What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it **This Is Your Brain in Love** Earl Henslin, 2010-01-11 Make your marriage the best it can be by learning the secrets of proactive passion Using the latest in brain research This Is Your Brain in Love helps couples become Master Level Lovers by encouraging each mate to bring their healthiest most balanced and joyful self to their marriage Dr Henslin speaks to the vital connection between spirituality and sexuality He identifies the five types of lovers with ground breaking insights and effective solutions for the challenges presented by each Scattered Lover Over focused Lover Blue Mood Lover Agitated Lover Anxious Lover Filled with relatable stories and humor this is not your boring brain book Engaging and practical Dr Henslin provides an amazingly accurate scientifically based brain test to help spot typical brain imbalances And yes most everyone has at least one Bonus material offers brain researched strategies and new hope for women dealing with hormones and men struggling with sexual addictions **The Steadfast Love of the Lord** Sam Storms, 2025-01-14 A Clear Biblical Picture of God's Unconditional Love for His Children Many believers know that God is love But whether through cultural lies false beliefs or years of mulling over the tragedies of the world it may be difficult to see the true steadfast and unchanging love of the Father Thankfully the Bible offers a clear picture of what God's love looks like and how through the ministry of the Holy Spirit believers experience his affection for themselves Taking an accessible approach to biblical theology author Sam Storms explores Scripture to address what God's love is and what it isn't Drawing insights from the Psalms and the life of Jesus Storms covers God's sovereignty and the saving power longevity and sin killing nature of his love The Steadfast Love of the Lord breaks down obstacles that prevent believers from accepting biblical truths and challenges the cultural lies that hinder them from accepting God's vast and unfathomable love Accessible An introductory approach to biblical theology this book is perfect for laypeople and thoughtful Christians Practical Not only helps believers study the nature of God but helps them experience his affection for themselves Honest From a biblical perspective this book addresses the cultural lies of our
