Belliotti,2012 This book is an interdisciplinary work that weaves literary interpretation legal theory and philosophical doctrine about sex and love into a coherent mosaic in the context of two of Shakespeare s plays *The Merchant of Venice* and *Measure for Measure* In the process the work advances literary interpretations of the plays including character studies of some of the main protagonists The aim is partly theoretical but mostly practical to demonstrate what we can learn about living a robustly meaningful and significant human life by taking Shakespeare s work seriously from contemporary philosophical and legal vantage points Shakespeare does not reveal a tightly defined moral system that he is trying to urge upon his audience Instead Shakespeare challenges his audience to struggle with moral complexity as they confront

conflicting elements surrounding legal and moral issues presented in his work and within the souls of his characters His issues and their conflicts are also ours Much of Shakespeare s work consists of raising weighty questions inextricably connected to the human condition and inviting his audience to ponder possible answers The philosophical lessons about living our lives meaningfully and significantly that we can derive from Shakespeare are simple yet powerful **LOVE BECKONS** Gayle DeGuzman,2022-11-22 Carla Watson was devotedly in love with Brian but his cousin Kevin was smitten with her and wanted to marry her Brian and Carla were both chasing their dreams love had to be set aside A freak accident trapped her with Jake an engineer in an elevator in the basement for 18 hours Jake proposed marriage even without love to avoid a scandal She agreed to live with him lost her freedom and was too scared of his strict standards Could she survive under his watchful uncompromising ways Would she regret her choice Would love find its way to their hearts Compounding the problems Kevin came back from a covert mission to claim her promise Secrets kept were threatened to get exposed What could life become when three wonderful people were vying for Carla s love who were closely and emotionally tangled together in love and work Would her choice be the right one Hope and faith rewarded her heart the love and trust of her choice when love beckons it endures A Mirror for Lovers William F.
