Loving through Your Differences James L. Creighton, 2019-02-05 FIND HAPPINESS AND FULFILLMENT THROUGH RATHER THAN DESPITE YOUR DIFFERENCES Dr James Creighton has worked with couples for decades facilitating communication and conflict resolution and teaching them the tools to build healthy happy relationships He has found that many couples start out believing they like the same things see people the same way and share a united take on the world But inevitably differences crop up and it can be profoundly discouraging to find that one's partner sees a person situation or decision completely differently Although many relationships flounder at this point Creighton shows that this can actually be an opportunity to forge stronger ties In *Loving through Your Differences* he draws on the latest research in cognitive science and developmental psychology to show how we invent our realities with our perceptual minds He then provides clear concrete tools for shifting our perceptions and reframing our responses The result moves couples out of the fear and alienation of your way or my way and into a deep understanding of the other that allows for an our way As Creighton shows this way of being together based on the reality of individuality rather than the illusion of sameness sets the stage for long term excitement discovery and fulfillment

Let Love Rule John H. Nichols,2010-05-26 When the Apostle John was elderly he would often be brought to a place where Christians were gathered so they could ask him all sorts of spiritual questions Every time he would respond by saying

Beloved love one another Eventually those present finally asked John why his response was always the same and he replied that this was the commandment of Christ and if every believer could just live out this one truth that would be enough How right John was For this to happen however I've become convinced that we need to first better understand God's great amazing love for us through Christ Only then once our souls become saturated with the love of Christ can we truly love one another the way He intended This is what it means to Let Love Rule John H Nichols is a graduate of Taylor University and has been in full time ministry since 1992 He is currently serving as one of the Teaching Elders at Four Peaks Community Church in Fountain Hills Arizona John resides in Fountain Hills with his wife and two children

Smith,2006-08 Literally all healthy relationships will benefit by understanding and appreciating this historically first true clarification of love eliminating confusion over what it is and how to find and build upon it This useful descriptive definition of love is invaluable for those interested in increasing the success of any relationship One of a host of interesting insights is that genuine love is more than emotion Janet Ackerman Smith BSN MA MS During a fifty year ministry this is one of my very few absolute endorsements because Dr Joseph Smith has put together a manuscript of such thoughtful and practical concern Most of the books on the counters of our local bookstores are not of the same caliber that he offers Reading this manuscript was for me an adventure of discovery I find his book not only fulfilling but exciting The organization quickly brings the reader to an appreciation that love defined can really have an impact on not only the way we understand and then react with others but how we may do this responsibly This is the secret genius of this book Reverend William J Murphey *God, what happen to our good Men!* Rina L. Williams,2010-03-18 This book is about my life as a woman who wanted to have a good man but could not find one on my own I am a single mother with four children who had a horrible past that infected my thinking pattern towards men in general Some folks with this type of insecurity go and see therapist but decide to consult God about this issue In result of finding God I found the truth why many of women are single and the main reason is that we hold on to a lot of hurt that mess with our mind and thinking When I began to contact God for myself when I was out the sight of church my family and friends I was faced alone in the mirror with myself And as I confront issue that was pulled up by seeking God it showed me the true answer to what I and many women ask God What happen to the good men is a book about my life that will inspire some and encourage other but important give you courage to face you I also show the importance of why having a relationship with God for yourself is necessary And in the end you will see that God s yoke is easy and burden is light When I tried to find a good man on my own I was picking the wrong one because of me not the men But when I finally decide to detach myself from my own issues and come outside myself I got free and love found me *Abortion and Dialogue* Ruth Colker,1992-09-22 The issues she takes on are crucial not solely the subject areas of reproductive rights and law or public policy lenses and judicial impact in women s and children s lives but also the more difficult and fundamental questions of how these hot topics can be approached so as to make the most of the good will of all and the force of free discussion for social learning she brings a strong evolving and distinctive perspective to the discussion Emily Fowler Hartigan In *Abortion and Dialogue* Ruth Colker argues that the state falsely views the woman

and the fetus as having conflicting needs when it intervenes in decisions regarding pregnancies Colker's feminist theological perspective on reproductive health issues encourages both pro choice and pro life advocates to consider how the value of life is implicated in discussions of reproduction Colker argues that theology can contribute to our understanding if we apply the concepts of love compassion and wisdom to problems identified by feminist theory and to actual concrete situations the impact of abortion regulations on poor female adolescents the judicial treatment of abortion regulations state intervention into women's decision making during pregnancies carried to term Colker concludes by examining effective and respectful family planning strategies that truly help women in making reproductive choices **Love, Friendship, and**
