Allison Peers Ramon Lull, 2025-08-20 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Book of the Lover and the Beloved: Translated from the Catalan of Ramón Lull with an Introductory Essay by E. Allison Peers Ramón Lull, 1923-01-01 THE average man has seldom understood the Mystic He conceives the Mystic Life with its ceaseless spiritual activity and its restlessness which knows no stay till it reaches its goal as a life of tranquillity if not of indolence and ease He has no conception of what it really is and for that perhaps he should not be blamed But not content with misinterpreting the mystic's life he presently becomes more daring he asserts that mysticism is essentially unpractical and that one whose aim is to reach the state of Union with God must necessarily be as a fool in his relations with the world Here the average man is grossly inexcusably mistaken His error has again and again been exposed confuted disproved by example after example to the contrary Yet for all that it seems to thrive in the average mind Now if the story of one man's career could suffice to destroy the mistaken idea that the mystic is an unpractical dreamer that man would surely be the Majorcan Ramon Lull the Apostle of Africa Lull lived far back in the thirteenth century not long after the days of St Francis of Assisi whose disciple he was He gives us as it were a prevision of the splendours of that Golden Age of Mysticism which dawned for Spain three hundred years after his birth His mystic writings and especially his BOOK OF THE LOVER AND THE BELOVED are full of the purest and noblest spirituality compounded with the quintessence of love If ye will have fire he cries O ye that love come light your lanterns at my heart His famous phrase He who loves not lives not sums up his inspiration Yet Lull was no cloistered visionary His life is full of romance and adventure so crowded with incident is it that many pages will not suffice even to summarise its principal happenings His capacities showed the rare combination of scholar and man of affairs he was both these and he was also the man of God To the service of his Master for Whom alone he lived and for Whom he died Lull was able to bring the full and complete tribute of an efficient and active body a superb mind and an ardent unconquerable spirit
