Collier, Charles R. Strain, 2014-06-05 Religious and Ethical Perspectives on Global Migration examines the complicated social ethics of migration in today's world Editors Elizabeth W Collier and Charles R Strain bring the perspectives of an international group of scholars toward a theory of justice and ethical understanding for the nearly two

hundred million migrants who have left their homes seeking asylum from political persecution greater freedom and safety economic opportunity or reunion with family members Migrants move out of fear desperation hope love for their families or a myriad of other complex motivations Faced with both the needs and flows of people and the walls that impede them what actions ought we both individually and collectively take What is the moral responsibility of those of us in particular who reside comfortably in our native lands There is no univocal response to these questions Instead multiple perspectives on migration must be examined This book begins by looking at different geographic regions around the world and highlighting particular issues within each Finding that religious traditions represent the strongest countervailing sources of values to the homogenizing tendencies of economic globalization the study then offers a plurality of religious perspectives The final chapters examine the salient issues and the proposed solutions that have emerged specifically within the U S context These studies range from militarization of the U S border with Mexico to the impact of migrants on native born low skilled workers Encompassing a wide range of cultural and scholarly voices *Religious and Ethical Perspectives on Global Migration* provides insight for ethics moral philosophy social and political philosophy religious studies social justice globalization and identity formation Judaism, Antisemitism, and Holocaust David Patterson, 2022-03-31 David Patterson offers original insights into the dynamics that underlie the phenomenon of endemic antisemitism *Simplicity Love and Justice* James Odgers, 2004 Presents a discussion course on simpler living that is designed to work out the relationship between our faith and our lifestyle gain a biblical understanding of the issues involved in simplicity become more familiar with the social and global context within which we are living and develop community and support *Love Mercy* Lisa Samson, Ty Samson, 2010-02-09 In *Love Mercy A Mother and Daughter's Journey from the American Dream to the Kingdom of God* having lived a life of plenty in suburban America Lisa Samson and her eighteen year old daughter Ty thought they were traveling to Africa to minister to the people and chronicle the AIDS crisis devastating the continent Their trip they assumed would be missional merciful giving Instead they experienced a life changing soul rattling journey As mother and daughter are confronted with incidents of child prostitution preventable illness poverty oppression abuse and death so prevalent it leaves no time to mourn their journey takes a decidedly different tack *Love Mercy* confronts us directly with the AIDS crisis in Africa in particular Swaziland which has the highest AIDS rate in the world and where the average life expectancy is thirty two years of age Offering two unique perspectives Lisa and Ty share the questions they encountered on their journey and tell the stories of those they met along the way from the children themselves to adult AIDS victims to the compassionate mercy givers who seek every day to alleviate their suffering Smiles in a place of aching sadness Mercy in a place of heart wrenching poverty Two people transformed by God in ways and places they never expected discovering that even in a land riddled with heartache Christ's love and redemption are ablaze This *Love Mercy* Ebook download is designed to be read on a personal computer smart phone or other dedicated Ebook hardware device **The Bible's Top 50 Ideas** Rabbi Dov Peretz

Elkins, Abigail Treu, 2013-09-01 All the important moral ideas of the modern world are based on the key biblical verses analyzed in this collection What generally happens when someone picks up a copy of the Bible Often it is put down within seconds because readers see endless verses which turn them off Finally here is an accessible book about the Bible that focuses on its great moral principles Human beings are created in the image of God Love your neighbor as yourself You shall not stand idly by the blood of your neighbor You shall love the Lord your God with all your heart and with all your soul and with all your might Justice justice shall you pursue Dov Peretz Elkins believes that if a reader understands fifty verses of the five thousand in the Bible only 1 percent he or she will begin to grasp the essence of the Bible This remarkable explanation of the Bible shows readers how it can serve as a light that illuminates a path through the confusion and problems in their personal and communal lives The result is a life that is better and more serious a life with meaning purpose and direction The Bible s Top 50 Ideas Presents the Bible s essential ideas in readable engaging fashion Focuses on the contemporary value of the Bible Uses commentaries and explanations from sources that are modern as well as ancient Christian as well as Jewish and popular as well as scholarly Elkins not only simplifies the Bible but also demonstrates how its fundamental ideas and concepts have inspired four thousand years of civilization to follow its teachings The result is a moral legal and literary foundation that remains the basis of all democratic and principled societies to this day **Study and Revise for**

