Finding the Plot Loïc Artiago, Diana Holmes, David Platten, 2014-08-11 Plot writes Peter Brooks is so basic to our very experience of reading and indeed to our articulation of experience in general that criticism has often passed it over in silence Reading for the Plot xi Finding the Plot both explores and helps to redress this critical neglect The book brings together an international group of scholars to address the nature effects and specific pleasures of consuming stories If the central focus is on France and popular literary fiction the book's scope like contemporary fiction itself observes no national frontiers and extends across a variety of media The book addresses both the empirical question of which genres and types of text have been and are most popular and the theoretical questions of how plots work what pleasures they offer to readers and why it matters that the plot should not be lost , *Losing the Way* Richie Savage, 2010 Richie a forty year old languages teacher is lying on a beach in Lanzarote recovering from a traumatic accident He recalls the events which have brought him here as he reconstructs the latter part of his home and working life from marriage to the neurotic Matty and job success in a secondary school to a painful divorce and professional burn out He takes us on a rollercoaster ride as we travel with him from the Canaries to Japan meeting along the way the new woman new women new toys and new places he travels to We watch him slowly piece himself back together as he begins to accept his mid life transition This is not a mid life crisis It is a story which reveals the darker side of our fallen hero whose story is told with humour and understanding as he pokes fun at himself those around him and life in general For anyone entering the teaching profession or for any teacher currently serving or contemplating escape this is a book which will make you laugh out loud and nod in agreement And for anyone stuck in a rut either professionally or on a personal level Richie might well be the one to help you find your way out

The Circuit Rowan Ricardo Phillips, 2025-06-25 Winner of the 2019 PEN ESPN Award for Literary Sports Writing The Circuit is the best sports book I've read in years maybe ever Rich Cohen author of The
