Governess Ruth Brandon,2011-02-01 Between the 1780s and the end of the nineteenth century an army of sad women took up residence in other people's homes part and yet not part of the family not servants yet not equals To become a governess observed Jane Austen in Emma was to retire from all the pleasures of life of rational intercourse equal society peace and hope to penance and mortification for ever However in an ironic paradox the governess so marginal to her society was central to its fiction partly because governessing was the fate of some exceptionally talented women who later wrote novels based on their experiences But personal experience was only one source and writers like Wilkie Collins William Makepeace Thackeray Henry James and Jane Austen all recognized that the governess's solitary figure adrift in the world offered more novelistic scope than did the constrained and respectable wife Ruth Brandon weaves literary and social history with details from the lives of actual governesses drawn from their letters and journals to craft a rare portrait of real women whose lives were in stark contrast to the romantic tales of their fictional counterparts Governess will resonate with the many fans of Jane Austen and the Brontës whose novels continue to inspire films and books as well as fans of The Nanny Diaries and other books that explore the longstanding tension between mothers and the women they hire to raise their children

Encyclopedia of Life Writing Margaretta

Jolly,2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important auto biographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms

The History of British Women's Writing, 1830-1880 Lucy

Hartley,2018-09-22 This volume charts the rise of professional women writers across diverse fields of intellectual enquiry and through different modes of writing in the period immediately before and during the reign of Queen Victoria It demonstrates how between 1830 and 1880 the woman writer became an agent of cultural formation and contestation appealing to and enabling the growth of female readership while issuing a challenge to the authority of male writers and critics Of especial importance were changing definitions of marriage family and nation of class and of morality as well as new conceptions of sexuality and gender and of sympathy and sensation The result is a richly textured account of a radical and complex process

of feminization whereby formal innovations in the different modes of writing by women became central to the aesthetic social and political formation of British culture and society in the nineteenth century

Settlement Ann Birch, 2010-09-01 The untold story of scandal and political intrigue in early Toronto Anna Jameson arrives in the tiny settlement of Toronto in November 1836 She has come at the request of her estranged husband but she intends to gather material for a new book which will eventually be published in England years later At first Anna finds herself in an alien world She has little in common with Toronto women whose interests centre on gossip and their families but as she begins to move into adventures like sleigh riding and helping to fight a major fire she enters a new life And she also meets man about town Sam Jarvis But Jarvis has a loving wife a pile of debts and a violent past The story is told from both their points of view She travels alone into the wilderness becomes the first white woman to descend the Sault rapids in a canoe and discovers the joy of freedom On Manitoulin Island she and Sam Jarvis meet again During a long canoe trip down Lake Huron they wrestle with the conflicts in their relationship and arrive at a settlement

Maps of Difference Wendy Roy, 2005-05-12 Roy considers the connections Jameson makes between feminism and anti racism in *Winter Studies and Summer Rambles in Canada* 1838 Hubbard's insights in *A Woman's Way Through Unknown Labrador* 1908 into her relationship with First Nations men who had both more and less power than she and Laurence's awareness of colonial and patriarchal oppression in her African memoir *The Prophet's Camel Bell* 1963 Roy also examines archival and First Nations accounts of these women's travels and the sketches photos and maps that accompany their writing to examine contradictions in and question the implied objectivity of travel narratives She concludes by looking at the myth of getting there first and the ways in which new technologies of representation including cameras allow travellers and writers to claim new travel firsts

A Historical Dictionary of British Women Cathy Hartley, 2013-04-15 This reference book containing the biographies of more than 1 100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2 000 years of British life Most of the lives included are those of women whose work took them in some way before the public and who therefore played a direct and important role in broadening the horizons of women Also included are women who influenced events in a more indirect way the wives of kings and politicians mistresses ladies in waiting and society hostesses Originally published as *The Europa Biographical Dictionary of British Women* this newly reworked edition includes key figures who have died in the last 20 years such as The Queen Mother Baroness Ryder of Warsaw Elizabeth Jennings and Christina Foyle

The Artistry of Exile Jane Stabler, 2013-10 The Artistry of Exile is a new study of one of the most important myths of nineteenth century literature Romantic poetry abounds with allusions to the loss of Eden and the isolation of figures who are sick for home This book explores the way such thematic preoccupations are modified by the material reality of enforced travel away from home

Victorian Shakespeare Gail Marshall, Adrian Poole, 2003-10-09 What did the Victorians think of Shakespeare The twelve essays gathered here offer some answers through close examination of works by leading nineteenth

century novelists poets and critics including Dickens Trollope Eliot Tennyson Browning and Ruskin Shakespeare provided the Victorians with ways of thinking about the authority of the past about the emergence of a new mass culture about the relations between artistic and industrial production about the nature of creativity about racial and sexual difference and about individual and national identity