that signifies a break with former sureties and invites us to forge new meanings from the most ancient of wisdoms. Anatheism refers to an inaugural event that lies at the heart of every great religion: a wager between hospitality and hostility to the stranger, the other, the sense of something more. By analyzing the roots of our own anatheistic moment, Kearney shows not only how a return to God is possible for those who seek it but also how a more liberating faith can be born. Kearney begins by locating a turn toward sacred secularity in contemporary philosophy focusing on Maurice Merleau-Ponty and Paul Ricoeur. He then marks epiphanies in the modernist masterpieces of James Joyce, Marcel Proust, and Virginia Woolf. Kearney concludes with a discussion of the role of theism and atheism in conflict and peace, confronting the distinction between sacramental and sacrificial belief or the God who gives life and the God who takes it away. Accepting that we can never be sure about God, he argues, is the only way to rediscover a hidden holiness in life and to reclaim an everyday divinity. **Love Makes Things**

Happen Jarred Mercer, Jennifer Strawbridge, Peter Groves, 2022-11-30. We cannot truly participate in prayer or worship or the sacraments or the reading of Scripture and so on in a way that is divorced from the doctrine of the Trinity or the Incarnation or the Resurrection. Following on from its predecessor *Love Makes No Sense*, each chapter in this book deals with central issues of Christian practice and presents an introduction to Christian doctrine without losing focus of the lived Christian life. The book sets forth central aspects of Christian living and practice that are the natural expression of those doctrines when they are understood properly as a lived phenomenon. **Love in the Hebrew Bible** Song-Mi Suzie Park, 2023-05-30. Christians insist that love stands at the heart of who God is. Yet when we talk about love in the Hebrew Bible, how much do we really know? Possessing such a belief alone does not mean that we possess a clear understanding of what love is. Are we aware of how often divine and human love are tied up with the idea of preference for one individual or group over another? Do we know how often descriptions of love involve questions of power, authority, and gender? Do we see that love is connected to suffering, betrayal, and sometimes death in the Hebrew Scriptures? In *Love in the Hebrew Bible*, one of the first book-length studies of its kind, Suzie Park provides fascinating and essential insights into these questions, refreshing our understanding of the meaning of love in the Hebrew Bible. Pushing against characterizations of the loving God of the New Testament narrative universe versus the wrathful God of the Old Testament, Park shows that love is integral to the ways in which relationships both among people and also between humanity and God are imagined in the Hebrew text. Reflecting matrices of meaning and associations, love thus is a vital component of the ideology and theology of the Hebrew Scriptures, and an understanding of it remains fundamental to our knowledge of the biblical text. **An Altar in the World** Barbara Brown Taylor, 2017-03-31. In this

highly acclaimed and lyrical modern classic, bestselling author Barbara Brown Taylor reveals the countless ways we can discover divine depths in the small things we do and see every day. While people will often go to extraordinary lengths in search of a spiritual experience, she shows that the stuff of our everyday lives is a holy ground where we can encounter God at every turn. For her, as for Jacob in the Genesis story, even barren, empty deserts can become the house of God and the gate

