Author Interview with

"Losing Absalom is a powerful and evocative work that is both a love story and a meditation on the human condition. It is a story of love, loss, and the search for meaning in a world that is often indifferent. The author's prose is beautiful and the story is compelling. It is a work that will stay with you long after you have finished reading it." —John Williams, author of *The Road* and *127 Hours*

"The story of losing a loved one is a universal experience. In *Losing Absalom*, the author explores this experience with a sensitivity and depth that is rare in contemporary fiction. The story is a beautiful and moving work that will stay with you long after you have finished reading it." —Patricia Smith, author of *Don't Burn*

The Innocent Classroom Alexis Pate, 2020-08-17 When children of color enter their classrooms each year many often encounter low expectations disconnection and other barriers to their success In The Innocent Classroom Alexis Pate traces the roots of these disparities to pervasive negative stereotypes which children are made aware of before they even walk through the school door The cumulative weight of these stereotypes eventually takes shape as guilt which inhibits students engagement learning and relationships and hurts their prospects for the future If guilt is the primary barrier for children of color in the classroom then the solution according to Pate is to create an Innocent Classroom that neutralizes students guilt and restores their innocence To do so readers will embark on a relationship construction project in which they will deepen their understanding of how children of color are burdened with guilt discover students good or the motivation behind their behaviors and develop strategic responses to that good and nurture protect and advocate for students innocence Ultimately students will reclaim their innocence and begin to make choices that will lead to their success Teachers will renew their commitment to their students And the current ineffective system can give way to one that reflects a more enlightened understanding of who our children are and what they are capable of

Williams Jeffrey Allen Tucker, 2018-02-20 One of the most prolific African American authors of his time John A Williams 1925 2015 made his mark as a journalist educator and writer Having worked for Newsweek Ebony and Jet magazines Williams went on to write twelve novels and numerous works of nonfiction A vital link between the Black Arts movement and the previous era Williams crafted works of fiction that relied on historical research as much as his own finely honed skills From The Man Who Cried I Am a roman clef about expatriate African American writers in Europe to Clifford s Blues a Holocaust novel told in the form of the diary entries of a gay black jazz pianist in Dachau these representations of black experiences marginalized from official histories make him one of our most important writers Conversations with John A Williams collects twenty three interviews with the three time winner of the American Book Award

beginning with a discussion in 1969 of his early works and ending with a previously unpublished interview from 2005. Gathered from print periodicals as well as radio and television programs, these interviews address a range of topics including anti-black violence, Williams's WWII naval service, race and publishing, interracial romance, Martin Luther King Jr. growing up in Syracuse, the Prix de Rome scandal, traveling in Africa and Europe, and his reputation as an angry Black writer. They display the integrity, social engagement, and artistic vision that make him a writer to be reckoned with.

A Black Philadelphia Reader Louis J. Parascandola, 2024-06-11

The relationship between the City of Brotherly Love and its Black residents has been complicated from the city's founding through the present day. *A Black Philadelphia Reader* traces this complex history in the words of Black writers who were native to, lived in, or had significant connections to the city. Featuring the works of famous authors including W. E. B. Du Bois, Harriet Jacobs, Sonia Sanchez, and John Edgar Wideman, alongside lesser-known voices, this reader is an immersive and enriching composite portrait of the Black experience in Philadelphia. Through fiction and nonfiction, poetry and prose, readers witness episodes of racial prejudice and gender inequality in areas like public health, housing, education, policing, criminal justice, and public transportation. And yet, amid these myriad challenges, the writers convey an enduring faith, a love of family and community, and a hope that Philadelphia will fulfill its promises to its Black citizens. Thoughtfully introduced and accompanied by notes that contextualize the works and aid readers' comprehension, this book will appeal to a wide audience of Philadelphians and other readers interested in American, African American, and urban studies.
