Wisdom for the Soul Larry Chang, 2006 Five Millennia of Prescriptions for Spiritual Healing **Feminist Bookstore News**, 1997 , *The Truth Within the Silence* Merrylyn Anita Gabriel-Candelario, 2016-03-31 Within the self dwells a vast congruence of structure energy and celestial matter that propels outward and stretches into the cosmos Nature and the totality of its principles transcend time space and dimensional capacity The infinite unity that governs all creation manifests itself through the cycle of life The Truth within the Silence is a series of poems that reaffirm the vitality of cosmic interconnectedness which ebbs and flows throughout memory movement and perpetual moments of the universe Tranquility can be attained through silence which yields not emptiness but space The very space that represents matter both tangible and intangible becomes a conduit through which energy travels The author draws us in with a rhythmic exchange of poetic affirmations that awaken the macrocosmic energy within the silence Love is the message delivered and each written word reminds us that the infinite consciousness offers continual balance Once awakened to our magnificence the clouds of doubt are erased and the ultimate truth shines through *LOVE IS LEAVING A LEGACY* NILDA STAR, 2012-07-31 Dear Reader This is a book about awakening to LOVE in the big sense and its many expressions in our world Passion sensuality mysticism cynicism ecstasy and agony are all feeling that the soul experiences on its journey to the place that we call LOVE LOVE sometimes is sometimes pure and simple and other times complex and overwhelming is the catalyst of life LOVE in the big sense can give rise to a multitude of experiences for one seeker even in one lifetime The acts of giving receiving waiting longing and returning are all expressions of this LOVE that we so long for And the experience of giver and receiver are all important characters that the soul plays as the eternal Lover itself This book explores the dance of LOVE as it is choreographed within the dream world of the soul Awakening to LOVE as it expresses in our lives sometimes drives us to the edge of CHAOS only to return us to the center of tranquility There where the final realization of LOVE leaves us swimming in a beautiful of ocean of captivating bliss This book is not only about the journey of LOVE but also leads one to question in the end or perhaps in the beginning to the question What is LOVE **Directory of American Poetry Books**, 2000 [Intimate Look Into the Soul of a Woman](#) Yvonne Bowers, 2012-07-03 This book is a journey in the form poetry of a woman s trials and tribulation she faces from childhood to adulthood **Sree Krishna, the Lord of Love** Bábá Premánand Bhárati, 1904 *Womanchrist* Christin Lore Weber, 1987 Using her personal experiences the author seeks to help women find a Christian spirituality that takes their womanhood into account Back cover **The Most Influential Women in History: Over 100 Memoirs & Biographies** Elizabeth Cady Stanton, Catherine H. Circles Perry Brass, Like any classic this powerful moving and often even funny story of the Same Sex men of the planet Ki becomes more relevant with time Right wing politicians up to their same old tricks people excluded from the American dream guns going off at the wrong time also flying blue monkeys and good witches Perry Brass has re envisioned Oz as a far off mythical planet where queer men marry and raise families wage bloodthirsty wars and partake whenever they can in the love of angels Welcome to Ki a beautiful distant tribal planet where the boy Enkidu had been promised to Greeland an older hunter in the spirit of the Agreement which centuries ahead of gay marriage on Earth bonded pairs of Same Sex men for life To control the often violent population of tiny Ki its inhabitants were divided into three interlinking groups The nature centered Same Sex men of the swamp forests the warlike Off Sexers of the dry plains with their obedient wives and daughters and the Sisters of Ki renegade women who controlled the planet through the powerful temple of the Goddess Ki Herself The Same Sex men of Ki are endowed with a special third testicle called the Egg of the Eye The third Egg produces its own sperm or seed Exchanging seed from the third Egg is at the heart of Same Sex bonding Seed produces intense mystical visions and can travel through space on its own and replicate itself therefore providing certain Same Sex men from Ki the abilities for space and time travel To replicate themselves a pair of Same Sexers is allowed to impregnate an Off Sex woman with their combined seed This is controlled by the Sisters of Ki who limit the number of Same Sex men on their small planet and even pick the woman bringing her into their Temple for the rite of impregnation since the male couple is not allowed to know her A year after giving birth the woman must surrender her son to the Sisters who will deliver him to the male couple who fathered him Same Sex offspring are always male since one man s sperm produces the third Egg itself the other s the dominant physical characteristics of the boy child The child has to be given up as the woman s husband usually an Off Sex warrior is permitted by the Agreement of the Planet to kill the boy if he remains in his house longer than one year In the midst of Enkidu and

