Thomas Penfield, 2004 The most amazing treasure book ever written giving the locations of well over 100 fabulous fortunes waiting to be found in the ore rich Southwest Thomas Penfield has done years of exhaustive research for Dig Here and has accomplished the Herculean task of separating fact from fiction For the first time lost treasure stories of the Southwest are stripped bare of their legends and lies Each treasure account is preceded by the approximate location estimated total value and authentication Reading sources for each account are also included so you can do additional research on the intriguing stories of these treasures Dig Here is overflowing with lore spellbinding backgrounds driving Western drama and exciting reliable facts Coronado's Children J.
