Lost Chronicles Of The Maya Kin:

The Lost Chronicles of the Maya Kings David Drew, 2002-05-01 An in depth discussion of the latest archeological findings about the Mayan civilization explores the sophistication of this long misunderstood culture and addressing such issues as why the civilization disappeared why they built cities in jungles and more Second Witness: Analytical and Contextual Commentary on the Book of Mormon Brant A. Gardner, 2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God **Understanding Early Civilizations** Bruce G. Trigger, 2003-05-05 This book offers the first detailed comparative study of the seven best documented early civilizations ancient Egypt and Mesopotamia Shang China the Aztecs and adjacent peoples in the Valley of Mexico the Classic Maya the Inka and the Yoruba Unlike previous studies equal attention is paid to similarities and differences in their sociopolitical organization economic systems religion and culture Many of this study s findings are surprising and provocative Agricultural systems technologies and economic behaviour turn out to have been far more diverse than was expected These findings and many others challenge not only current understandings of early civilizations but also the theoretical foundations of modern archaeology and anthropology The key to understanding early civilizations lies not in their historical connections but in what they can tell us about similarities and differences in human behaviour *The Lost Chronicles of the Maya Kings* David Drew (television writer.), 1999 The Sabastian Cane Chronicles Dennis Alexander, 2001-04-02 Sabastian Cane had given up a fortune in Central America as a medical missionary Nearly broke and disillusioned with medicine he becomes a jewelry salesman in Los Angeles This leads him to the diamond black market in Venezuela Cane encounters head hunters crooked police drug lords and the Lost Mayan civilization He falls in love with a native girl named Luna gains a fortune and becomes an international entrepreneur With his new bride they begin another adventure in Africa opening up free clinics for the needy He and his wife encounter international criminals who are implementing a Holy Jihad by means of a virulent virus

which will kill all life on Earth Because Cane is in Africa and a doctor the President of the USA asks Cane to lead the team to thwart these terrorists With the help of his wife he succeeds While the two newly weds relax back in Venezuela at the Lost City Cane discovers that the Mayan s have a religious link through ceremony to God Inadvertently the Mayan Leaders message to God is intercepted by Lucifer and all Hell breaks loose on earth In a classic fight for his soul Cane takes on the Devil both here on earth and out into the far reaches of the Galaxy When the quest is over Cane and his team are rewarded with their own planet much like Adam and Eve Before Cane and Luna can begin a normal life Lucifer s wife clones the Devil and they search for Cane while destroying planets in their quest Cane becomes a soldier of God in an effort to save not only Earth but the Universe
