British Science Fiction Film and Television Tobias Hochscherf, James Leggott, Donald E. Palumbo, 2014-01-10 Written by international experts from a range of disciplines these essays examine the uniquely British contribution to science fiction film and television Viewing British SF as a cultural phenomenon that challenges straightforward definitions of genre nationhood authorship and media the editors provide a conceptual introduction placing the essays within their critical context Essay topics include Hammer science fiction films the various incarnations of Doctor Who Stanley Kubrick's A Clockwork Orange and such 21st century productions as 28 Days Later and Torchwood

Max Klinger and Wilhelmine Culture Marsha Morton, 2017-07-05 The Wilhelmine Empire's opening decades 1870s 1880s were crucial transitional years in the development of German modernism both politically and culturally Here Marsha Morton argues that no artist represented the shift from tradition to unsettling innovation more compellingly than Max Klinger The author examines Klinger's early prints and drawings within the context of intellectual and material transformations in Wilhelmine society through an interdisciplinary approach that encompasses Darwinism ethnography dreams and hypnosis the literary Romantic grotesque criminology and the urban experience His work in advance of Expressionism revealed the psychological and biological underpinnings of modern rational man whose drives and passions undermined bourgeois constructions of material progress social stability and class status at a time when Germans were engaged in defining themselves following unification This book is the first full length study of Klinger in English and the first to consistently address his art using methodologies adopted from cultural history With an emphasis on the popular illustrated media Morton draws upon information from reviews and early books on the artist writings by Klinger and his colleagues and

unpublished archival sources The book is intended for an academic readership interested in European art history social science literature and cultural studies **Latin America's Contested Pasts in Telenovelas and TV Series** Mónica Contreras Saiz, Stefan Rinke, 2024-12-30 In Latin America the production of telenovelas and TV series about the region's recent and traumatic past has grown considerably in the last 20 years affecting societal perceptions of the past historical consciousness and political culture While these TV products are usually perceived as trivial they do provide a historical framework to a wide audience which finds it easier to relate to the national past through fiction than through history books journalistic articles or documentaries Latin America's Contested Pasts in Telenovelas and TV Series analyzes the historical culture of Latin American society embodied in telenovelas and TV series from the 1960s to this day It compiles regional case studies on the televised representation of 20th century dictatorships in Chile Argentina and Brazil as well as the war against drug trafficking and the armed conflict in Colombia Highlighting the political and social relevance of fictional television the contributions offer interdisciplinary insights into its discourses and narratives from the heroization of criminals to the search for reconciliation and the construction of a historical memory *Labour Law* Steven D. Anderman, 1992 **A New English Dictionary on Historical Principles** James Augustus Henry Murray, Sir William Alexander Craigie, Charles Talbot Onions, 1901 **Fourteen posthumous Discourses ... Classes, Power and Conflict Anthony Giddens, David Held, 1982-05-13 In recent years a remarkable range of new work has been produced dealing with class inequalities the division of labor and the state In these writings scholars previously working in isolation from one another in sociology economics political science and history have found common ground Much of this work has been influenced by Marxist theory but at the same time it has involved critiques of established Marxist views and incorporated ideas drawn from other sources These developments have until now not been reflected in existing course texts which are often diffusely concerned with social stratification and lack reference to contemporary theory *Classes Power and Conflict* breaks new ground in providing a comprehensive introduction to current debates and contemporary research In also connects these to the classical sources concentrating particularly on Marx Lenin and Weber The book therefore offers a comprehensive coverage of materials for students who have little or no prior acquaintance with the field Each section of the book contains a substantial introduction explaining and expanding on the themes of the selections contained within that section *Classes Power and Conflict* can be expected to become the standard text for courses in sociology and political science

The Big Bang Never Happened Eric Lerner,2010-12-15 A mesmerizing challenge to orthodox cosmology with powerful implications not only for cosmology itself but also for our notions of time God and human nature with a new Preface addressing the latest developments in the field Far ranging and provocative The Big Bang Never Happened is more than a critique of one of the primary theories of astronomy that the universe appeared out of nothingness in a single cataclysmic explosion ten to twenty billion years ago Drawing on new discoveries in particle physics and thermodynamics as well as on readings in history and philosophy Eric J Lerner confronts the values behind the Big Bang theory the belief that mathematical formulae are superior to empirical observation that the universe is finite and decaying and that it could only come into being through some outside force With inspiring boldness and scientific rigor he offers a brilliantly orchestrated argument that generates explosive intellectual debate

