he meets a Hindu holy man in rehab who claims to be the final incarnation of Lord Vishnu Suddenly the tragically shallow Travis is saddled with the responsibility of bettering mankind and saving the world

When I Was a Loser John McNally, 2007-03-06 For Anyone Who's Ever Been a Teenager Who's teenage years weren't terrible Remember the scary older kids The sadistic gym teacher The smelly kid who sat next to you in science class Your first fumbling kiss That time you threw up in the cafeteria Your first attempt at putting on a condom The period that arrived unexpectedly That awful fight with your parents The first time you got drunk That note you wrote that you shouldn't have written The day you forgot to zip your fly That monster zit When you wondered would it all end In *When I Was a Loser* John McNally author of the novel *America's Report Card* assembles twenty-five original essays often hilarious sometimes tenderhearted always evocative about defining moments of high school loserdom Brad Land Julianna Baggott Owen King Johanna Edwards and many more fresh talented writers explore their own angst humiliation heartache and other staples of teen life These essays perfectly capture what it was like to be in high school to experience so many things for the first time to assert independence while desperately trying to fit in to feel misunderstood and unable to articulate the wild swings between heartbreak anger and euphoria One writer recalls how his grandmother helped him with his home perm in preparation for the Senior Class picture another recounts her discovery sometime after hitting puberty of the power she held over boys and men while at the same time she felt herself at their mercy a third remembers the casual cruelties visited on him by the cooler kids and the cruelties he in turn inflicted on kids below him on the social ladder Utterly candid and compulsively readable these essays conjure up and untangle those raw and formative years The writers cringe and laugh at the teenagers they were but at the same time they honor their adolescence and the way it shaped their lives Because in truth beneath the layers of adult respectability we all still carry a little bit of our teenage selves around with us
