Beyond My Reach M. E. Sapphire, 2003 An endeavor of love is the only way to aptly depict the motivation and deep love flowing from her heart into this poetry compilation from the outside to the inside *Beyond My Reach* is unique in that it was written from the free world to an incarcerated lover With much love more than 200 poems were written to express the intense love thriving within this lonely sweetheart during the last four years the length of their heated romance from a distance Ms Sapphire s amorous declarations of devotion were the only inspiration needed to profess her passion and write the first poem I Close My Eyes She never imagined then the poetry would someday amass into

a quantity great enough to fill a book Written solely to verbalize new emotions of love each poem in this book was inspired by one young man confined behind tall concrete walls and razor wire of the penal system BEYOND THE WALLS Each day you face a dismal existence Wondering what s beyond that prison wall So many youthful years you ve wasted What made you err you barely recall Double locked doors quarantine your life In triple layered concrete cages Tall dual fences loops of razor wire Stand sentinel over inmates of all ages Incarceration has taken a deadly toll on you Never trusting dreading each new dawn Privacy embezzled by constant vigilance Leaves you silent fearful and withdrawn The world is soon forgotten behind the walls As you obey endless ever changing rules Constantly watching your back danger lurks Fearing brawls protecting your family jewels Being an inmate with untainted record Double locked doors will surely open for you Living on the outside can soon resume You ve learned your lesson freedom is overdue Your true love awaits you beyond those walls When you re thrust from that dismal womb Born again to embark on a new journey You ll emerge from your dungeon of doom March 12 2001 For more information please go to the www.mesapphire.com

Journey Beyond Love Ashish Chand, It is necessary to know about functionality of your physiological and psychological body parts in order to have any wholesome understanding about your life Does this statement have any meaning for you If being wholesome is being holy then what is the Journey to it In all the cultures of the world but Hinduism there is no concept of rebirth Only an Indian has to work for stopping his cycle of rebirths Does liberation comes to all people but Indians automatically Is it so that what is almost impossible to achieve for an Indian is most certainly available to all non Indians What is the life beyond love Who One Is J.G. Hart, 2009-04-21 Both volumes of this work have as their central concern to sort out who one is from what one is In this Book 1 the focus is on transcendental phenomenological ontology When we refer to ourselves we refer both non ascriptively in regard to non propertied as well as ascriptively in regard to propertied aspects of ourselves The latter is the richness of our personal being the former is the essentially elusive central concern of this Book 1 I can be aware of myself and refer to myself without it being necessary to think of any third personal characteristic indeed one may be aware of oneself without having to be aware of anything except oneself This consideration opens the door to basic issues in phenomenological ontology such as identity individuation and substance In our knowledge and love of Others we find symmetry with the first person self knowledge both in its non ascriptive forms as well as in its property ascribing forms Love properly has for its referent the Other as present through but beyond her properties Transcendental phenomenological reflections move us to consider paradoxes of the transcendental person For example we contend with the unpresentability in the transcendental first person of our beginning or ending and the undeniable evidence

for the beginning and ending of persons in our third person experience The basic distinction between oneself as non sortal and as a person pervaded by properties serves as a hinge for reflecting on the afterlife This transcendental phenomenological ontology of necessity deals with some themes of the philosophy of religion
