Loves Philosophy:

A Short Philosophical Guide to the Fallacies of Love José A. Díez, Andrea Iacona, 2020-12-10 What can epistemology tell us about love Here two philosophers use their training in arguments and reasoning to uncover the role of ungrounded beliefs when we fall in love This not a self help book it is a philosophy book Free of advice methods and strategies for being successful in love it does not offer solutions for problems What it gives us instead is a reading of love as it actually is The authors illustrate the fallacies of love by drawing on personal experiences literary characters and imaginary individuals They provide examples of ungrounded beliefs in Aesop s Fables Cinderella and Don Giovanni amongst others and illustrate love as an inexhaustible source of misperceptions misunderstandings and misconceptions By tackling those characteristic and all too familiar ways in which ungrounded love beliefs arise the book forces us to question why baseless beliefs are maintained and reinforced showing us that many love beliefs are built on anything but logic **Love's Philosophy** ,2011 AQA Poetry Anthology - *Love and Relationships: York Notes for GCSE (9-1) ebook edition* Mary Green, 2018-04-06 York Notes Study Guide for the AQA Poetry Anthology cluster Love and Relationships is an essential guide to your GCSE poetry paper Featuring complete annotated poems it will help you understand the story and meaning of every poem its poetic structure and techniques and the context behind it York Notes give you everything you need in order to achieve top grades in exam and essay questions about Love and Relationships and the Study Guide also includes essential help with dealing with the unseen part of the exam too Examiners marking your Love and Relationships GCSE questions will be looking for your ability to analyse poems and also to compare and contrast them You will need to show an understanding of the poet s message and how they use the speaker s voice to convey their ideas GCSE students who can successfully pick out language techniques and show their effects are more likely to receive the top grades York Notes for GCSE Love and Relationships is designed to help you craft the best possible answers which clearly demonstrate your knowledge to the examiner Inside you ll find plenty of examples as well as lots of help with writing about themes and techniques comparing poems and applying contexts The guide not only covers the poems themselves but also all the key skills required to fulfil your potential in your English Literature exam The full text downloaded to your computer With eBooks you can search for key concepts words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download available online and also via the iPad and Android apps Upon purchase you ll gain instant access to this eBook Time limit The eBooks products do not have an expiry date You will continue to access your digital ebook products whilst you have your Bookshelf installed *The Poems of Shelley: Volume Three* Jack Donovan, Cian Duffy, Kelvin Everest, Michael Rossington, 2014-05-22 Percy Bysshe Shelley 1792 1822 was one of the major Romantic poets and wrote what is critically recognised as some of the finest lyric poetry in the English language This is the third volume of the five volume *The Poems of Shelley* which presents all of Shelley s poems in chronological order
