Losing It The Inside Story Of The Labor Party In Opposition:

John Winston Howard Peter Van Onselen, Wayne Errington, 2008 A portrait of one of Australia's longest serving prime ministers this biography goes behind the public image to find neither the strong willed man of principle his supporters like to imagine nor the cunning opportunist painted by his foes The discussion covers Howard's suburban middle class upbringing and his success at implementing his policies concluding that although the image of the ordinary bloke has helped his enduring popularity heandmdash like George Bushandmdash possesses a number of uncommon strengths that have made him one of the most formidable leaders in Australian political history *Quarterly Essay 35 Radical Hope* Noel Pearson, 2009-10-01 In *Radical Hope* one of Australia's most original and provocative thinkers turns his attention to the question of education Noel Pearson begins with two fundamental questions How to ensure the survival of a people their culture and way of life And can education transform the lives of the disadvantaged many or will it at best raise up a fortunate few In an essay that is personal and philosophical wide ranging and politically engaged Pearson discusses what makes a good teacher and recalls his own mentors and inspirations He argues powerfully that underclass students many of whom are Aboriginal should receive a rigorous schooling that gives them the means to negotiate the wider world He examines the long term failure of educational policy in Australia especially in the indigenous sector and asks why it is always Groundhog Day when there are lessons to be learned from innovations now underway This is an essay filled with ideas and arguments and information from a little known educational revolutionary named Siegfried Englemann to the No Excuses ethos and the Knowledge Is Power program to Barack Obama's efforts to balance individual responsibility and historical legacy Pearson introduces new findings from research and practice and takes on some of the most difficult and controversial issues Throughout he searches for the radical centre the way forward that will raise up the many preserve culture and ensure no child is left behind It is time to ask are we Aborigines a serious people Do we have the seriousness necessary to maintain our languages traditions and knowledge The truth is that I am prone to bouts of doubt and sadness around these questions But I have hope Our hope is dependent upon education Our hope depends on how serious we become about the education of our people Noel Pearson *Radical Hope* A work of universal significance in which Pearson once again shows himself to be Australia's most powerful contemporary thinker His essay is essential reading for all who care about the true nature of the society we have created in Australia For the first time in my life I encountered here a mature insight into the private hells produced by the very kind of failed education I received as a boy growing up at the bottom of a class ridden culture in London after the war Alex Miller

Latham Diaries Mark Latham, 2011-04-01 Here are the political diaries of one of Australia's most promising national leaders published within twelve months of his resignation from office an historic first The Latham Diaries are searingly honest bulletins from the front line of Labor politics They provide a unique view into the life of a man the Party and the nation at a crucial time in Australian history Mark Latham resigned from parliament in January 2005 after only fourteen

months as Leader of the Opposition amid bitter post election recrimination and his own ill health From the beginning of his career he was viewed by many observers as the ALP s resident intellectual and larrikin the great hope of a new generation with the drive and talent to become prime minister So why did his career end so abruptly As The Latham Diaries reveal the rising tide of public cynicism about politics the cult of celebrity the dangerous liaison between politics and the media and the sickness at the heart of the Labor machine all played their part As did Latham s own errors as he candidly records in these diaries This is a riveting chronicle of life inside politics the backroom deals the frontroom conniving the bitter defeat of idealism and the triumph of opportunism The Latham Diaries is not just the story of the Labor Party in the last years of the twentieth century and the early twenty first century but a sobering account of the state of Australian democracy 100 years after Federation

The New Progressive Dilemma D. O'Reilly,2007-04-12 The New Progressive Dilemma documents the international diffusion ideological meaning and long term political implications of the ideas that informed the late twentieth century revolution in thinking inside the British Labour Party a revolution that had important antecedents in Australia

Rise of the Ruddbot Annabel Crabb,2010-09 Opposition leaders are like miniature piglets They look so sweet in the shop don t they With their whiffling little pink noses and their eagerness to please with their intelligent eyes and their loving natures and the sales assistant s guarantee that they are fastidiously clean and moreover will fetch the paper every morning what s not t

The to Z of Australia James C. Docherty,2010-04 The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through **Tanya Plibersek** Margaret Simons,2023-03-07 A fascinating portrait of one of Australia s most influential women Elected to federal parliament aged just twenty eight Tanya Plibersek has lived almost half her life in the public eye and is the longest serving woman in Australia s House of Representatives But how much do we know about what drives her what she values and what we can expect from her next Plibersek was born in Sydney to Slovenian parents both of whom fled post war Europe as young adults Their experiences as migrants would profoundly shape the lives of their children Driven by a commitment to equity and social change Plibersek joined the Labor Party at a time of intense factional battles for the party s future and emerged as part of a new generation of ALP leaders Throughout her career she has campaigned for social justice reform on issues such as paid parental leave violence against women and rights for same sex couples Award winning journalist Margaret Simons draws on exclusive interviews with Plibersek her political contemporaries family and close friends to trace the personal and political strands of this modern Australian story She considers Plibersek s role in the Rudd and Gillard governments Labor s soul searching years in opposition and Plibersek s position in the Albanese cabinet She also sheds light on the personal currents that have carried Plibersek through moments of joy and tragedy to become the person she is today Unputdownable If you re looking for an entertaining and informative insight into the rollercoaster ride of Australian politics over the last twenty five

