Lovelives How We Make Love:

Lovelives Samuel Dunkell, 1978 **Love Lives** Carol Dyhouse, 2021-02-11 The story of how women's lives, loves and dreams have been reshaped since 1950 the year of Walt Disney's Cinderella and a time when teenage girls dreamed of marriage Mr Right and happy endings Cinderella stories captured the imagination of girls in the 1950s when dreams of meeting the right man could seem like a happy ending a solution to life's problems But over the next fifty years women's lives were transformed not by the magic wand of a fairy godmother nor by marrying princes but by education work birth control and feminism However while widening opportunities for women were seen as progress feminists were regularly caricatured as man haters cast in the role of ugly sisters witches or wicked fairies in the fairy tale This book is about the reshaping of women's lives, loves and dreams since 1950 the year in which Walt Disney's film Cinderella gave expression to popular ideas of romance and at a time when marriage was a major determinant of female life chances and teenage girls dreamed of Mr Right and happy endings It ends with the runaway success of Disney's Frozen in 2013 a film with relevance to very different times Along the way it illuminates how women's expectations and emotional landscapes have shifted asking bold questions about how women's lives have been transformed since 1950 How have women's changing life experiences been mirrored in new expectations about marriage intimacy and family life How have new forms of independence through education and work and greater control over childbearing altered women's life ambitions And were feminists right to believe that sexual equality would improve relationships between men and women Love Lives: a guide to successful relationship through communication, spirituality, and empathy. The Love Lives of the Artists Daniel Bullen, 2013-02-12

As the oldest of institutions marriage seems outdated in modern times when each individual is encouraged to break with tradition in order to fulfill him or herself And so artists like Diego Rivera and Frida Kahlo seem to be paving the way toward a brave new kind of marriage where spouses would be allowed even encouraged to fulfill different aspects of themselves in outside relationships Shared creativity they believed would transcend their jealousies and compensate their sufferings through art they would rise above conventional marital fidelity and prove a higher fidelity to art and to themselves The Love

Lives of the Artists tells the stories of Rainer Maria Rilke and Lou Andreas Salom Alfred Stieglitz and Georgia O Keeffe Jean Paul Sartre and Simone de Beauvoir Diego and Frida and Henry Miller and Ana s Nin five couples who approached their relationships with the same rebellious creativity as they practiced in their art From their early artistic development and their first experiences in love to their artistic marriages and their affairs and then to their fights and reconciliations addictions nervous breakdowns and continued creativity The Love Lives of the Artists describes the promise and the price of freedom and creativity in love
