PRATCHETT meets THE WITCHER in this pee your pants laughing fantasy novel Sure you think you know the story of the fearsome red dragon Dragonia How it terrorized the village of Skendrick until a brave band of heroes answered the noble villagers call for aid How nothing could stop those courageous souls from facing down the beast How they emerged victorious and laden with treasure But even in a world filled with epic adventures and tales of derring do where dragons goblins and unlicensed prestidigitators run amok legendary heroes don't always know what they're doing Sometimes they're clueless Sometimes beleaguered townsfolk are more hapless than helpless And orcs They're not always assholes and sometimes they don't actually want to eat your children Heloise the Bard Erithea's most renowned storyteller is here to set the record straight See it turns out adventuring isn't easy and true heroism is as rare as an articulate villager Having spent decades propagating this particular myth which incidentally she wrote she's finally able to tell the real story for which she just so happened to have a front row seat Welcome to Erithea I hope you brought a change of undergarments things are going to get messy here Evoking the dry humor of Terry Pratchett and absurdist trope subversions of Monty Python Gibson's story is clever twisty and bursting with sidesplittingly funny one liners Fantasy fans are guaranteed a laugh Publisher's Weekly if Gibson continues to put out work of this quality and high level of entertainment will be a success story along the lines of Michael R Fletcher M L Spencer or Rob J Hayes Grimdark Magazine I can't praise the story enough If you want something light hearted and fun to read that will zip by quickly but still want to feel like you got the content you hoped for this is definitely the book you should pick up The Inkslinger Book Reviews Mr Sean Gibson would be extremely fun to play Dungeons and Dragons with Verified Reviewer **Best Places: Northern California, 6th Edition** Matthew