Greeland's first sexual encounter in the beautiful forests of Ki a young Off Sex warrior surprised them threatening to kill Greeland and take Enkidu a prisoner Instead the very strong Greeland killed the warrior and was charged by some accounts unjustly with his murder Later it is learned that Ert this handsome but headstrong warrior was the son of Ertan chief of the Off Sexers whose wife Candra it is also revealed was actually Enkidu's mother As punishment for Greeland's crime the Sisters of Ki declared that Enkidu must be taken from Greeland stripped of his Egg and be made to live with the Off Sexers as their servant To escape this punishment Woosh a wizard from the mysterious enclave of the Blue Monkeys sent Greeland and Enkidu to Earth using his magic and the powers of their third Eggs On Earth Greeland and Enkidu took over the identities and bodies of two men Cold handsome Wright and his sensitive lover Allan The two men were charged with the mission to send back to Ki an Earth same sex man to take Enkidu's place with the Off Sexers who have never seen him Greeland as Wright succeeded in sending back his friend George Marshall who lusted for Wright but truly loved Allan On Ki George hulking hairy a man few would find conventionally attractive gave himself the mysterious name Enhursag Lord of the Mountain dating back to the strange ancient Sumerian heritage of Kivian Same Sexers This connection with another planet's past lost in the mists of time was finally revealed on Earth to Wright and Allan On Earth as Wright Greeland cast off his natural Same Sex shyness and taking on an Earthly personality became manipulative sexually aggressive hungry for power and ruthless On returning to the shimmering forests of Ki Greeland brought back his egotistical needs to the Same Sex enclaves from which he came believing that only he could control the destiny of his beautiful fragile planet Circles is the next book in the chronicle of Ki a place where the need for balance controls all where individuals are at the beck of the Agreement and where Same Sex love is part of a culture powerful and eternal The book has an amazing appeal in this age of a divided America of a Donald Trump lusting for power in the midst of lies and of gay men trying once more to define their position on Earth

The Lover of My Soul Perry Brass, 1998 In *The Lover of My Soul* Perry Brass offers us a biography of himself as well as a spiritual journey of nakedness surrender and transcendence On this journey he finds the lover of my soul that immense deep Connection found in moments of intense feeling He finds the Lover in many places including the mysterious metaphor of Jesus What a Best Friend I Have In Jesus and in one of the most poignant S M poems in print My Master Richard Has Returned from Three Los Angeles Poems He talks about his family his growing up his dog his partner the luminous lost figure of his father and the disturbing one of his mother There are moments of icy anger A Warning to Fag Bashers and of full throttle eroticism

Pocahontas Queen Anne Maria Theresa Marie Antoinette Florence Nightingale Maria Mitchell Harriet Tubman Madame de Stael **Cumulative Book Index** ,1998 A world list of books in the English language **Language and Love** William Mallard,1994-10-05 This is the first work to combine an introduction to Augustine s Confessions with a larger outline of his mature theology Mallard provides guidance for reading the narrative Confessions Books I IX and at the same time by certain extensions and comments reveals the three major topical divisions within Augustine s thought creation salvation and the City of God Mallard is able to do this because Augustine s affirmation of the good of Creation his view of the human will and God s grace and the nature of evil his sense of a religious people s identity and their hope and his view of faith and reason were all essentially in place at the time of the Confessions Mallard argues that Augustine was not in search of himself in a modern sense but in search of a language of prayer praise and truth that would locate him within God s grace That language turned out to be the language of Incarnation which remains compelling and inviting today As a classic work the Confessions is a monument to its own time but it has striking resonances for our own Mallard s interpretation will challenge readers to begin working out their own The Confessions endures because it is a story that illumines the stories of many even to the present day To analyze how it is like and unlike modern experiences is to exercise both mind and heart In that respect Language and Love is a kind of theological meditation on the Confessions testing out a horizon of belief Mallard views Augustine as a master of the spoken word in an age of broken and abused language and the Confessions as a historic masterpiece of rhetoric He contends that Augustine is the ancestor of many today who offer social and political hope through fresh rhetorical vitality