years as well as an inspiring read about one of our most powerful women look no further Books Publishing **Stop at Nothing** Annabel Crabb,2009-06-01 What does Malcolm Turnbull stand for In **Stop at Nothing** Annabel Crabb tells the story of the man who would be prime minister Based on extensive interviews with Turnbull as well as those who have worked with him this is an essay full of revelations Crabb delves into young Malcolm s university exploits which included co authoring a musical with Bob Ellis and his remarkable relationship with Kerry Packer the man for whom he was at first a prized attack dog and then a mortal enemy She asks whether Turnbull colourful aggressive humorous and ruthless has what it takes to re invigorate the Australian Liberal Party in the wake of John Howard She discusses his vexed relationship with Kevin Rudd and the looming presence of Peter Costello This is a scintillating portrait by one of the country s most incisive reporters How would Australia be different if he were prime minister What are his most closely held policy convictions I asked dozens of Malcolm Turnbull s political colleagues this question asking them to name three Many of them had to pause before responding You ll have to excuse me I m eating some chocolate was the best initial response from a Liberal on the other end of a phone line Annabel Crabb **Stop at Nothing** This issue also contains correspondence discussing Quarterly Essay 33 Quarry Vision from Patrice Newell Bernard Keane Robert Merkel Brian Toohey John Hewson David Karoly and Guy Pearse

Historical Dictionary of Australia Norman Abjorensen,James C. Docherty,2014-12-05 Australia s development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors This fourth edition of *Historical Dictionary of Australia* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Australia

The Forest Wars Judith Ajani,2007 After four decades the wars over Australia s forests continue to collect scalps and to make strange bedfellows of politicians The forest debate played a role in ending the political careers of Paul Keating and Mark Latham and led to the extraordinary instance of John Howard embracing the leaders of the CFMEU s Forestry Division in the lead up to the 2004 election And yet as forest expert Judith Ajani contends Australia is in the enviable position of being able to meet nearly all its wood needs from economically superior plantations We have the potential to benefit fully from the value of native forests as carbon sinks water catchments and wildlife habitat There is no irreconcilable conflict between development and environment So why do the major parties not have coherent forest policies Ajani reveals that standing in the way are silenced plantation interests failing bureaucracies destructive union behaviour and government created super

profits from native forest woodchipping Forests will again play a major role in the 2007 federal election campaign The Forest Wars explains why there is an urgent need to end the conflict and shows us the way forward

The Best Australian Essays Robyn Davidson,2008 *Policy* ,2005 *Professionals or Part-timers?* Peter van Onselen,2015-09-01 While the minor party and independent senators might attract media attention the overwhelming majority of Australia s upper house members are affiliated with the major political parties These senators are highly partisan they are dependent on the party for re election and play a potentially vital role in assisting their parties to secure the maximum number of House of Representative seats acting as shock troops in marginal seat campaigning How does this impact the way these senators go about their business How do they serve their party in the pursuit of lower house seats the result of which determines who forms government *Professionals or Part Timers* examines the electoral professionalism of major party senators as well as how they deal with the sometimes competing interests of factionalism and personal ambition

The Labour Party and Electoral Reform Jasper Miles,2023-03-09 The issue of electoral reform has divided the Labour Party since its inception but only for a brief period in the early 20th century has the Party been committed to reforming first past the post FPTP Now having suffered four successive general election defeats the Labour Party will have to reconsider its electoral strategy if it is once again to become a party of government For some a commitment to electoral reform is an indispensable step to widen support transform the Party and unlock British Politics For others the present system still offers the best hope of majority Labour governments avoiding deals with the Party s rivals and the watering down of Labour s social democratic agenda This book explores the Labour Party s approaches towards reforming the Westminster electoral system and more widely its perception of electoral pacts and coalition government The opening chapters chart the debate from the inception of the Party up to the electoral and political impact of Thatcherism From there the book takes a closer look at significant recent events including the Plant Report the Jenkins Commission the end of New Labour the Alternative Vote Referendum and closing with the Labour leadership containing the matter at Party Conference 2021 Importantly it offers an assessment of the pressures and environment in which Labour politicians have operated Extensive elite level interviews and new archival research offers the

reader a comprehensive and definitive account of this debate
