The God of your past Trevor Botha, As adults we often get confronted with our own brokenness and how that affects us as we do life in our communities and with the people around us At times our own self awareness will tell us something is off but for the most part the health of our relationships will be a strong indicator that we might have unresolved brokenness As adults we are expected to take responsibility for fixing what is wrong The world expects this of us But what if we don t understand what is wrong or broken This book is an attempt to empower you with language for the difficulties you might be experiencing and guide you to determine its origin With understanding we can create clarity around what we struggle with and so approach God and receive healing In this book you will be challenged to start understanding where you come from When we are honest and specific about our childhood our parental relationships and family dynamics a lot about who we are today will start to become clear And when you can put language to the pain and pinpoint where the shame lies you will be able to effectively move towards healing and restoration Whether your childhood was filled with trauma or void of the love you know you should have received this book will help you pinpoint the origin of your current difficulties and take you on a journey of healing God loved you then and He loves you now Read it prayerfully Read it together with close friends who can pray with you Read it with hope

The Line Al Lampell,2018-05-16 Al Lampells marriage of twenty five years was coming apart when a book practically fell into his hands that changed everything Love Is Letting Go of Fear written by Gerald Jampolsky soon became his constant companion and life preserver helping him where conventional therapy and guidance had failed It also led him to become a teacher of A Course in Miracles In this guide he shares some of the powerful lessons hes learned that have helped him find peace love and bliss One of the keys to changing your life he says is changing your thoughts your habits For example if you want to stop smoking cigarettes it is simplejust dont put a cigarette in your mouth It is simple but not easy because you have to create a nonsmoking habityou have to reprogram yourself He also highlights the critical importance of awareness willingness and vigilance as the method to use to develop new habits or replace habits you wish to change Stop being a willing victim practice conscious communication and take the simple steps you need to make your dreams a reality with the lessons in The Line What I learned in Als class over twenty years ago has become part of my unconscious thinking process I

am so grateful for him and what he taught me Irena Hefner

Lambert, 2018-04-18 This book is about friendship with the Holy Spirit submission to the Lord Jesus Christ and principles that will produce fruit in a believers life It is about faith principles and the outworking of practical theology in the life of a believer Read about modern day revival on a individual and world wide scale It is written with a view to empower the individual and the local church to fulfill the great commission The author doesnt shrink away from discussing issues that often prove divisive to many Christians but prefers to face them head on offering practical solutions How To Do Life Giorgio Genaus, 2021-08-28 It s said that life is about the journey and not the destination but one of the hardest things in life can be working out how to navigate where you are in the journey How To Do Life by Giorgio Genaus is your compass Unlike other self help books or motivational books this book won t specifically tell you which way to go or what direction you should face but it will give you the fundamentals to understand which way you are facing and how you got there Throughout Giorgio s life he has borrowed many compasses from people in his life to help him find the way Now he s sharing their insights wisdom and knowledge so you can find your way This mindset book is your compass to help you navigate life whenever you re stuck No matter where you are How To Do Life consists of five parts your world your mind your body your relationships and your calling Here are some chapter highlights How to rewrite the beliefs that hold you back How to develop self awareness and make fear your friend How to set boundaries without feeling guilt How to find meaning in the mundane And more The truth is that life is filled with roadblocks obstacles and confusion How To Do Life is an honest and transparent look into the necessary steps to navigate these roadblocks and the tools needed to rebuild your self belief and self confidence so you can

cut through the noise **Getting the Monkey Off Your Back** J. Emil Terry, 2012-03 This book was written for the sole purpose of setting people free from addictive behavior. If a person struggles with an addiction to alcohol, drugs, over eating, pornography, or sex gambling, or any other type of addiction, this book gives clear direction for recovery. It clearly explains and challenges the various approaches to recovery; moreover, it gives the reader step by step guidance in experiencing a recreation of their lifestyle, establishing power, manageability, and stability. There are many self help books produced and published for the purpose of helping people overcome addiction, but not until now has anyone published a book that challenges the disciplines of the behavioral sciences, the twelve step process, psychology, psychiatry, and the biblical based approach. The questions are being answered as to whether these approaches really work, and then the process for recovery is given in a simple format. If you don't need this book, buy it for someone who does.