The Oxford Handbook of Biblical Monsters Associate Professor of Biblical Studies and Academic Dean Brandon R Grafius,Brandon R. Grafius,Adjunct Instructor in New and World Religions John W Morehead,John W. Morehead,2025 The Oxford Handbook of Biblical Monsters brings together the work of world renowned scholars in Bible theology religion and cultural studies to explore the monsters that rampage through the biblical text Essays provide in depth analysis of the Ancient Near Eastern background of these creatures explore how they have continued to live on after the biblical text and discuss how they remain impactful through art and literature today The chapters not only study where monsters came from but continually focus on what they mean and how these meanings are generated These chapters work to bridge the perspectives of traditional scholarship and more postmodern ideas of monsters as cultural and rhetorical constructions There are chapters on the Ghosts of Mesopotamia Leviathan and the Giants but also on the Monstrous Jew in the Gospels and the Monstrosity of the Crucifixion They serve both as foundational pieces of research for scholars looking to familiarize themselves with monsters and discourses of monstrosity but also as creative and provocative examinations of how these monsters generate meaning While working to summarize the research that has been done on biblical monsters up to the present day this Handbook points the way forward towards new and exciting studies in unnatural creatures and the rhetoric of horror

Steven Moffat's Doctor Who 2012-2013 Steven Cooper,Kevin Mahoney,2014-10-10 At over 90 000 words this is the most comprehensive fan guide yet published to the 2012 2013 season of Doctor Who After the first part of the season provided an emotional ending to the Doctor s travels with his friends Amy and Rory Steven Moffat presented an innovative and intriguing new mystery as the Doctor puzzled over the woman twice dead that is Clara Oswald who had the most spectacular introduction s of any companion This series was the most demanding yet for Moffat no other Doctor Who showrunner had previously faced an assignment like writing a series finale an anniversary story and a combined Christmas Special Doctor finale in quick succession We are with Moffat every step of the way as he

risers to this unique challenge The format of this book is the same as our previous Doctor Who guides Steven Cooper has written excellent detailed analyses of each episode which Slant Magazine published online in their House Next Door blog soon after each episode was broadcast In this way Steven s reviews provide an invaluable record of how a long standing fan reacted to each twist of the plot as it occurred House Next Door published Steven s 2013 episode reviews in abridged form he then expanded upon his analyses so this book contains far more of his insights than those published online Kevin Mahoney then follows Steven s analyses with his reviews which he wrote from the perspective of having watched the entire series This enabled him to gauge exactly how Steven Moffat had put this season together and to assess the success of his various hoodwinks and sleights of hand In this series Steven Moffat was just as ambitious as ever perhaps too ambitious at times when the scripting became uneven or the production team was not able to realize an episode as well as they might have done Despite this there were several episodes that rank among the best of the show s achievements which we applaud in this celebration of Doctor Who s 50th Anniversary

The Inner Life of Empires Emma Rothschild, 2012-11-25 The birth of the modern world as told through the remarkable story of one eighteenth century family They were abolitionists speculators slave owners government officials and occasional politicians They were observers of the anxieties and dramas of empire And they were from one family The Inner Life of Empires tells the intimate history of the Johnstones four sisters and seven brothers who lived in Scotland and around the globe in the fast changing eighteenth century Piecing together their voyages marriages debts and lawsuits and examining their ideas sentiments and values renowned historian Emma Rothschild illuminates a tumultuous period that created the modern economy the British Empire and the philosophical Enlightenment One of the sisters joined a rebel army was imprisoned in Edinburgh Castle and escaped in disguise in 1746 Her younger brother was a close friend of Adam Smith and David Hume Another brother was fluent in Persian and Bengali and married to a celebrated poet He was the owner of a slave known only as Bell or Belinda who journeyed from Calcutta to Virginia was accused in Scotland of infanticide and was the last person judged to be a slave by a court in the British isles In Grenada India Jamaica and Florida the Johnstones embodied the connections between European American and Asian empires Their family history offers insights into a time when distinctions between the public and private home and overseas and slavery and servitude were in constant flux Based on multiple archives documents and letters The Inner Life of Empires looks at one family s complex story to describe the origins of the modern political economic and intellectual world
