Love's Encore Sandra Brown, 2014-05-06 Two years ago a designer's passionate tryst with a handsome stranger ended in regret and longing and now she must face him again while remodeling a storied Southern plantation A tall handsome stranger an evening of romance and enough heartache to last a lifetime in one reckless night her life was changed forever Two years later Camille Jameson is a successful interior decorator with the opportunity to renovate one of Mississippi's proudest plantations She arrives excited and eager to face her greatest professional challenge yet until Zack Prescott saunters through the mansion's front door and back into her life He is exactly as she remembers except for the knowing look in his eyes that reminds her of what they once shared Now forced to live in unbearably close quarters Camille and Zack will learn whether they have the courage to face the past and perhaps build a future together **na**, **Songs of Béranger** Pierre Jean de Béranger, William Young, 1878 **Diva NashVegas** Rachel Hauck, 2007-05-06 What do you do when the past you've been skirting shows up at your door with cameras rolling Aubrey James ruled the charts as the queen of country for over a decade She'd rocketed to fame in the shadow of her parents' death both of them pioneers in Gospel music But while her public life high profile romances and fights with Music Row execs made for juicy tabloid headlines the real and private Aubrey has remained a media mystery When a former band member betrays Aubrey's trust and sells an exclusive to a tabloid the star knows she must go public with her story But Aubrey's private world is rocked when the Inside NashVegas interviewer is someone from her past someone she'd hoped to forget All the moxie in the world won't let this Diva run any longer **Cyclopaedia of Songs and Recitations**, 1853 [Lost in NashVegas](#) Rachel Hauck, 2006-10-29 Last week I was stocking groceries in Freedom Alabama This week I live in Nashville Tennessee about to take the stage at the famous Bluebird Cafe Sounds fantastic doesn't it Only one problem I've got stage fright But after years of being ruled by fear and hiding from my dream I confronted my limited reality and left home Forget the hometown hunk who wants to make me queen of his double wide Forget Momma's doubt inspiring tirade I can make it in Music City can't I In a leap of faith I gathered my old guitar my notebook full of songs and packed up my 69 Chevy pickup Look out NashVegas With the help of some new friends especially handsome Lee Rivers my dream is about to find the light of day But as I face my first night at the Bluebird Cafe I realize I might just do what comes naturally Look for the nearest exit and run **Love and Provence** Jamie Brown, 2005 *Béranger* Pierre Jean de Béranger, 1878 **True Loves** Lester Wertheimer, 2012-03 Peter Newman's first true love is sex which eventually leads to a youthful indiscretion This in turn generates an intense desire to escape his current life At the age of eighteen he becomes a merchant seaman and finds his second true love travel Upon his return from the sea Peter enrolls at Berkeley where he discovers his third true love architecture Upon graduation he wins a coveted Traveling Fellowship which enables him to pursue his three true loves This is the story of Peter Newman's fellowship year a year filled with travel adventure and romance Together with a college friend Peter visits every major architectural monument

from the classic ruins and great cathedrals of Europe to the historic mosques and pyramids in the Middle East They spend more than a year exploring dozens of countries while experiencing exotic adventures bureaucratic entanglements and thrilling amorous episodes In the rousing conclusion several romantic partners unexpectedly arrive in Paris at the same time and Peter must choose his one true love In a narrative filled with humor romance and the frustrations of traveling through post war Europe our hero survives his fellowship year having learned much about his three true loves but far more about himself

The Love of a Prince Laurence L. Bongie, 2011-11-01 Many books have been written about Bonnie Prince Charlie but few have brought to light as much new material as this one including evidence of a short lived son born in Paris scarcely two years after the royal fugitive escaped to France following the unlucky Battle of Culloden The book deals less with the oft told story of the Prince s crushing defeat in 45 than with his subsequent inability to cope with failure and with the even more devastating personal defeat represented by his arrest in Paris and expulsion from France in 1748 During that critical time a major turning point in his life the once generous and compassionate Prince having failed in his noble ambition either to vanquish his enemies or perish sword in hand began his long descent into oblivion One happy event hitherto unnoted nevertheless marked this crucial period As the Prince in 1747 48 watched his world crumbling around him his father and brother in Rome having abandoned him and given up hope of a Stuart restoration he fell in love for the first time in his life with his married cousin Louise Princesse de Rohan like himself a direct descendant of Poland s King John Sobieski The Love of a Prince is her story too and an extensive appendix to the work is devoted to the passionate love letters she wrote during their clandestine affair They convey the full tragedy of an archetypal femme abandonnee whom we observe progressing from the initial joys of young love to inevitable catastrophe Ultimately the princess s suffering and her moral defeat become little more than an unhappy subplot in the Prince s own saga of distrust bad faith and angry failure set amid the intrigues and petty jealousies of the French court Nearly a decade of research by the author in the Stuart Papers at Windsor Castle and in private and public archives has gone into the work Though at times challenging for the general reader because of its period French documentation retained for the sake of authentic flavour the work is by no means directed to the specialist alone Indeed at times The Love of a Prince reads more like an historical romance than history despite the total absence of fictional elements It will appeal to those interested in eighteenth century history and biography followers of the royal families of Europe and especially those long
