Lost Train:

The Lost Train of Thought Michael Wexler, John Hulme, 2010-12-15 Becker Drane's job as a Fixer in *The Seem* is in jeopardy. The Powers That Be have discovered his illegal relationship with Jennifer Kaley and he's about to be punished big time for all the rules he has broken. But just when it seems like Becker's fixing days are over for good, he is called in to assist on a job in the Middle of Nowhere. A Train of Thought headed for The World has disappeared and the first group of Fixers sent to find it has vanished now too. As usual, The Tide is the prime suspect. This latest mission takes Becker to the remotest places and introduces him to the more powerful people in *The Seem*. Will he manage to find the Lost Train of Thought and finally discover once and for all who's running The Tide?

The Lost Train Seth Crossman, 2020-02-20 In late 1944 a train rumbled out of Königsberg, Germany, laden with gold artifacts and priceless paintings in an attempt to escape the advancing Soviet army. It was never seen again. Seventy-two years later, Will Statten, a former MP and the son of a famous archaeologist, gets a call for help from a prestigious art collector in Italy. For Will, it's a job offer and a chance to escape his troubles, even if the job sounds strange and unbelievable. He tracks down a series of nine paintings that reveal the location of the lost train and its legendary wealth. Shortly after he arrives, Will is caught up in a deadly game as five of the paintings are stolen. Now it is a race across Europe to find the lost train and the killers before they turn their sights on him. For Will Statten, his dangerous adventure is just beginning.
