John Wilkes Booth and the Women Who Loved Him E. Lawrence Abel,2018-04-09 When John Wilkes Booth died shot inside a burning barn and dragged out twelve days after he assassinated President Lincoln all he had in his pocket were a compass a candle a diary and five photographs of five different women They were not ordinary women Four of them were among the most beautiful actresses of the day the fifth was Booth s wealthy fianc women who were consumed by love jealousy strife and heartbreak women whose lives took wild turns before and after Lincoln s assassination women whom have been condemned to the footnotes of history until now *Love in the Time of Self-Publishing* Christine M. Larson,2025-09-16 Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In *Love in the Time of Self Publishing* Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others

who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing s most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia s historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers became the only authors in America to make money from the rise of ebooks increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of relationships can amplify or mute certain voices Romancelandia s experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia s rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members *The Loves and Intrigues of Kings and Queens* Dennis O'Sullivan,2025-08-07 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Leading Women to the Heart of God** Lysa TerKeurst,2009-01-01 Building a vibrant God honoring women s ministry is an enormous challenge There are so many issues to consider and points of view to incorporate Moody Press offers *Leading Women to the Heart of God* a comprehensive compilation of articles by leading Christian women addressing key areas of women s ministry The topics range from *Your Own Intimate Life with God* to *Building Your Confidence to Lead and Teach* to *Developing Leaders within Your Ministry* Anyone involved in women s ministry must have a copy of this essential handbook **Love Wars** Mary Irwin,2025-02-06 This is the first dedicated overview of the international television romantic comedy genre Mary Irwin builds on the critical work on cinematic romantic comedy to offer a dedicated critical analysis of the romantic comedy on the small screen Drawing on series from the 1960s to the present day Irwin presents five themed chapters around the theme of romantic love from searching for it and finding it to the love wars of the book s title to finding love later in life and in places you didn t expect Chapters explore the genre s key recurrent themes evolving attitudes to love relationships sex class and money feminism and post feminism changes in the nuclear family dramatised through contrasting romantic relationships and shifting discourses of masculinity situating them within the specific socio historic and cultural context in which the series are set Throughout Irwin underscores the centrality of women their friendships and their personal and professional lives and experiences to the television romantic comedy genre demonstrating that it is prominence of female characters and their interests and concerns which have most significantly affected the genre s thematic focus Crucially this thematic approach allows for explorations both of similarities in representations to be found in series decades apart and the way in which such representations ebb and flow across time

Additionally the international nature of the comedies selected also makes possible comparison beyond national boundaries
