Racing Car for the Road Dennis Ortenburger, 2007 **Lotus Elite, Eclat and Excel** Matthew Vale, 2016-02-29 Lotus introduced the Type 75 Elite in 1974 Being a full four seater coupe with an opening glass tailgate it was designed to carry a family in comfort while retaining Lotus trademark excellent road holding and handling Perhaps most importantly it was the first and successful step in Colin Chapman s plan to move upmarket and away from Lotus kit car image The Elite gave rise to two derivatives the Eclat and the Excel The Eclat was a restyled coupe version sacrificing the Elite s unique rear styling and good rear passenger headroom for a more stylish exterior With its conventional coupe styling the Eclat was more mainstream than the Elite and it was in the end the better seller In turn the Eclat spawned the Excel the last of the Elite inspired family Matthew Vale looks at the history of these unusual Lotus models and gives a thorough guide to buying and owning the cars today *On a Global Mission: The Automobiles of General Motors International Volume 3* Louis F. Fourie, 2016-12-27

Volume One traces the history of Opel and Vauxhall separately from inception through to the 1970s and thereafter collectively to 2015 Special attention is devoted to examining innovative engineering features and the role Opel has taken of providing global platforms for GM Each model is examined individually and supplemented by exhaustive supporting specification tables The fascinating history of Saab and Lotus begins with their humble beginnings and examines each model in detail and looks at why these unusual marques came under the GM Banner Included is a penetrating review of Saab through to its unfortunate demise Volume Two examines unique models and variations of Chevrolet and Buick manufactured in the Southern Hemisphere and Asia but never offered in North America Daewoo Wuling and Baojun are other Asian brands

covered in detail This volume concludes with recording the remarkable early success of Holden and its continued independence through to today Volume Three covers the smaller assembly operations around the world and the evolution of GM's export operations A brief history of Isuzu Subaru and Suzuki looks at the three minority interests GM held in Asia The GM North American model specifications are the most comprehensive to be found in a single book Global and regional sales statistics are included GM executives and management from around the globe are listed with the roles they held An index ensures that these volumes serve as the ideal reference source on GM [Vintage American Road Racing Cars 1950-1969](#)
