Lords of the Khyber André Singer, 1984-01-01 Recounts the British attempts to conquer the Pushtuns of Afghanistan and offers profiles of the tribal leaders and their British foes

Empire and Tribe in the Afghan Frontier Region Hugh Beattie, 2019-09-19 Waziristan a region on the border between Afghanistan and Pakistan has in recent years become a flash point in the so called War on Terror Hugh Beattie looks at the history of this region examining British attempts to manage the tribes from 1849 until Pakistan's declaration of independence in 1947 He explores British attempts to divide the frontier region into separate British and Afghan spheres of influence In the minds of British policymakers this demarcation would secure the position of the Empire and so Beattie highlights the various policy initiatives towards the frontier region over the period in question Crucially he analyses how the British perceived the local tribes what constituted authority within tribal frameworks and the military and political ramifications of these perceptions As he also explores the contemporary relevance of this region taking into account the resurgence of the Taliban in Waziristan Beattie's analysis is vital for those interested in the history and security implications of the Afghan frontier with Pakistan

The Army in India and the Development of Frontier Warfare, 1849-1947 T. Moreman, 1998-08-10 This comprehensive study is the first scholarly account explaining how the British and Indian armies adapted to the peculiar demands of fighting an irregular tribal opponent in the mountainous no man's land between India and Afghanistan It does so by discussing how a tactical doctrine of frontier fighting was developed and passed on to succeeding generations of soldiers As this book conclusively demonstrates this form of colonial warfare always exerted a powerful influence on the organisation equipment training and ethos of the Army in India

The Khyber Rifles Jules Stewart, 2006-06-22 Recruited from the Pathan tribes that live in the no mans land between Pakistan and Afghanistan the Khyber Rifles fought for the British Raj against their own kith and kin Jules Stewart tells the story of Colonel Sir Robert Warburton the man who raised the Khyber Rifles in 1878 and describes the Khyber Rifles in action

Nineteenth-Century Afghanistan Christine Noelle,2012-06-25 With the exception of two short periods of direct British intervention during the Anglo Afghan Wars of 1839 42 and 1878 80 the history of nineteenth century Afghanistan has received little attention from western scholars This study seeks to shift the focus of debate from the geostrategic concern with Afghanistan as the bone of contention between imperial Russian and British interests to a thorough investigation of the sociopolitical circumstances prevailing within the country On the basis of unpublished British documents and works by Afghan historians it lays the groundwork for a better understanding of the political mechanisms at work during the early Muhammadzai era by analysing them both from the viewpoint of the center and the periphery **Cultural Anthropology of the Middle East, A Bibliography, Volume 1 Cultural Anthropology of the Middle East 1965-1987**