of heaven places where a ladder of angels connects heaven to earth and earth to heaven An Altar in the World reveals concrete ways to discover the sacred in such ordinary occurrences as hanging out the washing doing the supermarket shop feeding an animal or losing our way It will transform our understanding of ourselves and the world we live in and renew our sense of wonder at the extraordinary gift of life *Unscheduled Grace* Katherine Fick,Matthew J. Marohl,2023-08-15 This collection of devotions and prayers accompanies college students through the many changes challenges and joys of college living **Following Wisdom, Leading Wisely** Jeff Roper,2024-02-21 If it is true that everything rises and falls on leadership we have a problem A recent international survey revealed that 86 percent of respondents believe we are facing a global leadership crisis The study encompassed leadership in business government the non profit sector and religion Non profit and business leaders ranked highest in terms of public confidence Government leaders ranked very low The only leaders to rank lower than government leaders were religious leaders This leadership crisis is not driven by an absence of leaders Leaders are everywhere yet we still have a leadership crisis Nor is this crisis caused by a lack of leadership training Who can keep up with the books seminars and training programs offering the latest trends and best thinking on leadership And yet we still have a leadership crisis While the world is looking for better leadership methods God is looking for better leaders leaders shaped by wisdom What use after all is getting things done or even servant leadership without wisdom In Proverbs we discover an ancient training regimen for leaders guiding them in the cultivation of virtuous character Following Wisdom Leading Wisely is an invitation to rediscover this ancient wisdom for today s leaders *Love in the Religions of the World* Paul Caringella,Gregory Kaplan,2011-11-15 The study of comparative religion is no longer a matter merely for those interested in religion it is a matter of concern for everybody For irrespective of whether one believes in God religion is a major characteristic of identity And in the post 9 11 world every educated person is aware of how important it is to understand what others believe This collection of essays by international scholars emerged from an intense and powerful dialogue at the University of Hong Kong about love in the major religions of the world Eschewing the comforting but ultimately erroneous and dangerous idea that all religions believe more or less the same thing each essay examines the role and nature of love in a major religion of the world It is an invaluable guide for students teachers and the general reader wanting to cut through the morass of doctrinal differences and emphases in the world s religions It also makes an important contribution to the urgent issue of dialogue amongst faiths and cultures Triialogue and Terror Alan L. Berger,2012-11-02 This volume addresses the promise and peril of post 9 11 interfaith trialogue In fifteen clearly written and insightful essays distinguished scholars of different faiths and divergent world views guide readers toward an informed understanding of the role of religion and the basic teachings of Judaism Christianity and Islam in the aftermath of the September 11 terror attacks on the United States Acknowledging commonalities these essays also shed light on the essential differences among the teachings of the Abrahamic traditions and raise pivotal questions regarding humanity s future What prompted the carnage

What has changed since then What remains to be achieved Dispelling ignorance about the religious other is a necessary but only a first step toward achieving a durable and effective dialogue In an increasingly perilous and interconnected world where the effects of globalization are yet to be fully recognized interfaith dialogue holds out the hope of genuine movement toward a more peaceful coexistence

The Rational Bible: Deuteronomy Dennis Prager, 2022-10-11 Is the Bible the most influential book in world history still relevant Why do people dismiss it as being irrelevant irrational immoral or all of these things This explanation of the Book of Deuteronomy the fifth book of the Bible will demonstrate how it remains profoundly relevant both to the great issues of our day and to each individual life Do you doubt the existence of God because you think believing in God is irrational This book will cause you to reexamine your doubts The title of this commentary is The Rational Bible because its approach is entirely reason based The reader is never asked to accept anything on faith alone In Dennis Prager's words If something I write is not rational I have not done my job The Rational Bible is the fruit of Prager's forty years of teaching to people of every faith and no faith at all On virtually every page you will discover how the text relates to the contemporary world in general and to you on a personal level His goal to change your mind and as a result to change your life

Jewish Liturgical Reasoning Steven Kepnes, 2007-11 Jewish Liturgical Reasoning is an articulation of the philosophical ethical and theological reasoning of synagogue liturgies The book uses insights from modern Jewish philosophy together with contemporary hermeneutics semiotics and postliberal theology to develop new terms of discourse and a new sensibility for Jewish philosophy in the twenty first century
