Love Of Days:

48 Days to the Work You Love Dan Miller, 2010 Practical instructions from leading vocational thinker Miller reveal how to approach work as more than just a paycheck but as part of the calling God has placed on each life *7 Days to Improve Relationships: A New Way to Love* Maria Jesus Marin Lopez, 2015-10-28 Enjoy this 7 day challenge to improve your relationships This is a very simple yet very effective guide to achieve happiness in the way you relate to others Every day for 7 days you ll be focusing on a specific topic then you just have to put it into practice You ll be amazed how easy it is for you to enjoy harmony in your every day Every one of us wants to have a happy harmonious long lasting relationship What prevents this are our unconscious patterns We act these out in our romantic relationships more so than in any other form From the beginning of our life the way we interact creates a set of limiting unconscious patterns and beliefs We can be trapped in unconscious patterns but what gives us our power is that when we come to full awareness then we don t need to react but can act from an empowered place We have the ability to choose and as a result of making these choices we create the life that we were born to live *33 Days to Merciful Love* Fr. Michael E. Gaitley, MIC, 2016-03-03 33 Days to Merciful Love is the stirring sequel to the international sensation 33 Days to Morning Glory Using the same 33 day preparation format 33 Days to Merciful Love journeys with one of the most beloved saints of modern times St Th r se of Lisieux and concludes with a consecration to Divine Mercy So whether you want to deepen your love of Divine Mercy or have a devotion to St Th r se 33 Days to Merciful Love is the book for you *Eventide; Or, The Love To-day & the Love for Aye* Mrs. Albyn Locke, 1871 *I LOVE GOD, NOW WHAT? Book I Days 1 - 91* Steve Haines, 2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5 7 about God s manifested love what it means to be Grafted In to God s family how to know

Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress
