The Apprenticeship to Love R. Phillip Colon, 2009-06-16 Reentering the dating scene after a painful divorce or the end of a long-term relationship can be difficult, if not downright daunting. Though there are numerous "how-to" guides on how to navigate the dating world, *The Apprenticeship to Love* is dramatically different. Why? It can help you find the right person at the right time. Based on a simple step-by-step program specifically tailored to the love-challenged, this groundbreaking work will teach you how to look for and find a healthy, fulfilling, viable life partner while having fun and making new friends in the process. Utilizing the principles of focused effort, incremental success, and social networking, you'll learn how to meet and date three members of the opposite sex who will become potential candidates in your search for a mate. Dr. R. Phillip Colon makes the program easy to learn. Once you develop a better understanding of what qualities characterize your life partner, you will replace your first candidates with new ones several times until you find the person meant for you. By learning and applying new social, emotional, and interpersonal skills, you'll soon access higher-level, more suitable contenders and, at the same time, ready yourself for better relationships through personal growth. Love doesn't have to be complicated or agonizing. Find your happily ever after with *The Apprenticeship to Love*.

Sex, Love, and Migration Alexia Bloch, 2017-12-15 *Sex, Love, and Migration* goes beyond a common narrative of women's exploitation as a feature of migration in the early twenty-first century.

a story that features young women from poor countries who cross borders to work in low paid and often intimate labor Alexia Bloch argues that the mobility of women is marked not only by risks but also by personal and social transformation as migration fundamentally reshapes women s emotional worlds and aspirations Bloch documents how as women have crossed borders between the former Soviet Union and Turkey since the early 1990s they have forged new forms of intimacy in their households in Moldova Ukraine Belarus and Russia but also in Istanbul where they often work for years on end Sex Love and Migration takes as its subject the lives of post Soviet migrant women employed in three distinct spheres sex work the garment trade and domestic work Bloch challenges us to decouple images of women on the move from simple assumptions about danger victimization and trafficking She redirects our attention to the aspirations and lives of women who despite myriad impediments move between global capitalist centers and their home communities **Harlequin Love Inspired**
