Tucson brought together four mismatched sleuths who have now formed Union Jack Investigations The British expat Wilde Sinclair founded Union Jack bringing along Salem psychic Deliverance Dane ex detective Michael Quintana and ex police lieutenant Victor Renard For these four all is well in life and love Sadly its just a calm before the storm as death once again disturbs the desert city of Tucson Arizona The case hits the Union Jack team personally and they must quickly uncover the killer and his motives As the investigation continues it becomes obvious that there is some link between the old series of murders and the new ones As the clock ticks down on murder after murder there is no discernible pattern to the perpetrators purpose or selection of victims As multiple madmen converge on the heart of the city it becomes clear that the Union Jack four are targets but why Past actions and secrets play a part in the final denouement as savagery and hatred home in on the innocent as well as guilty

Walking the Line Thomas Alan Holmes, Roxanne Harde, 2013-10-09 An insightful and wide ranging look at one of America s most popular genres of music Walking the Line Country Music Lyricists and American Culture examines how country songwriters engage with their nation s religion literature and politics Country fans have long encountered the concept of walking the line from Johnny Cash s I Walk the Line to Waylon Jennings s Only Daddy That ll Walk the Line Walking the line requires following strict codes respecting territories and sometimes recognizing that only the slightest boundary separates conflicting allegiances However even as the term acknowledges control it suggests rebellion the consideration of what lies on the other side of the line and perhaps the desire to violate that code For lyricists the line presents a moment of expression an opportunity to relate an idea image or emotion These lines represent boundaries of their kind as well but as the chapters in this volume indicate some of the more successful country lyricists have tested and expanded the boundaries as they have challenged musical social and political conventions often reevaluating what country means in country music From Jimmie Rodgers s redefinitions of democracy to revisions of Southern Christianity by Hank Williams and Willie Nelson to feminist retellings by Loretta Lynn and Dolly Parton to masculine reconstructions by Merle Haggard and Cindy Walker to Steve Earle s reworking of American ideologies this collection examines how country lyricists walk the line In weighing the influence of the lyricists accomplishments the contributing authors walk the line in turn exploring iconic country lyrics that have tested and expanded boundaries challenged musical social and political conventions and reevaluated what country means in country music
