

## **! Love's Perfection**

**Oh I am so fortunate.  
In the past and in the present.**

**We fell in love, and loved  
and it was total  
and unexpected  
and revelatory  
and unique, of course  
and consuming  
and falling in love with the whole world too  
and with life itself  
and a compass  
and the possibility of a map  
and lacked nothing**

**and was everything.**

**And it was so perfect  
that now  
when I see your double around the town  
who looks just like you  
and was you**

**there is no need for nostalgia  
or regrets  
or how-it-might-have-been-if  
or even self-congratulation  
because it was so complete  
and completed.**

**I am so fortunate.  
I would like to think  
(for we talk, easily, but never of the past)  
that it is the same for you**

**for that way, completeness is doubled  
and something, perhaps  
given to the world.**

**We are so fortunate.**

*St. Teresa of Avila The Way of Perfection: Study Edition* St. Teresa of Avila, 2013-09-19 A Study Edition with Introduction Commentary Discussion Questions Glossary and a fully linked Index St Teresa of Avila is an unsurpassed teacher of Christian prayer and spirituality and in *The Way of Perfection* she is at her best Now with the help of this study edition everyone can enjoy the benefits of her wisdom In *The Way of Perfection* St Teresa gives practical counsels and advice on prayer destined originally for the few nuns who embraced the reformed Carmelite life she established As a handbook for spiritual formation it presented them with the basic Christian spirituality undergirding their Constitutions and Rule Over the centuries the book s appeal has reached far beyond the walls of Carmelite monasteries and *The Way of Perfection* has become a spiritual classic More and more today Teresa s instructions speak to all those interested in prayer providing them with basic guidelines for praying and showing how to avoid potential pitfalls But as the readership and interest grow so does the need for some help in working with this sixteenth century text The principles and teachings in Teresa s book first presented within the limited horizons of her own situation clearly lend themselves to broader applications and can work well in all walks of life This study edition with its introduction commentary notes discussion questions glossary and a fully linked Index provides what is needed to assist contemporary readers in making these applications and delving more deeply into the text s spiritual riches [The Way of Perfection](#) St. Teresa of Avila, E. Allison Peers, 2012-01-17 St Teresa of Avila was a prominent 16th century Spanish mystic and Carmelite nun This is her great work on the practice of prayer consisting of detailed directions on the achievement of spiritual perfection It has long been considered a classic of the interior life and Christian mysticism and modern readers will appreciate its warmth and accessibility *The Perfect Law of Love* L. Lynn Derrick, 2018-11-21 This is not for the faint of heart nor for Christians who want to be entertained This is for hungry Bible students seeking vast deep answers to a vast deep subject the all important subject of Love This book could and should be the standalone text for an 8 credit hour college course mandatory for every accredited Bible student And it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level Jesse Steele Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and to better know your Creator It is intended to help clarify some lingering misunderstandings that trace back far into biblical history The book deals with the righteousness and holiness of God as seen in His laws but from a New Covenant perspective love Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God the book focuses on love as love is the focus of both the Law of God and the Law of Moses Rom 13 8 It s all about loving God with all your heart and loving your neighbor as yourself even loving your enemy With man this is impossible but with God all things are possible These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today With a clearer view of this line in the Bible it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord Seek first his kingdom and

its righteousness and all these things will be added unto you The book also covers emerging research regarding the 364 day calendar of the books of 1st Enoch and Jubilees and how to manage it in a 365 day context I think you will enjoy studying this with us Think about it your Creator wants to have dates with you on the dates that his feasts have been observed in the heavens since creation As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through which I document in the appendix Several in our extended family have also been warned and encouraged in dreams The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom But it all begins with desperate searching in his Word Keep asking and you will receive Keep seeking and you will find Keep knocking and it will be opened to you Homiletic and Catechetic Studies Albert Meyenberg,1912 *A book in answers* Th. to pen this comprehensive treatise not only to clarify theological concepts but also to engage with the challenges posed by contemporary philosophical inquiries His scholarly background and extensive engagement with scripture shape the rich theological insights presented in the *Summa Theologiae* is an essential read for anyone interested in the foundations of Christian theology and philosophy Its thorough exploration of moral and divine principles provides invaluable insights for theological students philosophers and anyone seeking to deepen their understanding of the intersection between faith and reason

**On Love and Charity** Saint Thomas Aquinas, 2008-07 Among the great works of Thomas Aquinas the *Commentary on the Sentences of Peter Lombard* has suffered almost total neglect among translators Such neglect is surprising considering that the massive *Commentary* more than 4 000 pages in the last printed edition is not only Aquinas's first systematic engagement with all the philosophical and theological topics on which he expended his energy over the span of a short career but is also characterized by an exuberance and elaborateness seldom found in his subsequent writings Although Chenu had already drawn attention decades ago to the importance of studying this youthful tour de force for a fuller understanding of Thomas's more mature work the *Commentary on the Sentences* has remained a closed book for many modern students of Thomistic and medieval thought because of its relative inaccessibility in English or in Latin The present volume containing all the major texts on love and charity makes available what is by far the most extensive translation ever to be made from the *Commentary* with the added benefit that the better part of the translation is based on the as yet unpublished critical edition of the Leonine Commission The collection of texts from all four books has a tight thematic coherence that makes it invaluable to students of Thomas's moral philosophy moral theology and philosophical theology In addition the inclusion of parallel texts from Aquinas's first Parisian *Commentary* as well as from his second Roman attempt at a *commentary* the recently rediscovered *Lectura Romana* makes this edition all the more valuable for those who wish to track the internal development of Thomas's thinking on these matters The new availability of so many rich passages from the *Commentary on the Sentences* will encourage and facilitate use of a magnificent resource that deserves to be better known The printed volume is supplemented by a web-based document containing a fuller introduction webnotes and a bibliography To reach this supplementary information [click here](#)

**PRAISE FOR THE BOOK** The present volume contains by far the most extensive English translation from the *Scriptum* to date The translators of *On Love and Charity* have aimed to give a translation which is neither too literal nor too liberal trying to find the golden mean between an unintelligibly Latinised or an enjoyable but unfaithful English version This impressive volume will be of a great help for those wishing to study Aquinas and
