

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of orange, yellow, and brown. The road leads towards a bright light at the end of the path, creating a strong perspective. The overall mood is serene and contemplative.

reminders that life is precious and beautiful Whether you long for rest deeper connections or a renewed sense of meaning this devotional empowers you to pause reflect and walk a path rich with purpose and delight Get ready to embrace what really matters most and start living with intention wonder and joy *In Time* Thomas Orsi,2017-03-11 This 3rd edition is the final essence of the poetry and observations made during the first half of the author's life *Lest We Lose Love* Scherto Gill,2023-04-18 Few are aware that since antiquity there has always been the philosophy of love at the core of Western culture It articulates what makes life meaningful and worthwhile and how we can live a good life together through an ethic of love This book fills this significant gap not only reconnecting the reader with such important wisdom and more crucially also reorienting our socio economic institutions and collective actions towards more loving and caring and more concerned with the qualities of our lived experiences By rediscovering the gifts of love we may challenge the existing systemic dehumanisation and draw from knowledge and understanding already present in our culture This is timely because the global crises we are facing are catastrophic especially when it comes to climate change Therefore we must respond from a place of love rather than fear Whether it is reducing the use of fossil fuels lowering greenhouse emission choosing the right food to eat or advocating for structural transformation our concerted endeavours start with an appropriate appreciation of the nature of our well being which includes the planet's well ness This book highlights a clear pathway forward to ensure collective healing and co flourishing with nature we must practise the art of loving Being and Logos John Sallis,2019-09-20 An exercise in the careful reading of the dialogues in their originary character Being and Logos is a philosophical adventure of rare inspiration Its power to illuminate the text its ecumenicity of inspiration its methodological rigor its originality and its philosophical profundity all together make it one of the few philosophical interpretations that the philosopher will want to re read along with the dialogues themselves A superadded gift is the author's prose which is a model of lucidity and grace International Philosophical Quarterly Being and Logos is highly recommended for those who wish to learn how a thoughtful scholar approaches Platonic dialogues as well as for those who wish to consider a serious discussion of some basic themes in the dialogues The Academic Reviewer **Love's Vision** Troy Jollimore,2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In Love's Vision Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love's moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato's Symposium love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love's blindness does not

undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love's Vision is an original examination of a subject of vital philosophical and human concern *Gethsemani Homilies* Matthew Kelty,2010-11-01 Matthew Kelty a native of Boston has been a monk of Gethsemani since 1960 Before that he served as an active priest in the Society of the Divine Word both in the States and in Papua New Guinea His previous books include *Flute Solo* Sheed Andrews McMeel Sermons in the Monastery *Call of the Wild Geese* and *Singing for the Kingdom* Cistercian Publications He was a novice of Thomas Merton who later chose him as his confessor After some years at Gethsemani he became a hermit for ten years in Papua New Guinea After returning to the monastery he became chaplain to the guests and retreatants to whom he gave a spiritual conference each evening after Compline *Gethsemani Homilies Revised and Enlarged Edition* was first published by the Franciscan Press in Quincy Illinois but after a short time the Press closed down and the manuscript was returned to Gethsemani The editor William O Paulsell has revised and enlarged the edition that we have here *Love Matters More* Jared Byas,2020-09-08 For years Christians have argued debated and fought one another while speaking the truth in love yet we are no closer to the grace filled life Jesus modeled Biblical scholar and popular podcast host of *The Bible for Normal People* Jared Byas casts a new vision for the Christian life that's built not on certainty but on the risk of love A biblically based Christian life is not grounded in having all the answers but in a living relationship This ultimately shifts our focus from collecting the right answers to loving others deeply and authentically With stories and insights drawn from his years as a pastor professor and podcast host Jared Byas calls us back to the heart of the Bible that truth is only true when it's lived out in love In a refreshing voice that's both witty and profoundly revelatory Jared unpacks the concept of truth its meaning and why we so often fight over it He makes a compelling case for how what we believe is less important than how we believe it and that more than anything else telling the truth in love is about following Jesus For anyone who has ever felt forced to choose between truth and love acceptance and rightness this book offers a path forward beyond truth wars and legalistic religion to a love that matters more *Raise A Glass Full Series box set: A Steamy Small-Town Romance Anthology* Mary E Thompson, Includes the entire *Raise A Glass* series in one full set Join these cousins as they build their futures learn what really matters and find love *Love The Wine* You're With Alyssa has one goal before she leaves for college lose her V card *Never A Bridesmaid Always A Bride* Alyssa is back fifteen years later with a broken heart Jake isn't interested but neither can resist the pull that brought them together the first time *Love At First Fight* Cody has always loved Andie but she only saw him as her brother's best friend Until he starts working on her house and sees there's so much more to him *Everything She Never Wanted* Cynthia left when they were young and took Henry's heart with her Now she's back just when he needs someone to lean on *Too True To Be Good* Zach was not looking for love until it showed up on his doorstep *Walk Of Fame* When Dillon's one night stand turns up at his house the next day he knows he can't let her go *Fake It Till You Break It*
