Love Of Gods:

Treatise on the Love of God St. Francis de Sales, 2013-08-20 Treatise on the Love of God is a manual intended to help believers strengthen their devotion to God De Sales describes his project by saying it is truly my intention to represent simply and na vely without art still more without false colours the history of the birth progress decay operations properties advantages and excellences of divine love The Treatise is divided into twelve books The first four books explain the nature of the human soul and provide the history of divine love Book Five explores the two principle exercises of love namely sacred complacency and benevolence Books Six and Seven discuss the importance of practicing love through prayer while Books Eight and Nine express the importance of submitting to God s will The final three books are devoted to exploring the practical importance of God s holy love in our lives De Sales Treatise is a captivating depiction of love The Great Love of God Heath Lambert, 2023-04-04 In this grave hour we long to experience the embrace of infinite love from our Father in heaven The importance of this great need is owing to an avalanche of problems that are now confronting us We are hateful lonely hurting scared and confused The cruelty in our culture has reached a state of emergency Our generation has experienced the painful revelations of widespread abuse in leadership At every turn we have come up short No matter what we do the trouble persists and the fear remains More connected than ever but more divided we cannot help but see a longing in ourselves and our neighbors for relationship shared truth and clarity of purpose In the face of animosity failure isolation and betrayal is a love that speaks to our greatest longings and heaviest needs but have we taken God s love for granted Now more than ever and more than anything people need to find their way into the compassionate embrace of their Father in heaven The Great Love of God provides an accessible passionate exploration of how the divine love casts out fear provides ultimate hope and never fails *For the Love of God and People* Elliot N. Dorff, 2007-11-01 Every generation of Jews in every denomination of Judaism finds itself facing complex legal questions The status of same sex unions and the plight of the agunah a woman who cannot obtain a divorce are just two of a myriad of thorny questions Jewish legal experts grapple with today These are not esoteric problems but issues with a profound impact on the daily happiness of countless people How do the rabbis who draft responses to these questions reach their conclusions What informs their decisions and their approach to Jewish law Acclaimed writer and legal expert Elliot Dorff addresses these and other questions in this intelligent accessible guide to the philosophy behind Jewish law In his view Jewish law is an expression of the love we have for God and for our fellow human beings This theme permeates his discussion of important aspects of the law For example what motivates modern Jews to follow Jewish law How does Jewish law strike the balance between continuity and change On what grounds and under what circumstances do human beings have the authority to interpret or even change God s laws Dorff also offers a systematic comparison of Jewish law and U S law based on his course on this subject at UCLA School of Law Whether you are a lawyer or simply interested in the philosophy behind recent rabbinic decisions this is a book that will deepen your

understanding of the Jewish legal system and its role in the modern world **Love Gods Magic** R. Frank Davis,2024-10-29

Book I Days 1 - 91* Steve Haines,2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5 7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its

ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress
